Indicates New Matter

The House assembled at 12:00 noon.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Psalm 130: "For with the Lord, there is steadfast love, and with Him is great power to redeem."

Let us pray. "O God, our help in ages past, Our hope for years to come, Be thou our guard while life shall last, And our eternal home." Thank You, O Lord, for caring for us. Keep watch over our defenders of freedom and first responders. Shine Your light upon our World, Nation, President, State, Governor, Speaker, staff, and all who serve in these Halls of Government. Heal the wounds, those seen and those hidden, of our brave men and women who suffer and sacrifice for our freedom. Lord, in Your Mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER.

After corrections to the Journal of the proceedings of Monday, June 21, the SPEAKER ordered it confirmed.

COMMUNICATION

The following was received:

June 25, 2021
The Honorable James H. Lucas
Speaker of the House of Representatives
State House, Second Floor
Columbia, South Carolina 29201

Dear Mr. Speaker and Members of the General Assembly:

[HJ]

TUESDAY, JUNE 29, 2021

I am vetoing and returning without my approval certain line items in R. 116, H. 4100, theFY 2021-22 General Appropriations Act.

Over the past year, we have faced unprecedented challenges, from a disease we did not know. We experienced loss and we experienced suffering. But our people are strong and resilient, and have the commitment, capacity, and courage to thrive and prosper once again - like never before.

While many states immediately shuttered their economies, closed businesses and enacted draconian restrictions, South Carolina took a better approach. We never closed. Through our reasonable steps of limited, measured, and temporary actions targeting those establishments and activities involving close personal contact and high risks of infections, we combatted the virus without crippling our economy. Business continued. This is one reason that South Carolina is the 10th fastest growing state in the nation.

Also, by being careful and conservative, freezing new spending and holding state government steady at the previous year's spending levels, we were able to avoid cutting services, raising taxes, or borrowing money. As a result, South Carolina's economy not only survived, it thrived - generating an over \$1 billion surplus, placing our state in a stronger financial position than virtually every other state in the country.

That's because we were thinking ahead. Now, we must continue to think ahead.

This year, my Executive Budget proposed bold investments that will ensure that South Carolina's future workforce possesses the education and skills necessary to compete for jobs and capital, both nationally and internationally. Once again, the General Assembly has embraced and adopted 166 of my proposals totaling \$1.58 billion dollars in the final 2021-22 General Appropriations Act.

Our successful partnership has once again produced a resounding win for the people and prosperity of South Carolina.

We have made a transformative investment in early childhood education through the expansion of full-day kindergarten for every lower income four-year old child in the state. This expansion will allow

TUESDAY, JUNE 29, 2021

parents to choose the public, private or for-profit childcare provider that bestsuits their child's educational needs.

By unleashing the free market into early childhood education with the entry of new providers, eliminating burdensome regulations and increasing the reimbursement rate, South Carolina's at-risk children - with each passing year - will increasingly arrive at school prepared and eager to learn and on track to make continued, life-long learning progress.

This state budget maintains our continued commitment to attract and retain our talented teachers through a \$1,000 across the board pay raise. While this raise is not the \$3,000 raise proposed in my Executive Budget for FY2020-21, I am confident that the General Assembly shares my commitment to making future investments that will improve South Carolina's national ranking for average teacher pay.

It is critical that parents in South Carolina have confidence that their children are safe and secure while at school. This year we have finally fulfilled our commitment to provide funding to place a certified law enforcement school resource officer in every school, in every county, all day every day. In addition, this state budget provides the necessary funding to place a school nurse in every school in our state and provides every school with additional access to a mental health counselor.

Future prosperity requires that our colleges, universities, and technical colleges are accessible and affordable for the sons and daughters of South Carolina.

This state budget provides \$80 million so that every South Carolinian who qualifies for federal needs-based financial aid - or by federal Pell Grants - has the necessary state financial assistance to attend any in-state public, private, independent college, university, or historically black college or university (HBCUs).

Also, this budget provides an additional \$40 million for high-demand jobs skills training. This includes such programs as our ReadySC direct training for prospective manufacturers locating in our state and for workforce scholarships and grants for South Carolinians to receive skills-based certificates and accreditation at our state's technical colleges.

In addition, this state budget addresses the repairs needed at the aging, state-owned buildings, and infrastructure on the campuses of our colleges, universities, and technical colleges. By paying down the state's deferred maintenance liability with available one-time funds - rather than borrowing it - institutions of higher education will not pass along debt through tuition and feehikes.

To keep South Carolinians safe, we must maintain a robust law enforcement presence - andproperly "fund the police." Our state law enforcement agencies continue to lose valuable and experienced personnel because they are unable to remain competitive with pay and benefits.

This budget dedicates over \$21.1 million in new dollars to law enforcement, public safetyand first response agencies for recruitment and retention. This includes pay raises for troopers, state law enforcement division agents, wildlife officers, probation agents and corrections officers.

Gaps in our online connectivity continue to require significant investment. Broadband is no longer a luxury - it is a necessity, essential to ensuring a level playing field especially for those in rural areas. Emergency response, health care access, education - all increasingly rely on high- speed Internet access. This budget provides an additional \$10 million in state funds to continue theexpansion of broadband through public and private partnerships.

Finally, I must applaud the General Assembly for passing the most transparent and accountable budget in modern times. After decades of overriding the vetoes of successive governors, the leadership of the Senate and House of Representatives took unprecedeted steps to require the public disclosure of the sponsors and recipients of earmarked appropriations that werepreviously shielded from public view, debate, and scrutiny.

