**Fiscal Impact Summary**

This bill allows a tattoo facility to engage in the sale of goods or to perform any form of body piercing other than tattooing. The bill also removes the prohibition on tattooing any part of the head, face, or neck of another person. Additionally, the bill allows the Department of Public Health (DPH) to license a tattoo facility if all churches, schools, or playgrounds located within one thousand feet affirmatively state that they do not object to the issuance of a license. As the bill requires DPH to perform duties that are within the course of normal agency business, there is no expenditure impact to DPH.
