The *State Register* also publishes the Governor’s Executive Orders, notices of public hearings and meetings, and other documents issued by state agencies considered to be in the public interest. All documents published in the *State Register* are drafted by state agencies and are published as submitted. If requested by twenty-five persons, a public hearing must be held at least thirty days after the date of publication of the notice in the *State Register*.

After the date of hearing, the regulation must be submitted to the General Assembly for approval. The General Assembly has one-hundred-twenty days to consider the regulation. EMERGENCY REGULATIONS

An emergency regulation may be promulgated by an agency if the agency finds imminent peril to public health, safety, or welfare. Emergency regulations are effective upon filing for a ninety-day period. If the original filing began and expired during the legislative interim, the regulation can be renewed once.

WHEREAS, certain areas in the southeastern region of the United States, including the State of South Carolina, are experiencing or are anticipated to experience hazardous winter weather conditions or a prolonged period of cold temperatures, which has increased demand for certain heating fuels and other essential commodities; and

WHEREAS, according to the latest forecasts, the anticipated hazardous conditions associated with the winter weather event — including a mix of rain, sleet, freezing rain, and snow for portions of the State — have the potential to disrupt essential utility services and other critical systems throughout the State of South Carolina; and

WHEREAS, the maintenance and prompt restoration of utility services and the uninterrupted transportation of essential goods, equipment, and products to or from the impacted areas are critical to the safety and welfare of the people of the State of South Carolina and those in neighboring States; and

WHEREAS, in light of the foregoing circumstances, the undersigned has determined that it is necessary and appropriate to take proactive action to expedite ongoing preparations, facilitate the operation of critical utility and transportation services, and mitigate interruptions or delays associated with the same; and

WHEREAS, the Federal Motor Carrier Safety Regulations limit, *inter alia*, the hours of service for operators of commercial vehicles, 49 C.F.R. §§ 390 *et seq.*; and

WHEREAS, section 56-5-70(B) of the South Carolina Code of Laws, as amended, provides that “[w]hen an emergency is declared which triggers relief from regulations pursuant to 49 C.F.R. [§] 390.23 in North Carolina or Georgia, an emergency, as referenced in the regional emergency provision of 49 C.F.R. [§] 390.23(a)(1)(A), must be declared in this State by the Governor”; and

WHEREAS, on January 7, 2025, the Governor of North Carolina issued Executive Order No. 6, temporarily suspending certain motor vehicle and transportation regulations in connection with the aforementioned weather conditions; and

WHEREAS, for the aforementioned and other reasons, the undersigned has determined that it is necessary and appropriate to provide additional regulatory flexibility to assist proactively in facilitating and supporting the operation of critical utility and transportation services and mitigating or preventing interruptions and delays in transporting essential supplies, equipment, and persons to or from any impacted areas in the State of South Carolina or in neighboring States.

NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and of these United States and the powers conferred upon me therein, I hereby order and direct as follows:

B. I hereby authorize and direct the South Carolina Department of Transportation (“DOT”) and the South Carolina Department of Public Safety (“DPS”), including the State Transport Police, as needed, to waive or suspend application and enforcement of the requisite state and federal rules and regulations pertaining to hours of service for operators of commercial vehicles operating in accordance with the provisions of any emergency declaration issued by the Federal Motor Carrier Safety Administration (“FMCSA”); responding or providing direct assistance, as defined by 49 C.F.R. § 390.5, to any emergency conditions in this State or any declared emergencies in the State of North Carolina or the State of Georgia or in other States in connection with the hazardous weather and dangerous conditions described herein or the anticipated impacts thereof; providing direct assistance to supplement state and local efforts and capabilities related to the same; or otherwise assisting with the existing or anticipated threats and circumstances associated with these conditions, to include commercial vehicles and operators of commercial vehicles transporting equipment, materials, or persons

C. I hereby authorize DOT and DPS, as applicable, to apply for or request any additional federal regulatory relief, waivers, permits, or other appropriate flexibility deemed necessary, whether pertaining to the transportation of overweight loads on interstate highways or otherwise, on behalf of the State of South Carolina and to promptly implement the same without the need for further Orders.

D. This Section shall not be construed to require or allow an ill or fatigued driver to operate a commercial motor vehicle. In accordance with 49 C.F.R. § 390.23, “a driver who informs the motor carrier that he or she needs immediate rest must be permitted at least ten (10) consecutive hours off duty before the driver is required to return to such terminal or location.” Likewise, this Section shall not be construed as an exemption from the applicable controlled substances and alcohol use and testing requirements in 49 C.F.R. § 382, the commercial driver’s license requirements in 49 C.F.R. § 383, or the financial responsibility requirements in 49 C.F.R. § 387, and it shall not be interpreted to relieve compliance with any other state or federal statute, rule, order, regulation, restriction, or other legal requirement not specifically waived, suspended, or addressed herein or addressed in any additional or supplemental guidance, rules, regulations, restrictions, or clarifications issued, provided, or promulgated by DOT or DPS.

E. Subject to any guidance, rules, regulations, restrictions, or clarification issued, provided, or promulgated, or which may be issued, provided, or promulgated, by DOT or DPS, as authorized herein or as otherwise provided by law, and notwithstanding the waiver or suspension of certain rules and regulations as set forth above, drivers in South Carolina are still subject to the following state requirements to ensure public safety:

1. Weight, height, length, and width for any such vehicle with a minimum of five (5) weight bearing axles on highways or roadways maintained by the State of South Carolina shall not exceed, for continuous travel on all non-interstates, United States, and South Carolina designated routes, maximum dimensions of twelve (12) feet in width (except as provided in Paragraph 5 below), thirteen (13) feet six (6) inches in height, and ninety thousand (90,000) pounds in gross weight.

