Attendance

I. The Education and Cultural Subcommittee meeting was called to order by Chairman Joseph H. Jefferson, Jr., on Tuesday, November 26, 2019, in Room 321 of the Blatt Building. All members were present for the meeting.

Minutes

I. House Rule 4.5 requires standing committees to prepare and make available to the public the minutes of committee meetings, but the minutes do not have to be verbatim accounts of meetings. It is the practice of the Legislative Oversight Committee to provide minutes for its subcommittee meetings.

II. Representative Stringer moves to approve the minutes from the Subcommittee's prior meeting on November 4, 2019. A roll call vote is held, and the motion passes.

III. Representative Stringer noted at the last meeting in response to his questioning of representatives with the Office of Finance: (1) local school districts can apply for grants from the federal government that are not administered by the Department of Education, and (2) the department does not track this income. While aggregate data may be available from the department about federal income school districts receive, he believes knowing the amount by category would be helpful. He moves that the study include a recommendation that the Department of Education develop and implement a procedure to track by category all sources of federal funds school districts receive. A roll call vote is held, and the motion passes.

IV. Representative Jefferson notes that salaries for state officers are provided for in S.C. Code § 1-1-1210, a statute that was last revised in 1989. The salary for our state superintendent of education is \$92,007. From a review of a 2017 article in Education Week noted in one of the Department of Education's responses to the Subcommittee's questions, it appears that South Carolina's superintendent of education is the second lowest paid state chief education officer in the nation. Only Arizona pay its chief education officer less, and only three other states pay their chief education officer less than \$100,000. The average pay for a chief state education officer is \$174,000. As another comparison, the average South Carolina school district superintendent salary at the end of the 2017-2018 school year was \$161,686. Representative Jefferson moves that the General Assembly continue as a priority the review of educator salaries, in particular our teachers, and as

part of a comprehensive review examine the superintendent of education's salary which is among the lowest in the nation. A roll call vote is held, and the motion passes.

In 1710, the first free public school in SC was established. The SC Constitution of 1868 provided the first guarantee of a free public school system, describing a modern system to be funded by state and local taxes, open to citizens of all races. This system became the foundation of the public school system used today.
