

Session 111 - (1995-1996)

H 4963 General Bill, By Townsend

A Bill to amend the Code of Laws of South Carolina, 1976, by adding Section 58-9-2550 so as to create a distribution system of TTY's and other related telecommunications; to amend Section 58-9-2510, relating to definitions for telephone service for hearing and speech impaired persons, so as to define the term Dual Sensory Impaired Person and to define the acronym "TTY" as a keyboard mechanism attached to or in place of a standard telephone used to transmit or receive signals through telephone lines; to amend Section 58-9-2520, relating to the statewide program which provides telephone access to persons who are speech or hearing impaired, so as to expand the scope of the statewide access program; and to amend Section 58-9-2530, relating to funding of the dual party relay system, so as to allow a monthly charge on all residential and business local exchange access facilities to fund a distribution system of TTY's and other related telecommunications devices in this State.
