48. If you are in private practice, are you covered by malpractice insurance and, if so, how long have you carried malpractice insurance? If applicable, have you ever been covered by a tail policy? If so, please explain when you were covered by a tail policy. Also, if applicable, indicate your coverage and deductible for your current malpractice policy.

I am striking the previous answer and replacing it with the following response:

I have carried malpractice insurance from July of 1997 to present. The current policy has an extended reporting period or tail that is retroactive to December 31st, 2013. If I were to retire, from active practice, to include being elected to the bench, I am eligible for an unlimited or permanent extended reporting period/tail from the retroactive date forward in perpetuity and at no cost. My current policy coverage is \$1,000,000.00 with a \$5,000.00 deductible.

Respectfully submitted,
