PAGE 2: About Agencies Scheduled for Study

Q1: Please share any comments, suggestions or concerns you may have about these agencies. Please note your responses will be posted online and may be included in a Committee report.

Human Affairs Commission

The investigator refused to verify the respondents statement while requiring the complainant (me) verify all my statements as well as opening up my complete medical history to her and her agency. She refused to do even the most simple investigation, she never returned my emails or answered my questions. I was finally given told to agree to a deal and forget about any investigation into the landlords discrimination or they would drop my case. I agreed , However. I wrote complaint letters to her supervisor, the Commissioner of SCHAC as well as the oversight committee . One month later, without as much as a phone call from SCHAC , I find out the deal was canceled and my case was closed. I didn't even find out about it from SCHAC. I found out when my landlord gave me 3 days to get out. This agency is beyond bad , it's vindictive ! They lie to complainants and cozy up to respondents because it makes their job easier . Shame on Commisioner Buxton and Marvin Caldwell for turning a blind eye to this disgrace of an agency!
