Any offer or sale of securities made in compliance with Rules 501 through 505 and 507 through 508 of Regulation D (collectively “SEC Regulation D”) under the Securities Act of 1933, as amended from time to time (except for any subsequent amendment to SEC Regulation D which the Securities Commissioner, by Rule or Order, specifically excludes) and which satisfies the following additional conditions and limitations, shall be exempt from Sections 35–1–301 to 35–1–306 of the South Carolina Uniform Securities Act of 2005:

A. Commissions. No commissions, finders fees or other remuneration shall be paid or given, directly or indirectly, to any person for soliciting any prospective purchaser unless such person is registered as a broker-dealer or agent as required by Section 35–1–401 of the South Carolina Uniform Securities Act of 2005.

B. Disqualifications. No exemption under this Rule shall be available for the securities of an issuer, if the issuer or any of its affiliates:

(1) is subject to any order, judgment, or decree of any court of competent jurisdiction temporarily or preliminarily restraining or enjoining or is subject to an order, judgment or decree of any court of competent jurisdiction, entered within five (5) years prior to commencement of the offering in reliance upon this exemption, permanently restraining or enjoining such person from engaging in or continuing any conduct or practice in connection with the purchase or sale of any security or involving the making of any false filing with any state; or

(2) has been convicted within five (5) years prior to the commencement of the offering in reliance upon this exemption of any felony or misdemeanor in connection with the purchase or sale of any security or any felony involving fraud or deceit including but not limited to forgery, embezzlement, obtaining money under false pretenses, theft by conversion, theft by deception, larceny or conspiracy to defraud; or

C. Waiver of Disqualification. The disqualification referred to in Subsection B above shall not apply:

(1) if the issuer or its affiliate subject to the disqualification is currently registered or licensed to conduct securities-related business in the jurisdiction where the administrative order or judgment was entered against such issuer or affiliate; or

(2) if the jurisdiction which created the basis for disqualification determines upon a showing of good cause that it is not necessary under the circumstances that the exemption be denied; or

(3) if the Securities Commissioner, in his discretion, waives the disqualification.

D. Filing requirements. The following filing requirements are conditions precedent to the availability of this exemption:

(1) The issuer shall file with the Securities Commissioner a notice of intention to sell using the SEC Form D, described in Rule 503 of SEC Regulation D, or any successor form, at least five (5) business

days prior to the first offering to an investor in this state in reliance upon this exemption. Said notice of intention to sell shall be accompanied by the following:

(a) a non-refundable filing fee in the amount of three hundred (\$300.00) dollars;

(2) A sales report shall be filed with the Securities Commissioner no later than thirty (30) days after the termination of the offering and shall include the names and addresses of the purchasers.

(3) In the event that an offering pursuant to this exemption continues for a period of more than twelve (12) months after the time required for the filing of the initial SEC Form D in this state, prior to the expiration of twelve (12) months from such time, the issuer shall file with the Securities Commissioner a notice stating that such offering is to be renewed for an additional period of up to twelve (12) months, together with a non-refundable renewal filing fee in the amount of three hundred (\$300.00) dollars and any necessary amendments or updates to documents previously filed with the Securities Commissioner.

(4) Any filing pursuant to this exemption shall be amended by filing with the Securities Commissioner such information and changes as may be necessary to correct any material misstatement or omission in the filing. Any prospectus or disclosure documents required to be filed by this Rule that were not prepared at the time of the initial filing, or which materially differ from the prospectus or disclosure documents included in any filing shall be filed with the Securities Commissioner at least two (2) business days prior to its use in this state. There shall be no fees charged for amendment of filings pursuant to this Rule.

(5) Any notice on, amendment to or renewal of an SEC Form D required by this section shall be manually signed by a person authorized by the issuer.

(6) For purposes of this exemption, a document shall be deemed to have been filed with the Securities Commissioner only when the document has been delivered to the Office of the Securities Commissioner.

