

## **DHEC and South Carolina Department of Agriculture: Cottage Law**

### **Department of Agriculture's Recommendation:**

In its Program Evaluation Report, the South Carolina Department of Agriculture (SCDA) recommended that it be removed from involvement in the "Cottage Law." (S.C. Code 44-1-143)

DHEC agrees with SCDA that 44-1-143 (H) should be removed.

Thank you for the opportunity to provide comments on this matter.
