RE: Follow up to October 8, 2019 letter

Dear Representative Newton:

**Henry D. McMaster**  
GOVERNOR

**James D. Stephens**  
EXECUTIVE DIRECTOR

Thank you for the opportunity to provide additional information related to the Committee's meeting on September 27, 2019. Per your request and based upon the information I am aware of at the current time, please find attached a listing of schools in South Carolina that offer Aerospace or Aviation educational courses.

**Aeronautics Commission**

Delphin A. Gantt, Jr.  
CHAIRMAN

Vacant  
DISTRICT 1

David Anderson  
DISTRICT 2

Skeets Cooper  
DISTRICT 3

Darwin H. Simpson  
DISTRICT 4

Charles "Doug" Barnes  
DISTRICT 5

Marco Cavazzoni  
DISTRICT 6

Christopher "Chris" Bethea  
DISTRICT 7

As you will see, most of this list includes courses that are offered for Aerospace Engineering, while very few offer courses in other aspects of aviation. It is my desire to see that South Carolina students are offered a variety of courses that can direct them into various sectors of this great industry.

The Aeronautics Commission respectfully submits the following responses to your letter, and if any other follow up information is desired or needed please don't hesitate to make that request.

Sincerely,

James D. Stephens  
Executive Director