E. Any prospectus or disclosure document utilized in this State in connection with offers or sales of securities in reliance on this exemption must carry substantially the following information shown **boldly**:

THESE SECURITIES ARE OFFERED PURSUANT TO A CLAIM OF EXEMPTION UNDER ONE OR MORE SECURITIES ACTS. IN MAKING AN INVESTMENT DECISION INVESTORS MUST RELY ON THEIR OWN EXAMINATION OF THE PERSON OR ENTITY CREATING THE SECURITIES AND THE TERMS OF THE OFFERING, INCLUDING THE MERITS AND RISKS INVOLVED. THESE SECURITIES HAVE NOT BEEN RECOMMENDED BY ANY FEDERAL OR STATE SECURITIES COMMISSIONER OR REGULATORY AUTHORITY. FURTHERMORE, THE FOREGOING AUTHORITIES HAVE NOT CONFIRMED THE ACCURACY OR DETERMINED THE ADEQUACY OF THIS DOCUMENT. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

THESE SECURITIES ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND THE APPLICABLE STATE SECURITIES LAWS, PURSUANT TO REGISTRATION OR EXEMPTION THEREFROM. INVESTORS SHOULD BE AWARE THAT THEY WILL BE REQUIRED TO BEAR THE FINANCIAL RISKS OF THIS INVESTMENT FOR AN INDEFINITE PERIOD OF TIME.

F. The Securities Commissioner in his discretion shall be entitled to postpone the effective date of any filing pursuant to this exemption pending receipt of registered or required documents or pending further review or to deny the availability of this exemption by faxing, mailing, or otherwise notifying the issuer prior to the end of the fifth business day after filing of the SEC Form D referred to in Subsection D(1) above.

G. An issuer shall be deemed to have complied with Regulation D as used above if the issuer demonstrates to the Securities Commissioner that it has made a good faith effort to comply in all

material respects with Regulation D, and the issuer otherwise qualifies for an exemption from registration under the Securities Act of 1933.

H. This exemption shall not apply to transactions offered and sold in reliance upon Rule 504 of SEC Regulation D, unless the following additional conditions are satisfied:

(1) The aggregate offering price for securities sold in South Carolina shall not exceed two hundred fifty thousand (\$250,000.00) dollars during any twelve (12) month period;

(2) The limitation on the manner of offering and resale of securities set forth in Rules 502(c) and (d) of SEC Regulation D shall be satisfied; and

(3) The “sophisticated investor” qualifications for the nature of purchasers set forth in Rule 506(b)(2)(ii) of SEC Regulation D shall be satisfied.

I. Nothing in this exemption is intended to relieve or should be construed as in any way relieving issuers or persons acting on behalf of issuers from the anti-fraud provisions of the South Carolina Uniform Securities Act of 2005.

J. The Securities Commissioner may deny, revoke or suspend the availability of this exemption pending a further investigation and determination as to whether the issuer and all other parties acting on behalf of the issuer have effected full compliance with the terms and conditions hereof, and of the South Carolina Uniform Securities Act of 2005. Neither compliance nor attempted compliance with this exemption, nor the absence of any objection or order from the Securities Commissioner with respect to any offering of securities undertaken pursuant to this exemption, shall be deemed an approval of any securities offered pursuant to this exemption.

K. The aggregate number of unaccredited investors sold under this exemption shall not exceed thirty-five (35) purchasers in this state during any twelve (12) month period, exclusive of purchasers acquiring securities registered pursuant to Section 35–1–304 of the South Carolina Uniform Securities Act of 2005.

L. All terms used in this exemption, to the extent not otherwise defined, shall have the meanings ascribed to them in SEC Regulation D.

HISTORY: Added by State Register Volume 30, Issue No. 6, eff June 23, 2006.

13–205. Accredited Investor Exemption.

Any offer or sale of a security by an issuer in a transaction that meets the requirements of this Rule is exempted from Sections 35–1–301 and 35–1–504.

A. Sales of securities shall be made only to accredited investors. “Accredited investor” is defined in 17 C.F.R. 230.501(a), as amended.

B. The exemption is not available to an issuer that is in the development stage that either has no specific business plan or purpose or has indicated that its business plan is to engage in a merger or acquisition with an unidentified company or companies, or other entity or person.

C. The issuer must reasonably believe that all purchasers are purchasing for investment and not with the view to or for sale in connection with a distribution of the security. Securities issued under this exemption may only be resold pursuant to a registration or an exemption under the South Carolina Uniform Securities Act of 2005 or other appropriate state or federal securities acts.

