

Session 106 - (1985-1986)

H 3244 General Bill, By T.A. Limehouse

A Bill to provide that the State Law Enforcement Division, upon the request of a public official or at the direction of the Chief if a threat of bodily harm has been made against the official or his immediate family, may provide protection to the official or his family for a period of not more than forty-eight hours and to provide that after a period of forty-eight hours, the protection may only be continued with the written approval of the Governor.
