# Background

## Committee Standard Practices 10.1.3 - 10.1.5

### Extensions for PER

10.1.3 The Chairman may, for reasons he determines as good cause, provide an agency an extension and new deadline to submit its Program Evaluation Report ("New Deadline"). The Chairman will not provide more than one, thirty day extension without unanimous consent from the full committee.

10.1.4. Before the Chairman will consider granting an extension, the Chairman may require the agency to provide a written letter, which may be sent via U.S. mail or included as an attachment to an email, explaining the reason the agency is requesting the extension and the number of days it is requesting, not to exceed thirty.

10.1.5 Until the agency receives a response, it should continue to complete the report to the best of its ability as if it is due on the original deadline.
