Explanation of Fiscal Impact

State Expenditure

This bill amends Title 44 by adding Section 44-7-263 which exempts Medical Foster Homes (designated as such by the U.S. Department of Veterans Affairs) providing care to three or fewer veterans from the requirement to be licensed by the Department of Health and Environmental Control as a nursing home. The bill requires the SC Department of Veterans Affairs to report annually to the Governor and General Assembly about the scope and effectiveness of the Medical Foster Home program for South Carolina veterans.

The Department of Health and Environmental Control reports that this bill would have no expenditure impact on the General Fund, Federal Funds, or Other Funds.
