The Honorable Wm. Weston J. Newton, Chairman
S.C. House Legislative Oversight Committee
1105 Pendleton St.
Columbia, SC 29201

Dear Chairman Newton:

Pursuant to South Carolina House Legislative Oversight Committee Standard Practices 4.3.1 – 4.3.3, the Retirement Systems Investment Commission respectfully requests permission to amend its January 2016 submission of the Annual Accountability Report.

RSIC has worked with Oversight Committee staff since the original submission to clarify and refine its understanding of the goals of the report, and we believe that a revision of the original submission will better reflect the strategies and objectives of our agency.

We believe that we can submit the amendment within five business days of approval.

We greatly appreciate your consideration.

Sincerely,

Signature Redacted
