The Honorable Phyllis J. Henderson
SubCommittee Chair
Legislative Oversight Committee
South Carolina House of Representatives
Post Office Box 11867
Columbia, South Carolina 29211

Dear Representative Henderson:

On December 3, 2015, SCDOT provided your subcommittee with a list of recommended legislative/proviso changes for the agency. I am respectfully requesting that the following items be withdrawn to allow the agency to conduct more research on the respective subject matter:

- Item 7, related to advertising on SCDOT facilities
- Item 13, related to penalties for obstructions in SCDOT right of way without a permit

Further, SCDOT is requesting withdrawal of Item 34, related to agency organizational charts. This proviso pertains to all state agencies and input should be provided from the Division of State Human Resources rather than SCDOT.

Thank you for your consideration.

Sincerely,

Signature Redacted
