The Honorable Daniel T. Cooper  
Chairman, House Ways and Means Committee  
525 Blatt Building  
Columbia, SC 29211

Dear Chairman Cooper:

This is in response to a request made on your behalf by Ben Twilley for us to try and split out the impact of House Bill 3713 by county. Breaking out the impact by county is a complex matter and in order to effectively do so would require us getting detailed sales and assessed values from every county as well as estimating each county's property tax values to actual fair market value. In order to try and answer your request quickly, we have split out the total impact by county based on index values, sales by MLS regions of the State and sales values by MLS regions of the State. This will give a general idea of the impact by county. However to get more precise estimates would require gathering the data from each individual county.

If you have any questions, I will be happy to answer them.

Sincerely,

William C. Gillespie, Ph. D.