However, public transparency must be absolute and uncompromised in order to maintain the public's trust and confidence in their government. Disclosure of the sponsor and recipient is not enough. The bulk of these earmarked appropriations still lack sufficient context, description,explanation of merit, or justification on how the recipient

TUESDAY, JUNE 29, 2021

intends to spend the funds. Also, no matter how deserving the project, the public must be confident that proper accountability measures are in place to ensure the funds are spent by the recipient appropriately.

For these reasons, I must veto 226 of these earmarked appropriations totaling \$152.5 million. Because these earmarked appropriations are bundled together in seven different proviso subsections - it will require the veto of many of my Executive Budget proposals and projects.

There is a better way for the taxpayers. I once again ask the General Assembly to consider my proposal to create a public merit based competitive grants process for these types of appropriations. Administered by state agencies, funds will only be made available to entities who demonstrate required community support and missions consistent with the policy goals and outcomes intended by the General Assembly. Further, all applications and award criteria will be placed online, allowing for public scrutiny and total transparency.

To my colleagues in the General Assembly I say: The people of South Carolina have benefited from our continued cooperation, communication, and collaboration. Let us continue to work together vigorously, thereby ensuring that future generations of South Carolinians can keep winning and prospering.

In that spirit, I ask that you thoughtfully consider and sustain each of the following vetoes:

Veto 1 - Department of Education, Part IB, Section 1, Page 294, Proviso 1.90, SDE:Reserve Suspension

This proviso provides an exemption from the cash reserve limitation requirements of Act 593 of 1992 for Dorchester County School District 2. This proviso alters permanent local legislation that has been in effect since 1992 and should be dealt with by separate, permanent legislation.

Veto 2 - Department of Education, Part IB, Section 1, Page 294, Proviso 1.92, SDE:Schools of Choice

This proviso, which allows a school district to create multiple schools of choice, is no longer needed due to passage of Act 20 of 2021.

TUESDAY, JUNE 29, 2021

Veto 3 - Department of Education, Part 1B, Section 1, Page 295, Proviso 1.95, SDE:Basic Skills for Admission to Teacher Preparation Program/Praxis Core

This proviso amends permanent law by allowing each institution of higher education to create its own system for admitting candidates into an undergraduate teacher preparation program. I am vetoing it for several reasons.

First, the proviso refers to the wrong code citation. Title 59, Chapter 26 of the Code of Laws of South Carolina deals with the training, certification and evaluation of teachers.

Second, the proviso contradicts Section 59-26-10, et. seq, of the South Carolina Code of Laws which requires the State Board of Education and the Commission on Higher Education to create “a fair, cohesive, and comprehensive system for the training” of educators in our state. The proviso excludes the Commission on Higher Education entirely from this process.

If each institution creates its own criteria for admitting candidates into an undergraduate teacher preparation program, then there is no longer a “system” of professional standards and runs the risk of lowering standards and diminishing the teaching profession.

Changing the system by which our institutions of higher education prepare teachers should be done through legislation and not through a proviso in the state budget. A bill, H. 4152, was introduced this session on this issue, but has not yet been debated.

Veto 4 - Department of Health and Human Services, Part 1B, Section 33, Page 352, Proviso 33.24, DHHS: Personal Emergency Response System

This proviso requires the department to develop one or more request for proposals (RFP), to provide for Personal Emergency Response Systems (PERS) to be issued to Medicaid recipients pursuant to the department’s Medicaid Home and Community-based waiver.

Because an RFP has been produced by the department, this proviso is no longer needed.

TUESDAY, JUNE 29, 2021

Veto 5 - Department of Health and Environmental Control, Part 1B, Section 34, Page363, Proviso 34.52, DHEC: Hazardous Waste Fund County Account

This proviso bypasses local government control over statutorily authorized Hazardous Waste Contingency Fund dollars, allowing funds to be directed for unknown and unaccountable purposes with no public transparency or fiscal oversight. This is dangerous and invites fraud and abuse.

Veto 6 - Patriots Point Development Authority, Part IB, Section 52, Page 391, Proviso52.2, PPDA: Clamagore Reef - \$1,000,000

It is our understanding that the funds directed in this proviso as appropriated in Act 286 of 2014 have already been expended, and therefore, this proviso is no longer needed.

Veto 7 - Department of Revenue, Part IB, Section 109, Page 462, Proviso 109.12, DOR:Food Manufacturing Equipment

This proviso creates a new “temporary one year” sales tax exemption, joining the hundreds of existing piecemeal sales tax exemptions that hurt our state’s ability to compete for jobs, investment and capital. Comprehensive tax reform must happen. Our neighbor states have reformed their tax codes and structure, leaving our state at a competitive disadvantage.

Veto 8 - Department of Revenue, Part IB, Section 109, Page 462, Proviso 109.13, DOR:Collection of Business License Taxes

This line is unnecessary following the passage of Act 176 of 2020.

Vetoes 9 - 15

Public transparency must be absolute and uncompromised in order to maintain the public’s trust and confidence in their government. Disclosure of the sponsor and recipient is not enough. The bulk of these earmarked appropriations contained in these seven provisos still lack sufficient context, description, explanation of merit,or justification on how the recipient intends to spend the funds. Nor do these provisos

TUESDAY, JUNE 29, 2021

contain any accountability measures to ensure the funds are spent by the recipient appropriately.

There is a better way for the taxpayers. I once again ask the General Assembly to consider my proposal to create a public merit based competitive grants process for these types of appropriations. Administered by state agencies, funds will only be made available to entities who demonstrate required community support and missions consistent with the policy goals and outcomes intended by the General Assembly. Further, all applications and award criteria will be placed online, allowing for public scrutiny and total transparency.
