

1A.6 Teacher Salaries & Part 1A, Section 1, XI.C.2

1A.6. (SDE-EIA: XI.C.2.-Teacher Salaries/SE Average) The projected Southeastern average teacher salary shall be the average of the average teachers salaries of the southeastern states as projected by the Division of Budget and Analyses. For the current school year the Southeastern average teacher salary is projected to be \$48,725. The statewide minimum teacher salary schedule used in Fiscal Year 2008-09 will continue to be used in Fiscal Year 2010-11. The General Assembly remains desirous of raising the average teacher salary in South Carolina through incremental increases over the next few years so as to make such equivalent to the national average teacher salary.

Funds appropriated in Part IA, Section 1, XI.C.2. for Teacher Salaries must be used to increase salaries of those teachers eligible pursuant to Section 59-20-50 (b), to include classroom teachers, librarians, guidance counselors, psychologists, social workers, occupational and physical therapists, school nurses, orientation/mobility instructors, and audiologists in the school districts of the state.

Part 1A, Section 1, XI.C.2
