Q1 Please share any comments, suggestions or concerns you may have about these agencies, including any observations about the way the agency shares information online. Please note your responses will be posted online and may be included in a Committee report.

Health & Human Services, Department of

The current director of HHS, Josh Baker, has made this agency top heavy, with more high paid deputy directors than ever before. He continues to hire in big salary employees while totally ignoring the salaries of loyal tenured employees. Hiring Stephen Morris at \$111,649 after being rejected by the Senate as the director for the Dept of Aging was pathetic. We all know our Governor is behind all this corruption. Someone please stop this nonsense!!!! Employees are leaving this agency in droves because of the arrogance and incompetence of this director!!
