

Session 110 - (1993-1994)

S 0500 General Bill, By Land, Courtney, Elliott, Martin, Matthews and Passailaigue

Similar (H 3661)

A Bill to authorize the issuance of limited benefit health insurance policies, or the development and marketing of "bare bones" health insurance plans, in an effort to make such coverage more affordable for the residents of the State, and to provide for related and incidental matters.

03/04/93 Senate Introduced and read first time SJ-4

03/04/93 Senate Referred to Committee on Banking and Insurance SJ-4
