

Session 110 - (1993-1994)

H 4555 Joint Resolution, By Sharpe

A Joint Resolution to provide that it is the policy of this State to maintain a program for the procurement of products containing composted organic material and to require state agencies to give preference to the use of South Carolina composted material in road building, land maintenance, and land development activities.

01/19/94 House Introduced and read first time HJ-27

01/19/94 House Referred to Committee on Ways and Means HJ-27
