

## Session 109 - (1991-1992)

### **S 1436 General Bill, By Leatherman, R.L. Helmly, Matthews, Peeler, J.V. Smith and N.W. Smith**

A Bill to amend Section 44-7-120, as amended, Code of Laws of South Carolina, 1976, relating to the purpose of the Certificate of Need and Health Licensure Act, so as to change references from the State Medical Facilities Plan to the State Health Plan; to amend Section 44-7-130, as amended, relating to definitions, so as to revise the definition of "affected person", "health care facility", "health service", and to add the definition of "like equipment with similar capabilities"; to amend Section 44-7-160, as amended, relating to circumstances requiring certificate of need, so as to delete provisions relating to acquisition of medical equipment owned by or located in a health care facility; to amend Section 44-7-170, as amended, relating to transactions and institutions exempt from the Article, so as to delete provisions relating to the initiation of services through contractual arrangements for shared mobile diagnostic and therapeutic devices; to amend Section 44-7-180, as amended, relating to the State Medical Facilities Plan, so as to change this Plan to the State Health Plan, to provide for a health planning committee, its members and terms, and to provide that the committee shall advise in the preparation of the plan, to revise the content, approval, and revision procedures for the plan; to amend Section 44-7-200, as amended, relating to certificate of need applications, so as to prohibit certain department personnel from communicating with other persons about pending applications; to amend Section 44-7-210, as amended, relating to procedures following completion of a certificate of need application, so as to provide for project review criteria and procedures; to amend Section 44-7-230, as amended, relating to the nontransferability of certificate of need, so as to require project reports and inspections to assure compliance and to extend a certificate of need from six months to one year on major hospital construction projects; to amend Section 44-7-240, as amended, relating to a state construction program, so as to change the reference from State Facilities Plan to State Health Plan; to provide for certificate of need exemptions for medical equipment under certain conditions; and to provide for staggered terms for members appointed to the Health Planning Committee.
