H 3881 General Bill, By House Ways and Means

A Bill to make appropriations for the expenses of State Government supplemental to those contained in the General Appropriations Act for fiscal year 1988-89, to identify the sources of funds for the supplemental appropriations and to provide that 1987-88 fiscal year surplus revenues must be used first for the appropriations in this Act; to amend Sections 12-35-880, 12-35-890, 12-35-900, and 12-35-910 of the 1976 Code, relating to the use tax, so as to require use taxes to be paid and use tax returns to be filed on a monthly rather than quarterly basis and to provide that a monthly return is considered timely filed if the return is postmarked on or before the filing deadline; to amend the 1976 Code by adding Section 12-35-915, so as to provide that if a taxpayer is liable for use tax not exceeding one hundred dollars a month, the Tax Commission may authorize the taxpayer to file quarterly use tax returns and make quarterly use tax payments; to amend the 1976 Code by adding Section 11-9-125 so as to provide for the order of expenditure of funds by state agencies and to provide for the enforcement of the requirement and the reporting of available funds; and to repeal Chapter 47, Title 46, of the 1976 Code, "The South Carolina State Family Farm Development Authority Act", and to transfer funds held by the South Carolina Credit Union League pending the charter for the credit union of the Family Farm Development Authority, which was never granted, to the State Treasurer for deposit in the General Fund of the State.
