I am trying to decide which is quicker. Spending a whole day at another continuing education program or filling out the information that has been requested? HA!!

It was a 7.5 hour deal with a 82 page handout that is bound. This was put on by the South Carolina Society of Professional Land Surveyors yearly continuing education conference and approved by the LLR. I sent the certificates and am attaching the cover and first page of the handout. The outline was based on many circumstances and were backed up by case law. Kristopher M. Kline is a PLS. I do not have the evaluation form and we were in class for 7.5 hour (450 minutes). As most classes go it got a little mundane for the 7.5 hour ordeal however there were several things that we went over that were very helpful.

I hope that this will be enough information to accept the hours.

Thank you,
Marion
