

Session 110 - (1993-1994)

H 3048 Joint Resolution, By Alexander

A Joint Resolution to provide that a state employee unable to use annual leave due to a personnel shortage resulting from a reduction in force after January 1, 1993, may carry over up to ten additional days of leave in this and the following year which may be used or counted in the lump sum payment for leave but must not be used to reach retirement; and to provide that a state agency taking a reduction in force must take at least a proportionately equivalent reduction in state offices as in outlying offices.
