The Speaker of the House of Representatives

By The South Carolina Planning Education Advisory Committee
Planning Education Advisory Committee

Date:    January 25, 2016

TO:      The Honorable Hugh K. Leatherman, Sr.,
          President Pro Tempore for the Senate
          The Honorable James H. Lucas,
          Speaker of the House of Representatives

FROM:    Stephen G. Riley, Chairman

RE:       Annual Report of the South Carolina Planning Education
          Advisory Committee

In 2003, the Legislature established Educational Requirements for Local
Government Planning or Zoning Officials or Employees and established a five-
member Advisory Committee to compile and distribute a list of approved
orientation and continuing education courses to satisfy the requirements of the
statute and to determine categories of persons that are eligible for exemption
from these educational requirements. The Advisory Committee elected to
operate under the title of the South Carolina Planning Education Advisory
Committee.

Please accept this as the 2015 Annual Report of the South Carolina Planning
Education Advisory Committee pursuant to Section 6-29-1330(D)(3) of the
Code of Laws of South Carolina.

**Introduction**

Article 9 of Title 6, Chapter 29 of the South Carolina Code of Laws establishes Educational Requirements for Local Government Planning or Zoning Officials or Employees. These provisions apply to all members of locally-appointed Planning Commissions, Boards of Zoning Appeals, Architectural Review Boards and all professional employees engaged in planning and zoning activities.

Unless expressly exempted, each locally appointed official and professional employee must attend a minimum of six hours of orientation training in certain subjects and annually attend no fewer than three hours of continuing education in any of the subjects determined by the State Advisory Committee.

The subjects for the education may include, but not be limited to, land use planning; zoning; floodplains; transportation; community facilities; ethics; public utilities; wireless telecommunications facilities; parliamentary procedure; public hearing procedure; administrative law; economic development; housing; public buildings; building construction; land subdivision; and powers and duties of the planning commission, board of zoning appeals, or board of architectural review.

An appointed official or professional employee who has one or more of the following qualifications is exempt from the educational requirements:

1. certification by the American Institute of Certified Planners;
2. a masters or doctorate degree in planning from an accredited college or university;
3. a masters or doctorate degree or specialized training or experience in a field related to planning as determined by the advisory committee; or
4. a license to practice law in South Carolina.

An appointed official is subject to removal from office or suspension or dismissal from employment if he fails to complete the requisite number of hours of orientation training and continuing education within the time allotted by State Code, or fails to file the certification form and documentation required by State Code.

It is the responsibility of the local governing body to track and file with the local clerk the proper certification forms for their individual planning or zoning officials or employees.

All municipalities and counties were required to come into compliance by January 1, 2007. Newly appointed Board and Commission members and newly hired staff members must receive their orientation training within one year of their start date. A minimum of
three hours of continuing education is required, each year, for all board, commission and staff members.

Sec. 6-29-1330 of the Code establishes an Advisory Committee composed of five members appointed by the Governor. The Code provides that the members shall include: a planner recommended by the South Carolina Chapter of the American Planning Association; a municipal official or employee recommended by the Municipal Association of South Carolina; a county official or employee recommended by the South Carolina Association of Counties; a representative recommended by the University of South Carolina's Institute for Public Service and Policy Research; and, a representative recommended by Clemson University's Department of Planning and Landscape Architecture.

This Committee, operating as the South Carolina Planning Education Advisory Committee (SCPEAC), is charged with:

- compiling and distributing a list of approved orientation and continuing education programs that satisfy the educational requirements in Section 6-29-1340;
- determining categories of persons with advanced degrees, training, or experience, that are eligible for exemption from the educational requirements in Section 6-29-1340; and
- making an annual report to the President Pro Tempore of the Senate and Speaker of the House of Representatives.

This 2014 Annual Report is set up to include those elements set forth in Sec. 6-29-1330(D)(3) of the Code. Specifically, this annual report provides a detailed account of the advisory committee's:

(a) activities;

(b) expenses;

(c) fees collected; and

(d) determinations concerning approved education programs and categories of exemption.

Activities

A quarterly schedule of meetings was established, as allowed for under Section 6-29-1330(F) of the Code. The members have committed to conducting at least the first scheduled meeting of each year in person; and thus the January 21, 2015 meeting was conducted at the offices of the Municipal Association of South Carolina (MASC). The April 6, July 27 and October 19 quarterly meetings were conducted via conference call.

A quarterly schedule of meetings has been approved for 2016. The first meeting will again be conducted at the offices of the MASC. The remaining meetings are scheduled to be conducted by conference call.

Every effort has and will continue to be made to facilitate public participation in these conference call meetings by posting of the meeting on our website and the State Register. Opportunities to “sit in” on the meetings were provided at the Hilton Head Island office of the Chairman. The conference call phone number is provided in the posted notices such that any interested party may participate by phone. As noted above, three such meetings were held in 2015 and only the applicants themselves participated in the conference calls.

One of the original members of the Committee, Dennis Lambries, announced that he would be retiring in 2015. Dennis had long been the Committee’s Vice-Chairman and he suggested that someone else take that role. Phil Lindler was elected as the new Vice-Chairman of the Committee. Mr. Riley was reelected to the position of Chairman.

In the very early days of the Committee’s efforts, it had expiration dates on the Orientation Training Programs that had been developed and approved for the Municipal Association of South Carolina (MASC) and the South Carolina Association of Counties (SCAC). As the time approached for a third extension on the expiration dates, the Committee engaged in a conversation to revisit how we handle the Orientation Training going forward. After much discussion among the Committee members and representatives from the MASC and SCAC, the Committee arrived at the following:

1. Annually, by December 31st of each year, the sponsor of the orientation training program shall certify to the SCPEAC that:
   a. To the best of the sponsor’s knowledge, there have been no changes in statutes or case law, at either the State or Federal level, that, in the sponsor’s determination, require changes or clarifications to the training materials; or
   b. The sponsor has determined that there have been changes in statutes or case law, at either the State or Federal level, which require that the training materials be updated; and that the materials have been, or are in the process of being, updated to reflect those changes.

2. If the sponsor, in their sole discretion, determines that substantial changes are needed or warranted in the Orientation Training program; then a revised application shall be submitted for consideration by the SCPEAC.

Numerous individual applications were approved for specific program offerings by local governments and community organizations; as noted below in the Determinations subsection. The “consent agenda” process continues to work well for these types of applications.
Expenses
Postage, copying, and printing costs have been minimal and have been absorbed by the members’ sponsoring organizations or employers. Increased use of electronic applications and email distribution of agendas has contributed to keeping such costs to a minimum.

Costs for travel to meetings of the Committee have been borne by the individual members or their employers. No costs for overnight stays or meals have been incurred.

The Committee website is maintained by the South Carolina Legislative Printing, Information and Technology Systems Department at no cost to the Committee. The domain name, [www.scpeac.org](http://www.scpeac.org), was maintained because of the ease in relaying the information to those who inquire. The annual cost for maintaining this domain name is $11.96 and is absorbed by the Chairman’s employer, the Town of Hilton Head Island.

Meeting space for the annual on-site meeting of the Committee is being donated by the Municipal Association of South Carolina. Limited refreshments are made available; in the same manner as is done with other groups that use their facilities.

Costs associated with telephone conference call meetings are absorbed by the Chairman’s employer, the Town of Hilton Head Island. Limited administrative support is also provided by the Town of Hilton Head Island.

Fees Collected
No fees have been collected.

Section 6-29-1330(G) of the Code provides for the imposition of a nominal fee to each entity applying for approval of an orientation or continuing education program. The Committee has chosen not to impose such a fee at this time.