D. (1) A general announcement of the proposed offering may be made by any means.

(2) The general announcement must include the following:

(a) The name and address of the issuer of the securities;

(b) The name, a brief description and price (if known) of any security to be issued;

(c) A brief description of the business of the issuer;

(d) The name, address and telephone number of the person to contact for additional information; and

(e) A statement that:

(i) sales will only be made to accredited investors;

(ii) no money or other consideration is being solicited or will be accepted; and

(iii) the securities have not been registered with or approved by any state securities agency or the United States Securities and Exchange Commission and are being offered and sold pursuant to an exemption from registration.

(3) The general announcement may include additional information permitted by the Securities Commissioner.

(4) The general announcement of the proposed offering shall only contain the information that is required or permitted in Subsections D(2) and (3) of this Rule.

(5) Dissemination of the general announcement of the proposed offering to persons who are not accredited investors shall not disqualify the issuer from claiming the exemption under this Rule. E. The issuer, in connection with an offer, may provide information in addition to the general announcement under Section D above, once the issuer has determined that the prospective purchaser is an accredited investor.

F. No telephone solicitation shall be permitted until the issuer has determined that the prospective purchaser to be solicited is an accredited investor.

G. The issuer shall file with the Securities Commission a notice of the transaction, a copy of the general announcement, and a fee of three hundred (\$300.00) dollars within fifteen (15) days after the first sale in this state.

HISTORY: Added by State Register Volume 30, Issue No. 6, eff June 23, 2006.

13-206. Intrastate Offering Exemption.

A. The offer or sale of a security by an issuer, conducted solely in this state to residents of this state, shall be exempt from the requirements of Sections 35-1-301 through 35-1-306 and 35-1-504 of the Act, if the offer or sale is conducted in accordance with each of the following requirements:

(1) The issuer of the security shall be a for-profit business entity formed under the laws of the state of South Carolina and registered with the Secretary of State.

(2) The transaction shall meet the requirements of the federal exemption for intrastate offerings in Section 3(a)(11) of the Securities Act of 1933 (15 U.S.C. Section 77c(a)(11)), and SEC Rule 147 (17 C.F.R. 230.147). As such, prior to any offer or sale pursuant to this exemption, the seller shall obtain, from each prospective purchaser, documentary evidence that provides the seller with a reasonable basis to believe that such investor is a resident of the state of South Carolina.

(3) The sum of all cash and other consideration to be received for all sales of the security in reliance upon this exemption shall not exceed one million (\$1,000,000) dollars, less the aggregate amount received for all sales of securities by the issuer within the 12 months before the first offer or sale made in reliance upon this exemption.

(4) The issuer shall not accept more than five thousand (\$5,000) dollars from any single purchaser unless the purchaser is an accredited investor as defined by Rule 501 of SEC Regulation D (17 C.F.R. 230.501).

(5) The issuer must reasonably believe that all purchasers of securities are purchasing for investment purposes.

(6) A commission or other remuneration shall not be paid or given, directly or indirectly, for any person's participation in the offer or sale of securities unless the person is registered as a broker-dealer or agent under the Act.

(7) All funds received from investors shall be deposited into a bank or depository institution authorized to do business in South Carolina, and all of the funds shall be used in accordance with representations made to investors.

(8) Not less than five days prior to the use of any general solicitation, or within fifteen days after the first sale of the security pursuant to this exemption (provided no general solicitation has been used prior to such sale), whichever occurs first, the issuer shall provide a notice to the Securities Commissioner in writing. The notice shall specify that the issuer is conducting an offering in reliance upon this exemption and shall contain the names and addresses of the following persons:

(a) The issuer;

(b) Officers, directors, and any control person of the issuer;

- (c) All persons who will be involved in the offer or sale of securities on behalf of the issuer; and
- (d) The bank or other depository institution in which investor funds will be deposited.

(9) The issuer shall not be, either before or as a result of the offering, an investment company as defined in Section 3 of the Investment Company Act of 1940 (15 U.S.C. Section 80a-3), or subject to the reporting requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. Section 78m and 78o(d)).

