

CHAPTER 35

Department of Labor, Licensing and Regulation— State Board of Cosmetology

(Statutory Authority: 1976 Code §§ 40-1-70, 40-13-60, 40-13-70, 40-13-80, 40-13-230(D))

35-1. Application for Approval to Operate Schools of Cosmetology, Nail Technology, or Esthetics.

(A) Any person, firm, or corporation desiring to open any public or private cosmetology, nail technology, or esthetics school (hereafter referred to as "school") shall make application to the State Board of Cosmetology at least sixty (60) days prior to the anticipated opening date. Such application shall be made on a form prescribed by the board. Each application shall be accompanied by the required application fee. In addition, said applicant shall make available to the board at the time of filing the following information:

- (1) Name of owner if solely owned, names of partners if a partnership, names of corporate officers and their respective office if a corporation; and
- (2) The name of the school, its location, and the complete mailing address; and
- (3) Floor plan drawn to scale showing placement of all equipment with all areas designated to include a clinic, dispensary, classroom, office, and restrooms/dressing rooms; and
- (4) Other information which the board deems important in consideration of application may be required.

(B) Cosmetology schools shall have a minimum of two thousand five hundred (2,500) square feet of floor space to accommodate no more than sixty (60) students at any given time. For more than sixty (60) students, additional space shall be designated proportionately. Minimum square footage for the clinic area of the school must total sixty (60) square feet per workstation.

(1) Each cosmetology school implementing a nail technology course shall designate at least two hundred forty (240) square feet of enclosed floor space for every ten students or fraction thereof. Enclosed space shall mean walls or partitions with a minimum height of six feet. Enclosed space shall be visually separated from adjoining areas.

(2) Each cosmetology school implementing an esthetics course shall designate at least two hundred forty (240) square feet of enclosed floor space for every ten esthetics students or fraction thereof. Enclosed space shall mean walls or partitions with a minimum height of six feet. Enclosed space shall be visually separated from adjoining areas.

(C) Nail technology schools shall have a minimum of one thousand five hundred (1,500) square feet of floor space to accommodate no more than thirty-five (35) students at any given time. For more than thirty-five (35) students, additional space shall be designated proportionately.

(D) Esthetics schools shall have a minimum of one thousand five hundred (1,500) square feet of floor space to accommodate no more than thirty-five (35) students at any given time. For more than thirty-five (35) students, additional space shall be designated proportionately.

(E) Combination nail technology/esthetics schools shall have a minimum of two thousand (2,000) square feet of floor space to accommodate no more than forty-five (45) students at any given time. For more than forty-five (45) students, additional space shall be designated proportionately.

(F) Application Approval/Disapproval. Upon receipt of the properly completed application, prescribed fee and a detailed floor plan, the board may require a meeting with the applicant to discuss the proposed school.

(1) The board shall review the application at the next scheduled board meeting following receipt of the completed application and must report the approval or denial of the proposed school.

(2) If the board denies the application, the applicant shall be promptly notified in writing of the specific reasons of denial. Upon approval of the application, the board shall so notify the applicant and schedule a preliminary inspection for the purpose of determining the suitability of the proposed school's space and design. The inspection shall be conducted by the department and reported to the board.

(G) Final Inspection/License Issued. Prior to the final inspection, every school shall furnish:

(1) A list of board approved equipment and sufficient training supplies, by quantity and type; and

(2) A proposed course of study and schedule, in compliance with the board's mandatory minimum standard curriculum which said school shall teach; and

(3) A list of texts and materials conducive to learning the prescribed curriculum; and

(4) A schedule of the hours and days of the week the school will be in operation; and

(5) The name and address and license number of each registered instructor to be employed. Each school shall employ at least one instructor for each course offered. If the number of students attending in any particular course is greater than twenty (20), then one additional instructor shall be employed for each twenty (20) additional students, or fraction thereof, attending; two instructors if the number of students in attendance in the school shall be more than forty (40), then one instructor for each additional twenty (20) students in attendance shall be employed; and

(6) A surety bond to the board issued by a licensed bonding company doing business in this state except in the case of a public school district. Such bond shall be in the penal sum as set forth in the statute, per location, and shall be conditioned upon the faithful performance of the terms and conditions of all contracts entered into between the school and persons enrolling therein. Suit on the bond may be brought by any student injured by the breach of any of the conditions of the approved contract between the student and the owner of the school on pre-paid tuition only. The bond shall be to the State of South Carolina in favor of every person who pays or deposits any money with the school as payment for instruction. Every bond shall continue in force and in effect until notice of termination is given by registered mail to the board and every bond shall set forth this fact; and

(7) After the inspection and approval, a license to operate the school shall be issued.

(H) Change of Location/Ownership/School Closing.

If, at any time during the year, the physical plant or operation of a school is moved to a new location or address, or if ownership is transferred, or if the controlling interest of a partnership or corporation is altered in such a way as to affect the ownership, or if the name of the school changes, then the license for such school shall become void and a new application shall be filed.

(1) Upon receipt of application and prescribed fee for change of school owner and/or school name, the application shall be promptly processed and, if approved, a license issued. Proof of bond transferal must be required.

(2) No school shall be reopened at a new location, until a new application is received by the board, accompanied by the prescribed fee. The same application and application procedures as a new school shall apply.

