Q1 Please share any comments, suggestions or concerns you may have about these agencies, including any observations about the way the agency shares information online. Please note your responses will be posted online and may be included in a Committee report.

Corrections, Department of

I fail to grasp how people in power can allow ANYONE to be treated worse than animals . If same people were to give no or poor medical care to an animal THEY would be incarcerated. It is grievous that if same people were to lock away an animal without proper food...water and sunlight said people would be incarcerated. What is going on here that those in a position to improve a person treat them WORSE than animals. Mankind has cease to exist in these places and that's what's wrong. Stop talking and do the work!
