

Fiscal Year 2013/2014 Budget Summary

H.3710 – General Appropriations Bill
H.3711 – Capital Reserve Fund Bill

*As Introduced By
The Ways & Means Committee
March 2013*

THE FOLLOWING CONSTITUTED SUMMARY IS PREPARED BY THE STAFF OF THE SOUTH CAROLINA HOUSE OF REPRESENTATIVES AND IS NOT THE EXPRESSION OF THE LEGISLATION'S SPONSOR(S) OR THE HOUSE OF REPRESENTATIVES. IT IS STRICTLY FOR THE INTERNAL USE AND BENEFIT OF MEMBERS OF THE HOUSE OF REPRESENTATIVES AND IS NOT TO BE CONSTRUED BY A COURT OF LAW AS AN EXPRESSION OF LEGISLATIVE INTENT.

Guiding Principles

- ✦ Live within our means – limit budget growth in accordance with both the spending limits bill repeatedly passed by the House and the commonly accepted spending cap of CPI + Population.
- ✦ Continue efforts to improve our State's aging infrastructure.
- ✦ Fund core functions of State Government (i.e. k-16 education and law enforcement).
- ✦ Invest in programs that are proven successful in helping put South Carolinians back to work.

Big Picture Dollars

- ✿ Available Revenue:
 - ✿ \$256M Recurring 1A Funds
 - ✿ \$160M FY13 BEA Certified Surplus
 - ✿ \$153M Master Settlement Agreement
 - ✿ \$112M Capital Reserve Fund (H.3711)
 - ✿ \$156M Cigarette Tax Revenue - Medicaid

- ✿ Reduction in Federal Funds
 - ✿ The FY14 Federal Funds authorization is considerably less than FY13 – this is largely a result of an accounting adjustment to remove authorization for the Federal Food Stamp Program from the State’s operating budget.

Budget Growth cont.

- ✦ The Ways & Means proposed General Fund represents a modest 2.86% growth over FY 12/13, and is \$6 million less than that proposed in the Executive Budget.
- ✦ The proposed General Fund falls below both the spending limit repeatedly passed by the House and the 'CPI + Population' spending cap .
 - ✦ Inflation (1.8%) + Population (1.43%) = 3.23%
- ✦ The proposed Total Budget actually represents a reduction of nearly \$1 billion or -3.9%. However, this reduction, as previously discussed, is largely attributable to an accounting adjustment.

Statewide Items

- ✦ Reserve Funds
 - ✦ Fully funded both the General Reserve Fund (5%) and the Capital Reserve Fund (2%) – total FY14 reserves \$410 million.
- ✦ Consumer Protection/Cyber Security
 - ✦ Appropriated \$25 million to 1) provide at a minimum one additional year of consumer protection for citizens affected by the DOR Data Breach; and 2) use the remaining funds to begin funding a statewide overhaul of our cyber security protocol/infrastructure.