(3) Any school terminating its operation shall inform the board at least thirty (30) working days prior to the anticipated termination date and in addition properly terminate its students. If the school is being transferred to a new owner the school must certify and transfer, to the new owner, any and all student records. If the school is being closed, certified student records must be provided to the board in a format approved by the board on or before the last day of operation. The school must provide to each current student a certified transcript detailing hours obtained, completed, and for which the school has been compensated.

(4) Prior to school closure, a record of all students' transcripts, who are currently enrolled and who have met contractual obligations, must be submitted within ten working days, via certified mail, to the board office.

(5) If a school desires to relocate temporarily, it shall notify the board to receive approval.

35-4. Instructor Qualifications; Applications.

(A) A license to teach cosmetology, nail technology or esthetics may be issued by the board to any person who:

- (1) submits an application for an instructor's license on a form prescribed by the board; and
- (2) holds a high school diploma or a General Education Development (G.E.D.) certificate; and
- (3) is a licensed cosmetologist, nail technician or esthetician and has practiced for at least two years or, after receiving a cosmetologist, nail technician or esthetician license, has completed a seven hundred fifty (750) hour instructor training program meeting the standards of 35-4(B); and
- (4) has received forty-five (45) hours training in a teaching methods course approved by the board; and
- (5) pays the prescribed fee; and
- (6) passes the instructor's examination prescribed by the board; or
- (7) alternately, for specialized theory hours, a person who has a minimum of five years experience or a bachelor's degree in a related profession, occupation or cognitive area, may instruct the required theory classes with prior approval by the board.

(B) To be approved by the board, an instructor for a methods of teaching course must qualify by:

- (1) having a Masters degree in education; or
- (2) having expertise in a board approved related field.

(C) The Student Instructor Training Program shall:

- (1) consist of a minimum of seven hundred fifty (750) hours of instruction designed to teach students the basics of instruction in a cosmetology, nail technology, or esthetics program; and
- (2) be conducted under the direct supervision of a licensed instructor in a school licensed by this board. Instructors may supervise only one student at a time; and
- (3) be required when an applicant does not meet the requirement of two years of experience as a licensed cosmetologist, nail technician, or esthetician; and
- (4) be limited to those persons currently licensed in South Carolina who hold a valid high school diploma or General Education Development certificate (G.E.D.).

(D) The curriculum shall consist of:

- (1) one hundred twenty-five (125) hours of instruction in basic teaching methods and counseling techniques, development of lesson plans, South Carolina cosmetology laws and regulations; and
- (2) two hundred forty (240) hours of instruction in theory, use of audio-visual equipment, evaluation techniques and instruments, classroom observation, practice teaching, and record keeping; and
- (3) two hundred forty (240) hours of instruction in sterilization and sanitation, supervision of clinical activity, effective demonstration procedures, presentation of styling techniques, student/patron relationship; and
- (4) one hundred twenty (120) hours of instruction in state enrollment procedures and requirements, inventory control and purchasing, student scheduling, graduate records, licensure application forms; and
- (5) twenty-five (25) hours unassigned to be designated as needed on an individual basis.

(E) Schools offering the Student Instructor Training Program shall submit a proposed curriculum to the board for approval. The approved course must be adhered to. Any change in the curriculum shall be submitted to the board for approval prior to implementation. A copy of the approved curriculum must be given to each student.

- (1) Before enrolling a student in the Student Instructor Training Program, the school must disclose in writing that the course is not required for licensure as an instructor if the enrollee has a cumulative total of twenty-four (24) months of experience as a licensed cosmetologist, nail technician, or esthetician. The student must sign a statement that he or she has been advised of all state instructor licensure requirements.
- (2) A copy of the student instructor's contract must be kept on file at all times and available for inspection by the board or its agents.
- (3) The student instructor shall be properly identified at all times.

(4) The school must provide a certified transcript documenting the hours obtained by the student instructor to the board after all contractual and financial obligations have been met.

Amended by State Register Volume 18, Issue No. 6, eff June 24, 1994; State Register Volume 21, Issue No. 6, Part 2, eff June 27, 1997; State Register Volume 23, Issue No. 6, eff June 25, 1999; State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-5. Examinations; Reexaminations.

(A) Upon determining that an applicant is eligible for examination, the board shall notify the applicant at least ten days before the examination.

(B) If an applicant fails to appear for a scheduled examination, the examination fee shall be forfeited.

(C) The board may subscribe to the National Interstate Council of State Boards of Cosmetology Testing Service or such other testing service as selected by the board for the theory portion of the examination.

(D) The examination shall be administered in two separate parts.

(1) One part shall be the theory examination with a minimum passing score of 75.

(2) One part shall be the practical examination with a minimum passing score of 75.

(E) An applicant who fails either part of the examination must retake only the part of the examination failed.

(F) An applicant desiring to be reexamined shall apply to the board on a form prescribed by the board and pay the prescribed reexamination fee.

(G) An applicant applying for comity licensure, shall also pass a South Carolina state law exam as designated by the South Carolina Board of Cosmetology.

HISTORY: Added in State Register Vol. 13, Issue 2, eff Feb 24, 1989. Amended by State Register Volume 21, Issue No. 6, Part 2, eff June 27, 1997; State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-6. Administrative Citations and Penalties.

