

Session 104 - (1981-1982)

S 0819 General Bill, By Setzler

Similar (H 3590)

A Bill to amend Title 48, Code of Laws of South Carolina, 1976, by adding Chapter 47, so as to create and provide for the Southeast Interstate Low-Level Radioactive Waste Management Compact; to provide for the appointment of two members to the Compact Commission from this State; to create an advisory committee to consult with and advise this State's representatives to the Compact Commission concerning technical and policy matters; to provide that if a "facility" in this State is designated by the Compact Commission as a "regional facility", all other party states to the Compact must also host a "regional facility" before this State may host another "regional facility" or expand the boundaries of the "regional facility"; and to amend Section 13-7-30, relating to the powers and duties of the State Budget and Control Board with respect to atomic energy and radiation control, so as to provide that custodial management activities shall include the purchase of sufficient insurance to protect the State's interests and the general public in the event migration or dispersal of radioactivity endangers or affects the public health and safety.
