RE: Follow-up questions from prior subcommittee meetings

Dear Director Monhollon:

The Economic Development, Transportation, and Natural Resources Subcommittee appreciates the agency's partnership in the oversight process. Based on information provided during the subcommittee meeting on education and workforce development, various members request answers to the following questions be gathered.

- 1) Is there a way to track the amount of debt students accumulate while in non-technical school colleges and universities?
- 2) Please begin gathering information and state by when you can provide the average salary of graduates one, three-, and five-years post-graduation by degree from each non-technical school colleges and universities.

- 3) Please state any changes that have occurred at your agency, or are planned at your agency because of the meeting with the Subcommittee (e.g., joining labor force participation rate taskforce after learning about during the meeting, etc.)
- 4) To determine where the same information is held by multiple agencies and, therefore, may be used to link information in the different agency systems, please provide a data dictionary for all information the agency maintains related to each of the items below.
 - a. S.C. employer
 - b. S.C. job seeker
 - c. S.C. K-12 school (public)
 - d. S.C. student
- 5) Please provide a list of case management and other data systems utilized by your agency and the following for each:
 - a. Does it include information on job seekers
 - b. Does it include information on employers
 - c. Does it include information on students
 - d. Does it include information on teaching entities
 - e. List of agencies with which the system can integrate data
- 6) What data, outside of the data currently available to your agency, may be helpful to your agency reaching potential customers, if any?
- 7) What data, outside of the data currently available to your agency, may be helpful to your agency in determining the results/impact your agency services are having on individuals it serves?
- 8) Please list all entities, other than those listed in the Education and Workforce one pager from the previous subcommittee meeting, you believe may be involved in the education and workforce ecosystem and role of each.
- 9) What topics does your agency believe may be helpful to have in a statewide unified workforce plan (e.g., marketing plan, central portal for customers to enter information through which their information could be shared with all applicable entities, etc.)?
- 10) What potential obstacles can your agency think of that may have to be overcome to successfully implement a statewide unified workforce plan?

11) To allow the General Assembly and public to access information related to multiple agencies in a single location, would your agency be willing to contact the Revenue and Fiscal Affairs Office (RFA) and provide information necessary for RFA to create and regularly update, through data sharing, maps applicable to your agency? Below is a list of initial maps for consideration (Note: Not all will be applicable to your agency). Please include others agency leadership believes may be useful to members of the General Assembly or public.
