2	The greatest challenge was the questions presented at each meeting. The outline of the process stated specific agency programs to be discussed at each meeting but the questions often went away from that track. This made it impossible to only have certain senior staff attend each meeting and we ended up having every member of the senior management team at every meeting. It would be helpful if questions could be limited to the topics for that meeting and any questions concerning other programs or follow up questions could be mailed or asked at the final meeting.	11/15/2016 1:04 PM
