

## Amendment: CT 1

Representative BANNISTER proposes the following amendment:

### SECTION 117

#### DELETE:

~~117.136. (GP: Authorization for Expenditure of COVID-19 Federal Funds) (A)(1) The State of South Carolina desires to procure professional grant management services for oversight and compliance of funds received through the ‘Coronavirus Aid, Relief, and Economic Security Act’ (CARES Act) and any other available source of federal COVID-19 relief funds. It is intended that the procurement will result in a contract for professional grant management services that can assist the State with grant management to include, but not be limited to: understanding the requirements and funding streams related to the CARES Act and federal relief funds; creating a framework for grant management from application for funds to disbursement of funds to include the development of processes and controls, data collection, evaluation of requests, and reporting; and creating a system of monitoring for compliance and detecting possible fraud, waste, and abuse.~~

~~—(2) It is vital to the State’s interest that a contract be awarded for such professional grant management services in the most expeditious manner possible and time is of the essence. Accordingly, this procurement should be done pursuant to the provisions of Section 11-35-1570 of the 1976 Code. The Executive Director of the South Carolina Department of Administration shall coordinate the process used to procure the professional grant management services needed and shall be responsible for the development of specifications to be included in any contract awarded. The State Fiscal Accountability Authority shall serve as the procuring officer for the procurement process and is responsible for administrative duties related to the process and the contract awarded pursuant to it. The State Fiscal Accountability Authority shall assign such personnel as requested by the Executive Director of the Department of Administration to assist the Department of Administration in carrying out its duties under this act.~~

~~—(B) State boards, commissions, agencies, departments, and institutions of higher learning are authorized to receive funds directly from the federal government in response to the 2019 Novel Coronavirus (COVID-19). Funds so received shall be expended for COVID-19 preparedness and response and in accordance with applicable federal laws and regulations. Any state board, commission, agency, department, or institution of higher learning that receives funds must submit an expenditure plan to the Governor, the Chairman of the Senate Finance Committee, and the Chairman of the House Ways and Means Committee. Beginning on June 1, 2020, and on the first day of each month thereafter, the recipient shall provide a detailed accounting of the expenditure of all federal relief funds to the Governor and the General Assembly. The detailed accounting must be made available on the Governor’s website. Unexpended funds, without limitation, may be carried forward into the succeeding fiscal year and expended for the same purpose.~~

## PROVISO SUBCOMMITTEE AMENDMENT

~~—(C) The Governor is authorized to receive on behalf of the State of South Carolina federal funds designated for the Coronavirus Relief Fund.~~

~~—(D) The Executive Budget Office shall establish the Coronavirus Relief Fund as a federal fund account separate and distinct from all other accounts. All federal appropriations received by the Governor pursuant to subsection (C), must be credited to the Coronavirus Relief Fund account. No other funds may be credited to this account and funds in the account may be expended only by appropriation or authorization by the General Assembly.~~

~~—(E) Nothing herein limits any state board, commission, agency, department, or institution receiving funds from the Coronavirus Relief Fund from continuing to expend funds from other sources, including state appropriated funds, that are necessary to address the state's response to COVID-19. Any unexpended funds from the Coronavirus Relief Fund, without limitation, may be carried forward into the succeeding fiscal year and expended for the same purpose.~~
