Explanation of Fiscal Impact

Introduced on January 12, 2021

State Expenditure

This bill establishes the nineteenth day of June, or Juneteenth, as a legal holiday in South Carolina. We anticipate that this bill will result in the closing of all state buildings and offices except for certain agencies that must provide 24-hour services. These agencies may experience an expenditure impact to cover any potential pay out of compensatory time for employees who must work on the newly created holiday. However, the expenditure impact of this bill is pending, contingent upon a response from Admin.
