SUPPLEMENTAL RESPONSE TO QUESTION 11c

11. Please answer the following:

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years.

SUPPLEMENTAL RESPONSE

I was asked to provide more details about the cases I have heard as a Special Referee or presented before a Master in Equity. The cases I have heard as a Special Referee were predominantly foreclosure but also partition of land among co-owners, heirs property actions, quiet title actions, confirmation of tax sale deeds, property line disputes, easement claims and debt collection supplemental proceedings. I have also been involved as an attorney for the Plaintiff or Defendant in those same type of actions before other Special Referees or a Master in Equity. Since beginning to take Special Referee cases in Berkeley County, I currently have more than 60 cases in Berkeley County where I am the appointed Special Referee.