(A) The board may issue administrative citations and cease and desist orders in person or by certified mail and may assess administrative penalties against an entity or individual, including unlicensed persons, for violations of this chapter or regulation as specified by the board.

(B) Separate citations may be issued and separate administrative penalties may be assessed for each violation; however, no more than five hundred dollars in administrative penalties may be assessed against an entity or an individual per offense.

(C) Administrative penalties authorized under this section are separate from and in addition to all other remedies, either civil or criminal.

(D) An entity or individual assessed administrative penalties may appeal those penalties to the board within ten calendar days of receipt of the citation. If an appeal is filed, the department shall schedule a hearing before the board, which shall make a determination in the matter. If no appeal is filed, the citation is deemed a final order and the administrative penalties must be paid within thirty calendar days of receipt of the citation or other written demand.

HISTORY: Added by State Register Volume 38, Issue No. 2, eff February 28, 2014.

35-7. Cosmetology School Classifications and Transcripts.

(1) A cosmetology school not part of a secondary program, such as a high school, is considered a post-secondary school. The license shall clearly state whether a school is post-secondary or a career center.

(2) Public school cosmetology programs include accredited high schools, career centers, trade schools or industrial schools. A public school license is entitled to the same rights and privileges as a license obtained from a post-secondary school.

(3) Students who do not complete the cosmetology courses in public schools and who elect to enroll in private cosmetology schools may transfer only those cosmetology hours actually completed.

HISTORY: Added by State Register Volume 37, Issue No. 7, eff July 26, 2013.

35-8. Instructor Reciprocity.

Upon application and payment of the required fee, a license to teach cosmetology, esthetics, or nail technology may be issued by the board to any person who:

(1) is currently licensed, and in good standing, as an instructor in a state that has a nationally endorsed examination; or

(2) who is a licensed cosmetologist, esthetician or nail technician who has practiced for at least two years in any other state and submits proof, satisfactory to the board, of having completed instructor training which is substantially equivalent to requirements of this state.

HISTORY: Added in State Register Vol. 13, Issue 2, eff Feb 24, 1989. Amended by State Register Volume 21, Issue No. 6, Part 2, eff June 27, 1997; State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-9. Instructor Renewal License.

The holders of current instructors' licenses shall not be required to renew their cosmetologist, esthetician or nail technician licenses as long as the instructor's license is renewed biennially and the instructor's continuing education (CE) requirements are met.

(1) If the holder of a current instructor's license chooses to receive a cosmetologist, esthetician or nail technician license in addition to the instructor's license, the eligible license may be issued upon payment to the board of the prescribed renewal fee.

(2) If the holder of a current instructor's license chooses to no longer renew the instructor's license and elects instead to reactivate a cosmetologist, esthetician or nail technician license, such license will be considered as being current with the instructor's license and the eligible license may be issued upon payment to the board of the prescribed renewal fee.

HISTORY: Added in State Register Vol. 13, Issue 2, eff Feb 24, 1989. Amended by State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-10. General Rules for the Operation of Cosmetology Schools.

(A) Contracts.

(1) The contract between a licensed school and a student shall include the total cost of the course and supplies, including the cost of a kit if that cost is not otherwise included in the cost of the course, the type of course to be taken, and the total hours of instruction required for completion and a payment schedule.

(2) The school must provide each student with a copy of the signed contract.

(3) The contract will contain:

(a) a statement clearly indicating to the student that the school will not release, to any licensing board or other schools, any certified hours or transcripts unless financial and contractual obligations for those hours obtained have been met;

(b) a statement regarding any board approved teach-out agreement or the related bond;

(c) a copy of all approved school rules and regulations.

(B) Records.

(1) Performance Records

(a) All schools shall keep a daily record of the daily attendance, hours earned per day, total hours per month, and the total number to date of all students registered in any program.

(b) Schools shall maintain at the school the names of the students enrolled, the total hours previously recorded for each student, the total number of hours completed during the month for each student, and the total cumulative number of hours for each student at the end of the preceding month. This report shall reflect the student's daily attendance and whether the student is attending day or evening class.

(2) Signing of Records

(a) Both the instructor and the student shall verify and sign all hours on monthly performance records. Students shall be provided a certified copy of their monthly performance records.

(3) Maintaining Records

A student shall be given hourly credit on the basis of one hour credit for one hour of actual classroom instruction or one hour of actual clinic work. A record of this shall be maintained by the school for not less than five years.

(4) Withdrawals

(a) The school will provide the student with a certified transcript of earned hours within ten working days of the student's withdrawal or graduation provided all contractual agreements have been met.

(C) Instructing Staff.

(1) Classroom Supervision

(a) An instructor shall be present in the classroom of school during all class and study hours and must supervise all student practice work.

(b) During school or class hours, instructors shall be totally devoted to instructing the students, and shall not apply their time to private or public practice for compensation.

(c) Instructors shall not permit students to instruct or teach other students in the absence of an instructor.

(2) Schools must furnish to the board a list of all regular and emergency instructors and schedules.

(3) Instructors may not teach more than one course at a time; however, supervising in the teacher training program is not considered teaching a course.

(4) Schools shall provide separate instructors for each course offered at the ratio of one instructor for every twenty students in attendance or portion thereof, but not including student instructors.