(10) The issuer shall inform all purchasers that the securities have not been registered under the Act and, therefore, cannot be resold unless the securities are registered or qualify for an exemption from registration under the Act, subject to the provisions of Subsection (e) of SEC Rule 147 (17 C.F.R. 230.147(e)). In addition, the issuer shall make the disclosures required by R.13-204E.

(11) This exemption shall not be used in conjunction with any other exemption under these Rules or the Act, except for offers and sales to officers, directors, partners, or similar controlling persons of the issuer. Sales to such controlling persons shall not count toward the limitation in subsection A(3) above.

(12) Disqualifications. This exemption shall not be available if the issuer, or any of its officers, controlling persons, or promoters is subject to a disqualifying event specified in Subsection (d) of Rule 506 of SEC Regulation D (17 C.F.R. 230.506(d)).

(13) Nothing in this exemption is intended to relieve or should be construed as in any way relieving the issuers or persons acting on behalf of issuers from the anti-fraud provisions of the Act.

(14) Every notice of exemption provided for in Subsection A(8) above is effective for one year from the date of its filing with the Securities Commissioner and shall be accompanied by a non-refundable filing fee of three hundred (\$300.00) dollars.

HISTORY: Added by State Register Volume 30, Issue No. 6, eff June 23, 2006.

13-303. Impoundment of Proceeds or Stock.

A. The Securities Commissioner may require as a condition of registration that a security issued within the previous five (5) years or to be issued to a promoter for a consideration substantially less than the public offering price or to a person for a consideration other than cash be deposited in escrow; and that the proceeds from the sale of the registered security in this State be impounded until the issuer receives a specified amount from the sale of the security either in this State or elsewhere.

B. Impoundment of Proceeds

(1) When proceeds from the sale of securities are required to be impounded pursuant to Section A of this Rule, the proceeds must be deposited in an interest bearing escrow or trust account with an impoundment agent. The impoundment agent may not be affiliated with the issuer, its affiliates, its officers or directors, the underwriter or any promoter and a valid impoundment agreement is required.

(2) For an impoundment agreement to be considered valid, the following terms and conditions must be met:

(a) A signed copy of the agreement must be filed with the Securities Commissioner;

(b) The agreement must be signed by an officer of the issuer, an officer of the underwriter (if applicable), and an officer of the impoundment agent. The aforesaid individuals must have the authority to sign such documents;

(e) The agreement must provide that the Securities Commissioner has the right to inspect and make or require to be made copies of the records of the impoundment agent at any reasonable time wherever the records are located.

(3) The impoundment agent shall notify the Securities Commissioner in writing upon the release of the proceeds. If the proceeds are insufficient to meet the minimum requirements as established by the Securities Commissioner in his sole discretion within the time prescribed by the agreement the impoundment agent must release and return the proceeds directly to the investors with or without interest, depending upon the terms and conditions of the agreement, and without deduction for expenses, including impoundment agent fees. All interest earned shall be distributed pro-rata to the investors, along with the proceeds.

(4) If a person, who is an underwriter or an officer, director, promoter, affiliate or associate of the issuer, purchases securities that are a part of the public offering being sold pursuant to the registration statement and if the proceeds from that purchase are used for the purpose of completing the impoundment requirements imposed by this Rule, the following conditions must be met:

(a) The persons must be purchasing the securities with investment intent rather than with intent of resale and on the same terms as unaffiliated public investors;

(b) The prospectus must contain a disclosure that such persons may purchase securities of the issuer for purposes of completing the impoundment requirements imposed by this Rule; and

(c) All securities so purchased will neither be defined as promotional shares, nor be subject to escrow under Section C of this Rule.

C. Escrow of Security

(1) When a security is required to be escrowed pursuant to Section A of this Rule, the security shall be escrowed with an escrow agent who is not affiliated with the issuer, its affiliates, officers or directors, the underwriter or any promoter and a valid escrow agreement is required.

13-304. Underwriting Expenses, Underwriter Warrants, Selling Expenses, and Selling Security Holders.

