## State Payroll Deduction Application for Public Charity<sup>11</sup>

The Division of Public Charities determines if a charitable organization meets the criteria to receive charitable contributions from state employees through payroll deduction. These criteria include: (a) qualified to solicit under Solicitation of Charitable Funds Act; (b) provide direct and continuing services to South Carolinians; (c) tax exempt under Section 501(c)(3); (d) not a 501(c)(4), 501(c)(5), or 501(c)(6) organization, or primarily engaged in the propagation of a religious faith, in lobbying, or in political activity; (e) non-discriminatory; and (f) has neither a parent or subsidiary that fails to meet these qualifications.

Payroll deduction applications are due on September 1st of each year. In previous years, the sole applicant has been the United Way; however, the United Way and its chapters submit a list of participatory nonprofits which are verified by the Division of Public Charities.
