Dear Mr. Graham:

On behalf of the entire Economic Development, Transportation, Natural Resources and Regulatory Subcommittee, I would like to thank you all for sharing your time and knowledge with the Subcommittee at its June 28, 2016, meeting.

One purpose of this letter is to seek follow up information from our recent meeting, and the Subcommittee respectfully requests that responses be provided in writing by Monday, August 15, 2016. As the agency is authorized to have new employees in fiscal year 2016-2017, please provide the Subcommittee with an updated organizational chart. During our last meeting, it was mentioned that new operating guidelines were approved at the agency on May 26, 2016; please include a summary document of these new operating guidelines and note those which implement or begin the implementation process of any Legislative Audit Council recommendations. For ease of reference to the Subcommittee, please indicate in this summary document the Legislative Audit Council recommendation number. If possible at this time, please share a general timeline for implementation of these items. Additionally, please share any recommendations that you would like for the Subcommittee to consider for inclusion as a part of its study.

A second purpose to this letter is to seek to schedule our next meeting at a mutually convenient time. To that end, the Subcommittee asks that your staff please coordinate with our staff with regards to potential meeting dates in August and September.
