This bill will have minimal impact on the General Fund, Federal Funds or Other Funds.

Explanation of Fiscal Impact

State Expenditure

This bill provides for the terms under which the Attorney General may engage private counsel and the fees related to those engagements. The Attorney General's Office reports it has a minimal fiscal impact on their office and this impact could be minimized further by some procedural changes they have recommended.

The bill also establishes the procedures to be followed in litigating an asbestos tort claim. If this litigation results in additional hearings or trials in Common Pleas court, it is anticipated that the Judicial Department would absorb this minimal cost to Other Funds. There would be no impact on the General Fund or Federal Funds.
