- (a) 2005 – 2010: West Law Firm, LLC. West Law Firm, PA is a family owned and operated law firm in Moncks Corner, South Carolina. West Law Firm was founded by my grandfather, H. Norman West, Sr. My father, John S. West, re-established operations of the firm in 2005, at which time I joined my father as an office assistant, runner and law clerk.
- (b) 2010 – Present: West Law Firm, LLC (now West Law Firm, PA). Upon my admission to the South Carolina Bar in the year 2010, I joined West Law Firm as a legal associate, becoming a partner in the year 2012. In the early years of my career as a general practitioner in a small town law firm, I became involved in

various matter types including estate planning, criminal defense, DUI prosecution, child protective services actions, civil asset forfeitures, property disputes and general litigation. In 2013 my practice shifted predominantly toward real estate, probate and estate planning. I focused on real estate litigation, quiet title and partition actions, and Eminent Domain litigation.

- (c) 2011 – 2015: Berkeley County Bar Association. I served as a member of the Berkeley County Bar Association, beginning in 2011, serving as Secretary-Treasurer from 2013 – 2015.
- (d) 2016 – 2018: The Center of Heirs Property Preservation. I served as a member of the Board of Directors of The Center for Heirs Property Preservation.

11. Please answer the following:

- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years.

ANSWER: Not Applicable.

- (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

ANSWER: Not Applicable.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years.

ANSWER:

Over the past five years, and since my admission to the Bar, I have extensively practiced in the Master's Court. I have appeared before the Master-in-Equity on a regular basis for hearings and trials, monthly and at times weekly. During the 2024 calendar year, my practice largely shifted towards law practice management. The frequency of appearances before the Master-in-Equity diminished to an average of a few appearances per quarter. I have continued to represent juvenile defendants in the Family Court, averaging 1-2 appearances per month during the 2024 calendar year.

I have extensively represented landowners in property disputes, quiet title actions and partition actions. Further, I have represented various Condemnors in Eminent Domain litigation. The central issue of any Eminent Domain action is just compensation of the Landowners for the acquisition of real property interests by a governmental or quasi-governmental entity. Significantly, I represented Condemnors in Eminent Domain proceedings involving heirs property, during which time I tried multiple actions before the Master-in-Equity to establish just compensation. This experience taught me the value of a Landowner's voice, the significance of an individual's right to be heard and the necessity of judicial process. Most importantly, trying cases involving heirs property, often times with pro se litigants, instilled within me patience and a deep understanding of the power of kindness.

While the majority of my practice has been in the Master's Court, I have also served as co-counsel on several jury trials in the Circuit Court in Eminent Domain matters.

- (d) If you are a candidate for Administrative Law Court, please provide a brief written description of your experience before an Administrative Law Judge, including any issues discussed and the frequency of your appearances before the Administrative Law or Circuit Court within the past five years.

ANSWER: Not Applicable.

12. What was the frequency of your court appearances during the past five years or in the five years prior to your election to the bench?
- (a) federal: None. I have never appeared in federal court.
- (b) state: Prior to the Covid-19 Pandemic, I appeared in the Master's Court on a monthly basis, with periodic appearances in the Berkeley County Probate Court and Berkeley County Family Court. During the pandemic, court appearances slowed

significantly. Through the use of electronic means, and eventually in-person hearings, the frequency of court appearances gradually increased to multiple times a quarter. In 2021, my practice shifted towards real estate litigation, estate planning, probate administration and law office management. During this period the frequency of court appearances was again multiple times a quarter in the Master's Court, Probate Court, and Family Court. During the 2024 calendar year, my practice largely shifted towards law practice management. The frequency of appearances before the Master-in-Equity diminished to an average of a few appearances per quarter. I have continued to represent juvenile defendants in the Family Court, averaging 1-2 appearances per month during the 2024 calendar year.

13. What percentage of your practice involved civil, criminal, domestic, and other matters during the past five years or in the five years prior to your election to the bench?
- (a) civil: 45%
 - (b) criminal: 5%
 - (c) domestic: 0%
 - (d) other: 50%

14. During the past five years

(a) What percentage of your practice was in trial court, including cases that settled prior to trial?

ANSWER: Approximately 50%.

(b) What number of cases went to trial and resulted in a verdict?

ANSWER: Approximately 50 cases.

(c) What number of cases went to trial and resolved after the plaintiff's or State's case? (Resolved may include settlement, plea, by Judge's order during a motion hearing, etc.)

ANSWER: None.

(d) What number of your cases settled after a jury was selected but prior to opening statements?

ANSWER: None.

During the past five years, did you most often serve as sole counsel, chief counsel, or co-counsel?

ANSWER: I most often served as co-counsel.

For sitting judges seeking a judgeship different than your current position,

During the five years prior to your election to the bench, what percentage of your practice was in trial court, including matters that settled prior to trial?

ANSWER: Not Applicable.

15. List five of the most significant litigated matters you have personally handled in either trial or appellate court, or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.

ANSWER:

- (a) County of Berkeley v. Heirs of Heyward England, et al.
(Case No.: 2016-CP-08-1929)
- (b) South Carolina Public Service Authority v. Calvary A.M.E. Church, et al.
(Case No.: 2017-CP-10-1223)
- (c) The South Carolina Department of Commerce, Division of Public Railways, d/b/a Palmetto Railways v. The Heirs of Joseph Mack, et al.
(Case No. 2019-CP-08-00206)
- (d) The South Carolina Department of Commerce, Division of Public Railways d/b/a Palmetto Railways v. The Heirs of Robert Mack, et al.
(Case No.: 2019-CP-08-00197)
- (e) Central Electric Power Cooperative, Inc. v. Blue Maple Group, LLC
(Case No.: 2018-CP-18-1831)

The above-referenced civil actions are Eminent Domain proceedings in which my firm represented Condemnors for the acquisition of real property interests for public purposes. As a representative of a governmental entity, I became the face of the government in the eyes of individual landowners. The nature of takings inevitably leads to some level of hostility in litigation. These matters were significant to me because each matter, although unique in their own right, taught me the value of civility, respect for the judicial process, the significance of an individuals right to be heard, and the importance of an individual to feel respected in a contested environment. Zeal should not overshadow fundamental fairness, nor kindness. Maintaining civility, common courtesy and displaying respect for the individual landowner are as important as the legal question in contention.