(5) Absence of Instructor

(a) If an emergency situation arises and a substitute instructor is needed, the school shall obtain a licensed instructor, if possible, to substitute and shall notify the board, within five business days, of the emergency change in instructors.

(b) If a licensed instructor is not available, the board may, upon request of the school, allow a currently licensed cosmetologist to teach temporarily, not to exceed thirty calendar days without board approval.

(c) Schools must report any change in instructors or schedules to the board in writing, including lists of the instructors and scheduled times of instruction and whether the position is temporary, permanent, part time or full time. If the position is temporary, notification must include the time scheduled for the position to be filled permanently.

(6) Teaching Aids

(a) Instructors may not use demonstrations of cosmetology devices, techniques or preparations to evade the requirement for maintaining a proper instructor-student ratio, but only to demonstrate unique and different devices, techniques and preparations to students and instructors. A licensed instructor must be present in the classroom during such demonstrations.

(b) The board reserves the right to require the addition of any equipment or supplies it deems necessary for the full and complete instruction of students.

(D) Training Schedules.

(1) Class scheduling

(a) Schools offering day classes must conduct theory classes not less than six hours per week.

(b) Schools offering evening classes must conduct theory classes not less than three hours per week.

(c) A school operating or planning to operate an evening class shall provide the board with a schedule and the name of the instructor.

(d) No student shall be required or permitted to attend more than eight hours of instruction or practice, or any combination thereof, in any one day, except that a student may be permitted to complete a service in process or to make previously missed time not to exceed 100% of the student's contracted schedule.

(2) Advanced Training

Advanced training courses must be operated separately from the basic cosmetology classes and the students must be properly identified.

(E) Credit Hours.

(1) Schools may not give credit for hours or certify hours with the board until the schools are properly licensed.

(2) A student shall be given credit on the basis of one hour clock credit for one hour of actual classroom instruction or one hour of actual clinic work.

(3) Schools may not give credit for hours while in attendance at trade shows, seminars, etc., without full supervision and proper documentation by the instructor. These hours shall be creditable only if they are deemed educational.

(4) Hours recorded shall be verified monthly by both the instructor and the student and both shall sign these records.

(5) Hours from other states

(a) If a student from another state establishes residence in South Carolina, the South Carolina Board will accept all certified hours from another state board but the student must complete any additional hours necessary to equal South Carolina Board requirements.

(b) In the event the state board of another state does not certify hours, the South Carolina Board may accept certification by the school.

(6) The board shall approve any transfer of hours between cosmetology, nail technology, or esthetics courses.

(7) Upon completion of the required number of hours the state board exam must be taken within twenty-four months or the said hours become invalid.

(F) Services for the Public—Restrictions.

(1) Schools may only permit its students to practice upon members of the public willing to submit themselves to such practice after being fully informed that the person performing the services is a student.

(2) Curriculum - Schools must not allow students to practice on the public until they have satisfied the prerequisite required training to provide those services.

(3) Each school shall display in a conspicuous place, visible upon entry to the school, a sign stating that all services in the school are performed by students who are in training and under the direct supervision of a licensed instructor.

(4) Schools may charge for work performed by students to help defray the cost of operations. It must post or provide a price list for services rendered to the public in type which can be easily read from a conspicuous distance.

(5) Instructors shall not call a student from a theory class to work on the public.

(G) School Examinations.

(1) It shall be the duty of the teaching staff to give a final examination to every student who is a candidate for a degree or diploma.

(2) A passing grade determined by the said school is required for graduation.

(H) School Standards.

(1) Board Requirements

(a) All school rules and regulations and any changes thereto must be approved by the board.

(b) Schools shall permit the board, or its agents, to inspect the school and records which pertain to this chapter at any time during regular school hours.

(2) A school may not operate with an enrollment of less than six active students.

(3) Schools may not recruit students from other schools or knowingly make false or misleading statements to students about other schools.

(4) A school may not operate as a beauty salon or spa.

(5) If the school is closed, the board must be notified within ten working days via certified mail.

(I) Student Standards.

(1) Students enrolled in a school shall wear name tags which clearly indicate that they are students.

(2) Students shall wear professional attire while attending school.

(J) Advertising.

While schools may advertise, all school advertisements must clearly identify to the consuming public that it is a school and that all services will be performed by students under the direct supervision of a licensed instructor.

(K) Transcripts.

Upon obtaining hours, for which the school has been compensated for, the school shall provide the student with a certified transcript on a board approved form:

(1) if the school closes; or

(2) the student withdrawals; or

(3) the student transfers; or

(4) any licensing request.

35-12. Emergency Temporary Work Permit.

A temporary work permit allowing a license candidate to work under the direct supervision of a Board licensee prior to licensure, may be issued for up to 90 days when due to a period of public emergency, candidates for licensure who have completed their education and are otherwise qualified for licensing do not have access to either or both parts (theory and practical) of the required licensing examination. The permit must be displayed in a conspicuous place adjacent to or near the permittee's work chair, with a 2 × 2 passport-type photograph of the permittee affixed to the permit.

