89.137. (GP: School Transportation Decentralization Study Committee) There is hereby created a committee to study the decentralization of the provision of school transportation services in this State either by the public sector, private sector, or combination of both.

The study shall include, but is not limited to, the most cost-effective, efficient, and safe way to provide school transportation services to students in grades K-12 utilizing to the best extent possible, available state and local resources and funding. The committee shall consist of eleven members as follows: four members appointed by the President Pro Tempore of the Senate, one of whom must be a school finance officer and one of whom must be a minority-party member of the Senate, four members appointed by the Speaker of the House of Representatives, one of whom must be a school finance officer and one of whom must be a minority-party member of the House, and three members appointed by the Governor. Vacancies on the committee shall be filled in the manner of original appointment. The members, at their first meeting, shall elect a chairman, vice-chairman, and such other officers as they deem necessary. The committee shall meet upon the call of the chairman or a majority of its members.

Members of the committee shall receive such mileage, subsistence, and per diem in the performance of their duties as is provided by law to members of state boards, commissions, and committees to be paid from the approved accounts of the member's appointing authority. The staff of the Senate, the House of Representatives, and the Governor's Office shall supply such assistance as may be needed by the committee in the performance of its duties. The committee shall submit its report to each house of the General Assembly and to the Governor no later than January 1, 2013, at which time the committee shall be abolished.