B. Underwriting expenses may include but are not limited to:

(1) Commissions to underwriters or broker-dealers;

(2) Non-accountable fees or expenses to be paid to the underwriter or broker-dealer;

(3) Underwriter warrants, which shall be valued using the following formula:

The value may be reduced by twenty percent (20%) if the exercise period of the warrants is extended from one (1) year after the public offering to two (2) years after the public offering and by

forty percent (40%) if the exercise period of the warrants is extended from one (1) year after the public offering to three (3) years after the public offering. Warrants may be granted to underwriters only under the following conditions and subject to the following restrictions:

A. The use of senior-specific certification or designation by any person in connection with the offer, sale, or purchase of securities, or the provision of advice as to the value or the advisability of investing in, purchasing, or selling securities, either directly or indirectly or through publications or writings, or by issuing or promulgating analyses or reports relating to securities, that indicates or implies that the user has special certification or training in advising or servicing senior citizens or retirees, in such a way as to mislead any person, shall be a dishonest and unethical practice. The prohibited use of such certifications or professional designations includes, but is not limited to, the following:

(1) use of a certification or professional designation by a person who has not actually earned or is otherwise ineligible to use such certification or designation;

(2) use of a nonexistent or self-conferred certification or professional designation;

(3) use of a certification or professional designation that indicates or implies a level of occupational qualification obtained through education, training, or experience that the person using the certification or professional designation does not have; or

(b) does not have reasonable standards or procedures for assuring the competency of its designees or certificants;

(c) does not have reasonable standards or procedures for monitoring and disciplining its designees or certificants for improper or unethical conduct; or

(d) does not have reasonable continuing education requirements for its designees or certificants in order to maintain the designation or certificate.

B. There is a rebuttable presumption that a designation or certifying organization is not disqualified solely for purposes of subsection A(4) above when the organization has been accredited by:

(1) The American National Standards Institute;

(2) The National Commission for Certifying Agencies;

(3) an organization that is on the United States Department of Education's list entitled "Accrediting Agencies Recognized for Title IV Purposes" and the designation or credential issued therefrom does not primarily apply to sales and/or marketing; or

(4) any other nationally recognized accreditation organization designated by the Securities Commissioner by rule or order.

C. In determining whether a combination of words (or an acronym standing for a combination of words) constitutes a certification or professional designation indicating or implying that a person has special certification or training in advising or servicing senior citizens or retirees, factors to be considered shall include:

(2) The manner in which those words are combined.

D.(1) For purposes of this rule, a certification or professional designation does not include a job title within an organization that is licensed or registered by a state or federal financial services regulatory agency, when that job title:

(a) indicates seniority or standing within the organization; or

(b) specifies an individual's area of specialization within the organization, unless the facts and circumstances associated with the provision or use of a job title indicate that it improperly suggests or implies certification or training beyond that which the titleholder possesses, or otherwise misleads investors.

(2) For purposes of this subsection, "financial services regulatory agency" includes, but is not limited to, an agency that regulates broker-dealers, investment advisers, or investment companies as defined under the Investment Company Act of 1940.

**SUBARTICLE 5
FRAUD AND LIABILITIES**

13-501. Dishonest or Unethical Practices by Broker-Dealers and Agents.

A. Broker-Dealers. Each broker-dealer shall observe high standards of commercial honor and just and equitable principles of trade in the conduct of their business. Acts and practices, including but not limited to the following, are considered contrary to such standards and may constitute grounds for denial, suspension or revocation of registration, imposition of administrative fines, or such other action authorized by statute:

(1) Engaging in a pattern of unreasonable delays in the delivery of securities purchased by any of its customers and/or in the payment upon request of free credit balances reflecting completed transactions of its customers.

(2) Inducing trading in a customer's account which is excessive in size or frequency in view of the financial resources and character of the account.

(3) Recommending to a customer the purchase, sale or exchange of any security without reasonable grounds to believe that such transaction or recommendation is suitable for the customer based upon reasonable inquiry concerning the customer's investment objectives, financial situation and needs, and any other relevant information known by the broker-dealer.

(4) Executing a transaction on behalf of a customer without authorization to do so.

(5) Exercising any discretionary power in effecting a transaction for a customer's account without first obtaining written discretionary authority from the customer, unless the discretionary power relates solely to the time and/or price for the execution of orders.