The applicant must submit an application for the permit on a form approved by the Board, and must designate in the application an appropriately credentialed, licensed South Carolina cosmetologist, nail technician, or esthetician, whose license is in good standing, as their supervisor. The proposed supervisor must also sign the application, agreeing to provide direct supervision. Direct supervision means the supervisor must be present on the salon premises and available to provide oversight to the permittee when the permittee is performing cosmetology, nail technology or esthetic services on the public. Failure of the designated supervisor to provide direct supervision as required is deemed to be an unprofessional act. A temporary work permittee cannot provide these services unless under direct supervision in a licensed salon, and may not be the manager of a salon.

Additionally, to be eligible to apply for a temporary work permit, the license candidate must have applied or be eligible to apply to take the examination, and must not have failed any previous attempt to pass the part or parts of the licensing examination that have not been completed. Failing a remaining part or parts of the examination, or failing to timely apply for or to take a scheduled examination without good cause voids the permit. Working on a void or lapsed temporary work permit is deemed to be unlicensed practice. A temporary work permittee is subject to and must follow all applicable Board statutes and regulations, and is subject to discipline in the same manner as a licensee.

HISTORY: Added by SCSR 46-4 Doc. No. 5034, eff April 22, 2022.

35-13. Out of State Applicants.

A person currently licensed or certified to practice in another state or territorial possession of the United States, or the District of Columbia, whose license is in good standing, maybe issued a license if the person has satisfactorily passed a nationally recognized examination for entry into the profession.

HISTORY: Added by State Register Volume 17, Issue No. 5, Part 1, eff May 28, 1993. Amended by State Register Volume 21, Issue No. 6, Part 2, eff June 27, 1997; State Register Volume 23, Issue No. 6, eff June 25, 1999; State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-15. Licensure of Cosmetology, Nail Technology, and Esthetics Salons.

(A) Application for Licensure.

(1) For the purpose of this regulation, a salon is defined as a location, other than a cosmetology school, at which cosmetology, nail technology or esthetics is practiced.

(2) Any firm, person or corporation desiring to open a salon of cosmetology, nail technology or esthetics shall make application to the State Board of Cosmetology at least ten working days prior to opening date, stating the approximate date the salon will be ready to open. Such application shall be made on a form provided by the board and shall be accompanied by the required application fee.

(3) The applicant shall designate a manager of the salon who will be responsible for compliance with this chapter and responsible for all personnel physically located in the salon.

(4) If an applicant fails to meet all the licensure requirements, the board shall deny the application, in writing, and shall list the specific requirements not met.

(5) An applicant denied salon licensure because of failure to meet the requirements set by the board is not precluded from reapplying for licensure.

(B) Temporary Permit.

(1) When an application to operate a salon is approved by the board and an inspection cannot be completed before the projected opening date, the board may issue a temporary permit for not more than ninety (90) days to the owner to operate the salon until an inspection can be made.

(2) If, upon inspection, the salon fails to meet all licensure requirements, the board may, in its discretion, extend the temporary permit for not more than thirty (30) additional days.

(3) Upon completion of a satisfactory salon inspection, any temporary permit previously issued shall be relinquished to the board's representative and a salon license will be issued by the board.

(C) Inspections.

(1) The board or its designee shall conduct an inspection of the salon to ensure that all licensure requirements have been met, within ten working days, prior to issuance of a salon license.

(2) Licensed salons will be inspected periodically by a representative of the board.

(D) Change in Salon Location.

(1) A salon license shall be valid only for the location named and shall not be transferable.

(2) Any request for a change in salon location shall be submitted to the board through a new application, together with the required fee, twenty working days prior to the proposed opening in the new location.

(E) Change in Salon Name and/or Salon Owner.

(1) A salon license shall be valid only for the owner named and the salon named, and shall not be transferable.

(2) Any request for a change in salon name and/or salon owner shall be submitted to the board through a new application, together with the required fee.

(F) Salon Closure.

(1) If a salon is closed permanently, the salon license shall be immediately returned to the board. If a salon is temporarily closed for more than sixty (60) days, the salon owner shall notify the board.

(G) Renewal of Salon License.

(1) A salon license shall be renewed upon application, accompanied by the required renewal fee, to the board before July 1 of the year in which such license expires.

HISTORY: Added in State Register Vol. 14, Issue 5, eff May 25, 1990. Amended by State Register Volume 21, Issue No. 6, Part 2, eff June 27, 1997; State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-16. Salon Equipment Requirements.

(A) Salons offering services in all phases of cosmetology shall maintain the following minimum equipment:

(1) 1 Disinfectant (wet), large enough to totally immerse implements, with an EPA-registered hospital level disinfectant with demonstrated bactericidal, fungicidal, pseudomonacidal and virucidal activity used according to manufacturer's instructions.

(2) Sharps container for the disposal of used and/or contaminated implements. These containers must be disposed of according to local bio-hazard disposal requirements.

(B) All salons shall have direct access to the following:

- (1) Hot and Cold Running Water
- (2) Rest Room Facilities
- (3) Closed Cabinet for Clean Linens Storage
- (4) Storage for Soiled Linen
- (5) Fire Extinguisher
- (6) First Aid Kit
- (7) Covered Trash Containers

All salons shall provide other equipment as is necessary to offer those services available in the salon in a safe and sanitary manner.

