

Study of	Rec or Internal Change	Rec or Internal Change Number	RFI Year	RFI #	Status of Implementation	Date of 100% Completion - Actual or Anticipated, if not yet complete (mm/dd/yyyy)	If unable to implement, explain why?	Does this refine one or more agency processes and save/repurpose employee hours? (Yes/No)	Are there anticipated net savings? (Yes/No)	Other Benefits Realized from Implementing Recommendation or Internal Change, if any (e.g., results of agency performance measures and outcomes that improved)	Other Drawbacks Realized or from Implementing Recommendation or Internal Change, if any	Additional Comments (optional)
Department of Alcohol and Other Drug Abuse Services (DAODAS)	Recommendation	2	2024	4	Complete	2/8/2024		No	No	County Alcohol and Drug Authorities have repeatedly been reminded at quarterly prevention meetings that DAODAS hosts and monthly leadership meetings that DAODAS is invited to to contact legislative delegations when they find barriers to implementing school-based prevention programming.		
Department of Alcohol and Other Drug Abuse Services (DAODAS)	Recommendation	5	2024	4	Complete	5/21/2024		No	No	Alcohol Enforcement Team Coordinators across the state were trained on DNR enforcement strategies and services addressing boating under the influence, (BUI) including practicing seated battery tests for field sobriety checks in boats. Staff with DNR's Law Enforcement Training Unit are now connected to local enforcement teams for ongoing training opportunities for BUI prevention and intervention. BUI data and statistics are now routinely shared for monitoring and outcome measurement.
