PAGE 2: About Agencies Scheduled for Study

Q1: Please share any comments, suggestions or concerns you may have about these agencies. Please note your responses may be included verbatim in a Committee report, which may be posted online.

Retirement System Investment Commission

Word across the street is that a lot of Investment Staff members at the SCRSIC are not even in the State's plan. Apparently, many of the Investment Staff members believe that they will have better luck in the Other Retirement Plan options. Other Retirement Plan options should not even be available for the Investment Staff, especially given the inflated salaries at this agency. There are people making 4-6 times the average state workers' salaries. I believe that the CIO and many (if not all) SCRSIC's Directors do not participate in the Plan. Please ask SCRSIC to disclose Plan participation for the Investment Staff by title. Thank you for providing South Carolinians a forum to share thoughts and concerns. I am a tax payer, state employee, and most importantly, a voter.