HISTORY: Added in State Register Vol. 14, Issue 5, eff May 25, 1990. Amended by State Register Volume 21, Issue No. 6, Part 2, eff June 27, 1997; State Register Volume 34, Issue No. 6, eff June 25, 2010.

35-20. Sanitary and Safety Rules for Salons and Schools.

(A) Enforcement.

(1) The holder or holders of a salon license or a school license, and the person in charge of any such salon or school, shall be liable for implementing and maintaining the sanitary rules in such salon or school individually and jointly with all persons in or employed by or working in or on the premises of such salon or school. All licensed cosmetologists, instructors, nail technicians and estheticians shall be held individually liable for implementation and maintenance of the sanitary rules applicable to them.

(2) To assure compliance with the laws and regulations governing the operations of salons and schools, a Board designated representative shall have access to the premises of any salon or school, at any time that the instruction or practice of cosmetology and related professions are being conducted. Cosmetology related professions include but are not limited to nail technology, esthetics, and instructor training programs.

(3) Refusal to permit, or interference with, an inspection constitutes a cause for disciplinary action.

(4) A licensee's failure to observe all rules and regulations on sanitation and to maintain adequate precautionary measures for the public's protection and safety is cause for disciplinary action up to revocation of license. Failure to display, in full public view, all licenses applicable to the salon or school and the persons therein engaged in the practice of cosmetology and related professions as well as the sanitary rules and regulations and the sanitary rating given to said salon or school, is sufficient cause for revocation of licenses.

(5) A salon's or school's failure to receive a passing inspection is sufficient cause for disciplinary action up to revocation of license, if not corrected by the next inspection. Thirty days thereafter the board may schedule a show cause hearing in accordance with the provisions as established by the statutes regulating cosmetology.

(B) Rules.

(1) Every salon and school must occupy a separate building, or part of a building, which is suitable to render adequate sanitary services to the public, wherein cosmetology or related professions may be taught or practiced. Salons and schools must be separated from each other by a solid wall from the floor to the ceiling and separate entrances.

(2) Salons and schools shall comply with all state and local building, plumbing and electrical codes.

(3) Salons and schools shall comply with all relevant and current federal/state workplace safety laws.

(4) The use of a salon or school as living, dining or sleeping quarters is prohibited.

(C) Residential Salons.

(1) Residential salons must maintain a separate entrance for clients, which entrance shall not open from the living, dining or sleeping quarters, and all doors previously opening into such quarters must be permanently sealed.

(2) No portion of the salon may be used as a portion of a private residence.

(3) Entrances must permit patrons to enter salon directly without requiring passage through any portion of the residence.

(4) Separate toilet facilities for patrons must be provided apart from the living quarters.

(D) Physical Facilities of Salons and Schools.

(1) Cleanliness and Repair. Each salon and school must keep the floors, walls, woodwork, ceilings, furniture, furnishings, and fixtures clean and in good repair.

(2) Water Supply. Each salon and school must provide a supply of hot and cold running water.

(3) Toilet Facilities. Each salon and school must provide toilet and hand washing facilities consisting of at least one commode and one lavatory in good working order, with hot and cold running water, soap and disposable towels. Restrooms may not be used for storage.

(4) Drinking Water. Each salon and school must supply potable drinking water.

(E) Animals in Salons and Schools.

No person may bring any animal into, permit any animal to be brought into, or permit any animal other than a service animal for the disabled to remain in, a salon or school.

(F) Infectious Disease.

(1) Licensees must not permit any person afflicted with a known infestation of parasites or with a known infectious or communicable disease which may be transmitted during the performance of the acts of cosmetology or related professions, to work or train in a salon or in a school.

(2) No salon or school may knowingly require or permit a student or person licensed by the Board of Cosmetology to work upon a person known to suffer from any infectious or communicable disease, which may be transmitted during the performance of the acts of cosmetology or related professions.

(3) No salon or school may require or allow a student or licensee of the Board of Cosmetology to perform any service on a patron with a known infestation of parasites.

(G) Personal Cleanliness.

Washing Hands. Every person performing cosmetology or related services in a salon or school must thoroughly clean his or her hands with soap and water or any equally effective hand sanitizer before serving each patron.

(H) Implements, Supplies and Materials.

Licensees and students must dispose of all porous supplies or materials which come in direct contact with a patron and cannot be disinfected (for example, cotton pads, nail abrasives/buffers and neck strips) in a covered waste receptacle immediately after their use or when the service is completed.

(I) Disinfecting Nonelectrical Instruments and Equipment.

(1) Before use upon a patron, all non-electrical, non-porous implements, instruments and accessories used in the practice of cosmetology, nail technology, and esthetics must be disinfected in the following manner:

(a) clean with soap (or detergent) and water or a chemical cleaner, rinse, and dry completely; then

(b) totally immerse implements in, or spray/wipe, with an EPA-registered disinfectant with demonstrated bactericidal, fungicidal, pseudomonacidal and virucidal activity used according to manufacturer's instructions including concentration and contact time requirements. Alcohol is not an acceptable disinfecting agent. Bleach products must have an EPA registration for hospital-level disinfection.

(2) All disinfected implements must be stored in a clean, dry, covered container such as a clean drawer or cabinet.