(6) Executing any transaction in a margin account without securing from the customer a properly executed written margin agreement promptly after the initial transaction in the account.

(7) Failing to segregate customers' free securities or securities held in safekeeping.

(8) Hypothecating a customer's securities without having a lien thereon unless the broker-dealer secures from the customer a properly executed written consent promptly after the initial transaction, except as permitted by the United States Securities and Exchange Commission ("SEC") rule.

(9) Entering into a transaction with or for a customer at a price not reasonably related to the current market price of the security or receiving an unreasonable commission or profit.

(10) Failing to furnish to a customer purchasing securities in an offering, no later than the date of confirmation of the transaction, either a final prospectus or a preliminary prospectus and an additional document, which together include all information set forth in the final prospectus.

(11) Charging unreasonable and inequitable fees for services performed, including miscellaneous services such as collection of monies due for principal, dividends or interest, exchange or transfer of securities, appraisals, safekeeping, or custody of securities and other services related to its securities business.

(12) Offering to buy from or sell to any person any security at a stated price unless such broker-dealer is prepared to purchase or sell, as the case may be, at such price and under such conditions as are stated at the time of such to buy or sell.

(13) Representing that a security is being offered to a customer "at the market" or a price relevant to the market price unless such broker-dealer knows or has reasonable grounds to believe that a market for such security exists other than that made, created or controlled by such broker-dealer, or by any person for whom he is acting or with whom he is associated in such distribution, or any person controlled by, controlling or under common control with such broker-dealer.

(14) Effecting any transaction in, or inducing the purchase or sale of, any security by means of any manipulative, deceptive or fraudulent device, practice, plan, program, design or contrivance, which may include but not be limited to:

(a) Effecting any transaction in a security which involves no change in the beneficial ownership thereof;

(b) Entering an order or orders for the purchase or sale of any security with the knowledge that an order or orders of substantially the same size, at substantially the same time and substantially the same price, for the sale of any such security, has been or will be entered by or for the same or different parties for the purpose of creating a false or misleading appearance of active trading in the security or a false or misleading appearance with respect to the market for the security; provided, however, nothing in this Subsection shall prohibit a broker-dealer from entering bona fide agency cross transactions for its customers; or

(c) Effecting, alone or with one or more other persons, a series of transactions in any security creating actual or apparent active trading in such security or raising or depressing the price of such security, for the purpose of inducing the purchase or sale of such security by others;

(15) Guaranteeing a customer against loss in any securities account of such customer carried by the broker-dealer or in any securities transaction effected by the broker-dealer with or for such customer.

(16) Publishing or circulating, or causing to be published or circulated, any notice, circular, advertisement, newspaper article, investment service, or communication of any kind which purports to report any transaction as a purchase or sale of any security unless such broker-dealer believes that such transaction was a bona fide purchase or sale of such security; or which purports to quote the bid price or asked price for any security, unless such broker-dealer believes that such quotation represents a bona fide bid for, or offer of, such security;

(17) Using any advertising or sales presentation in such a fashion as to be deceptive or misleading. An example of such practice would be a distribution of any nonfactual data, material or presentation based on conjecture, unfounded or unrealistic claims or assertions in any brochure, flyer, or display by words, pictures, graphs or otherwise designed to supplement, detract from, supersede or defeat the purpose or effect of any prospectus or disclosure.

(18) Failing to disclose that the broker-dealer is controlled by, controlling, affiliated with or under common control with the issuer of any security before entering into any contract with or for a customer for the purchase or sale of such security, the existence of such control to such customer, and if such disclosure is not made in writing, it shall be supplemented by the giving or sending of written disclosure at or before the completion of the transaction.

(19) Failing to make a bona fide public offering of all of the securities allotted to a broker-dealer for distribution, whether acquired as an underwriter, a selling group, or from a member participating in the distribution as an underwriter or selling group member.

(20) Failing or refusing to furnish a customer, upon reasonable request, information to which he is entitled, or to respond to a formal written request or complaint.

C. The bond shall be posted by corporate surety located within the United States in an amount equal to the greater of one hundred thousand (\$100,000) dollars or the amount of escrow the manufacturer in either its current or predecessor form was required to deposit as a result of its previous calendar year's sales in South Carolina.