(3) The disinfectant solutions specified in Regulation 35–20(I)(1):

- (a) shall remain covered at all times;
- (b) shall be changed daily or sooner if visible debris is present or becomes cloudy, per the manufacturer’s label; and
- (c) shall be of sufficient size to accommodate all implements including handles.

(4) All nondisinfected implements (those that have been used on a patron or soiled in any manner) must be placed in a closed receptacle labeled “soiled” or “items to be disinfected” until such time as they can be properly disinfected.

(J) Disinfecting Electrical Implements.

(1) Licensees and students must disinfect clippers, scalp vibrators, and other electrical implements prior to each use by:

- (a) first removing all foreign matter; and
- (b) disinfecting with EPA-registered disinfectant with demonstrated bactericidal, fungicidal, pseudomonacidal and virucidal activity used according to manufacturer’s instructions, including contact time requirements. The following are accepted methods of disinfection: sprays, wipes or immersion.

(2) All disinfected electrical implements shall be stored in a clean manner between uses. Acceptable storage would be on a clean towel, covered by a clean towel, hooked on the side of the station, in a drawer that is disinfected daily or in a plastic/rubber “bucket” installed in the station and disinfected daily.

(3) Towel warmers must be disinfected daily. Salons using hot steam towels in service must meet these requirements:

- (a) Towels must be washed with detergent and bleach, and then dried on “hot”.
- (b) Practitioners preparing towels for the warmers must first wash their hands or wear gloves.
- (c) Wet towels used in services must be prepared fresh each day. At the end of the day, unused steamed towels must be removed and laundered as described in Regulation 35–20(J)(3).

(4) Pedicure bowls, tubs or basins.

- (a) After each client:
 - (i) Drain tub completely.
 - (ii) Clean with soap/detergent and brush to remove all film from bowl.
 - (iii) Fill tub with clean water and drain.
 - (iv) Fill tub with clean water and add EPA registered disinfectant that is bactericidal, fungicidal, pseudomonacidal and virucidal at the proper concentration as indicated on the manufacturer’s label.
 - (v) In non-circulating tubs, allow clean water and EPA registered disinfectant that is bactericidal, fungicidal, pseudomonacidal and virucidal to stand for contact time listed on the manufacturer’s label. In circulating tubs, allow EPA registered disinfectant that is bactericidal, fungicidal, pseudomonacidal and virucidal to circulate for contact time listed on the manufacturer’s label.
 - (vi) Drain tub, fill with clean water and drain prior to filling for client use.
- (b) At the end of the day
 - (i) Drain tub completely.
 - (ii) Remove all removable parts, and scrub tub and all removable parts with soap/detergent and brush.
 - (iii) Rinse all removable parts and immerse in EPA registered disinfectant that is bactericidal, fungicidal, pseudomonacidal and virucidal mixed at the proper concentration for the contact time listed on the manufacturer’s label.
 - (iv) Fill tub with clean water and add EPA registered disinfectant that is bactericidal, fungicidal, pseudomonacidal and virucidal mixed at the proper concentration as indicated on the manufacturer’s label.

(v) In non-circulating tubs, allow the disinfectant to stand for contact time listed on the manufacturer's label. In circulating tubs, allow the disinfectant to circulate for contact time listed on the manufacturer's label.

(vi) Drain tub and replace removable parts. Fill tub with clean water and drain prior to filling for client use.

(vii) Implements that are considered semi-critical, such as microdermabrasion wands, should either be disposable or be treated with high-level disinfection by immersing in an enzyme detergent for a minimum of fifteen (15) minutes, rinsing, scrubbing both internally and externally using a wire bristle brush, and then immersing in an EPA registered disinfectant for a minimum of 10 minutes.

(K) Liquids, Creams, Powders and Other Cosmetic Preparations.

(1) Storage. All liquids, creams and other cosmetic preparations must be kept in clean, closed and properly labeled containers. Powders may be kept in a clean shaker.

(2) Removal from Container. When only a portion of a cosmetic preparation is to be used on a patron, licensees and students must remove it from the container using a disposable or single use spatula so as not to contaminate the remaining portion. Cosmetic pencils must be sharpened after each use. Cosmetic pencil sharpeners must be disinfected after each use.

(3) Paraffin which was removed for single use may not be returned to the paraffin warmer.

(4) Wax for hair removal services must be kept clean of debris.

(a) Wax must be removed to a single use container or removed with a single use spatula that may not be re-dipped (including using the other end) into the wax pot.

(b) Wax pot must be completely emptied and disinfected if contaminated by double dipping or debris.

(L) Headrests, Shampoo Bowls, and Treatment Tables.

(1) Licensees and students must cover the headrest of chairs with a clean towel or disposable paper sheet for each patron.

(2) Shampoo trays and bowls must be cleansed with soap and water after each shampoo and disinfected daily, including the front of the bowl that may come in contact with the client and kept in good repair at all times.

(3) Licensees and students must cover treatment tables with a clean sheet of disposable examination paper or clean linens for each patron. Tables must be disinfected between services, prior to covering with paper or linen; sprays or wipes are acceptable as defined in Regulation I (1)(A) and (B).

(M) Towels.

(1) Used, disposable towels must be discarded. After a cloth towel has been used once, it must be deposited in a closed, vented receptacle, labeled "soiled linens" and shall not be used again until properly laundered.

(2) Proper Methods of Laundering. Used towels must be laundered either by regular commercial laundering or by a noncommercial laundering process which includes washing on the "hot" setting and drying until all moisture is gone and towels are hot to the touch from the dryer.

(3) Storage. All clean towels must be stored in a clean, closed cabinet or container.

(N) Bottles and Containers.

Licensees and students must clearly, distinctly and properly label in English all bottles and containers in use in a school or salon to disclose their contents. All bottles containing poisonous or potentially hazardous substances shall be additionally and distinctly marked as such.

(O) Neck Strips.

Licensees and students must use disposable neck strips or clean towels to keep the protective covering from coming in direct contact with a patron's neck. Protective coverings (capes) must be properly laundered (see Regulation 35-20(M)(2)) after each client.

(P) Licensees may not use any of the following substances, products or tools while performing cosmetology or related services:

- (1) Methyl Methacrylate Liquid Monomers (MMA).
- (2) Razor-type callus shavers designed and intended to cut growths of skin such as corns and calluses (e.g. credo blades, rasps).
- (3) Alum or other astringents in stick or lump form (alum or other astringents in powder or liquid form are acceptable).
- (4) Fumigants such as formalin (formaldehyde) tablets or liquids.
- (5) Garra rufa fish used in “fish procedures.”
- (6) The use of any product, preparation, device or procedure that penetrates beyond the stratum germinativum layer, also known as the basal layer of the epidermis, of the skin is strictly prohibited. (e.g. acids with a PH below 3, medium depth or physician level peels, microneedling, dermaplaning and microblading.)
- (7) Roll on wax is prohibited if applied directly to the skin. If used, they must be treated as a single use item and disposed of after each use.
- (8) Ultraviolet (UV) Sterilizers or light boxes are prohibited. They are not acceptable infection control devices.
- (9) Autoclaves and autoclave packaging of tools are prohibited unless regular (at least once per month but not more than 30 days between tests) spore tests are performed by a contracted laboratory. If a positive spore test is received, the autoclave may not be used until a negative spore result is received.
- (10) Electric files or drills not specifically manufactured for use on human nails are prohibited.
- (11) Possession on licensed premises, or by a licensee, of any item(s) listed in this section is a violation under this chapter.

35–23. Continuing Education Requirements; Expired Licenses.

(A) For license renewal, all persons licensed by the board as cosmetologists, nail technicians and estheticians must show satisfactory evidence of having obtained four (4) contact hours of board-approved continuing education specific to board laws and regulations, client safety, and/or infection control to include sanitation and disinfection during the licensing period. These hours may be completed through a board-approved in-person class or an online class.

(B) Initial License. Any person shall not be required to complete continuing education during the first licensing period. During the second licensing period and thereafter, the continuing education requirements shall apply.

(C) Expired License. Any license expired for three (3) years or less may be reinstated if the applicant pays the reinstatement fee and submits proof to the board of completion of continuing education requirements for renewal.

After three (3) years, the license is no longer renewable by payment of fees. Both the theory and practical examinations must be re-taken and passed. The licensee will then be considered on the same basis as a newly-licensed individual.

(D) Instructor License - For license renewal, all persons licensed by the Board as instructors must show satisfactory evidence of having obtained four (4) contact hours of board-approved continuing education geared toward teaching during the licensing period. These hours may be completed through a board-approved in-person class or an online class.

(E) The revisions to Reg. 35–23 continuing education requirements regarding the number of hours, permissible instruction in person or online, and course content are effective beginning with the 2021 license renewal period.

HISTORY: Added in State Register Vol. 9, Issue 6, eff June 28, 1985. Amended in State Register Vol. 11, Issue 5, eff May 22, 1987; State Register Volume 17, Issue No. 5, Part 1, eff May 28, 1993; State Register Volume 18,

35-24. Continuing Education Programs.

(A) Continuing education programs shall meet the criteria established by the board in conjunction with the University of South Carolina. Only continuing education programs approved by the board will be accepted toward meeting license renewal requirements.

(1) The continuing education course shall meet the following criteria for approval:

(a) All education must be generic in nature. All courses must have content sufficient to meet the required number of contact hours for instruction.

(b) All education shall be conducted and monitored by a board approved organization or association. For in-person courses, sponsors must monitor the signing in and out of participants to assure the presence of participants for the required contact hours.

(c) All organizations or associations desiring to sponsor continuing education shall present to the board prior to October 1 of each year a course outline which shall include but may not be limited to the following:

- (i) Instructors Name(s) and summary of qualifications
- (ii) Course outline including lesson plans
- (iii) User and administrative log-in information for online courses
- (iv) List of monitors

(2) Approval of a course is valid for the term of the licensing period in which it was approved, until December 31 of the year preceding the year in which the licensing period ends, or as otherwise determined by the Board; however, the Board may require the provider, during the approved period, to revise a program to update or correct the course material. The provider must timely resubmit the course for board review if it wishes to again provide the course for continuing education credit.

(B) Verification. Each licensee for renewal shall maintain evidence of having earned the required number of hours of continuing education for a period of four years. These records are subject to audit by the board and the licensee may be disciplined for failure to maintain them.

(C) Program Format, Time Frame, and Space for In-Person Courses.

(1) The program shall not include breaks and lunch periods in the calculation of credit for time attended.