2. Posted bridges may not be crossed.

3. All vehicles shall be operated in a safe manner, shall not damage the highways nor unduly interfere with highway traffic, shall maintain the required limits of insurance, and shall be clearly identified as a utility vehicle or shall provide appropriate documentation indicating they are responding to the emergency.

4. Except as provided below, any vehicles that exceed the above dimensions, weights, or both, must obtain a permit with defined routes from DOT’s Oversize/Overweight Permit (“OSOW”) Office. To order a permit, please call (803) 737-6769 during normal business hours, 8:30 a.m. – 5:00 p.m., or (803) 206-9566 after normal business hours.

5. In accordance with federal law, vehicles traveling on non-interstate routes within the National Network may not exceed a width of 102 inches or 8.6 feet without a special permit. A special permit for width on the National Network is available on DOT’s OSOW website, and a list of routes on the National Network is set forth in Appendix A to 23 C.F.R. Part 658.

6. Transporters are responsible for ensuring they have oversize signs, markings, flags, and escorts as required by the South Carolina Code of Laws and OSOW guidelines relating to oversize/overweight loads operating on South Carolina roadways.

F. I hereby authorize DOT and DPS to issue, provide, or promulgate any necessary and appropriate additional or supplemental guidance, rules, regulations, or restrictions regarding the application, implementation, or enforcement of this Section, or to otherwise provide clarification regarding the same, without the need for further Orders.

Section 2. General Provisions

A. This Order is not intended to create, and does not create, any individual right, privilege, or benefit, whether substantive or procedural, enforceable at law or in equity by any party against the State of South Carolina, its agencies, departments, political subdivisions, or other entities, or any officers, employees, or agents thereof, or any other person.

B. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this Order is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this Order, as the undersigned would have issued this Order, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

Executive Order No. 2025-02

WHEREAS, on January 8, 2025, in preparation for forecasted winter weather conditions and prolonged periods of cold temperatures, the undersigned issued Executive Order No. 2025-01, waiving and suspending certain motor vehicle and transportation regulations to assist proactively in facilitating and supporting the operation of critical utility and transportation services and mitigating or preventing interruptions and delays in transporting essential supplies, equipment, and persons to or from any impacted areas; and

WHEREAS, according to the latest forecasts from the National Weather Service, the hazardous conditions associated with this winter weather event—including a mix of rain, sleet, freezing rain, and snow for portions of the State—are now anticipated to exceed prior projections, with precipitation developing earlier and impacting additional areas of the State with greater intensity and accumulation than was previously predicted; and

WHEREAS, the undersigned has been advised that the aforementioned winter weather event represents a significant threat to the State of South Carolina, which requires that the State proactively prepare for the

10 EXECUTIVE ORDERS

potential impacts and take timely precautions to protect and preserve property, critical infrastructure, communities, and the general safety and welfare of the people of this State; and

WHEREAS, in light of the foregoing circumstances, the undersigned has determined that it is necessary and appropriate for the State to take additional proactive action and to expedite ongoing operations to prepare for and respond to the evolving threats and circumstances in connection with this winter weather event and the corresponding hazardous conditions and anticipated impacts associated with the same; and

WHEREAS, as the elected Chief Executive of the State, the undersigned is authorized pursuant to section 25-1-440 of the South Carolina Code of Laws, as amended, to “declare a state of emergency for all or part of the State if he finds a disaster . . . has occurred, or that the threat thereof is imminent and extraordinary measures are considered necessary to cope with the existing or anticipated situation”; and

WHEREAS, in accordance with section 25-1-440 of the South Carolina Code of Laws, when an emergency has been declared, the undersigned is “responsible for the safety, security, and welfare of the State and is empowered with [certain] additional authority to adequately discharge this responsibility,” to include issuing, amending, and rescinding “emergency proclamations and regulations,” which shall “have the force and effect of law as long as the emergency exists”; and

WHEREAS, pursuant to section 25-1-440 of the South Carolina Code of Laws, when an emergency has been declared, the undersigned is further authorized to “suspend provisions of existing regulations prescribing procedures for conduct of state business if strict compliance with the provisions thereof would in any way prevent, hinder, or delay necessary action in coping with the emergency”; and

WHEREAS, in addition to the foregoing, section 25-1-440 of the South Carolina Code of Laws authorizes the undersigned, during a declared emergency, to “transfer the direction, personnel, or functions of state departments, agencies, and commissions, or units thereof, for purposes of facilitating or performing emergency services as necessary or desirable,” and to “compel performance by elected and appointed state, county, and municipal officials and employees of the emergency duties and functions assigned them in the State Emergency Plan or by Executive Order”; and

WHEREAS, in accordance with section 56-5-70(A) of the South Carolina Code of Laws, as amended, during a declared emergency and in the course of responding to the emergency, requirements relating to registration, permitting, length, width, weight, and load are suspended for commercial and utility vehicles traveling on non-interstate routes for up to one hundred twenty (120) days, provided that such vehicles do not exceed a gross weight of ninety thousand (90,000) pounds and do not exceed a width of twelve (12) feet, and requirements relating to time of service suspensions for commercial and utility vehicles traveling on interstate and non-interstate routes are suspended for up to thirty (30) days, unless extended for additional periods pursuant to the Federal Motor Carrier Safety Regulations; and

WHEREAS, the Federal Motor Carrier Safety Regulations limit, *inter alia*, the hours of service for operators of commercial vehicles, 49 C.F.R. §§ 390 *et seq.*; and

WHEREAS, pursuant to 49 C.F.R. § 390.23, the governor of a State may suspend federal hours of service regulations for commercial vehicles responding to an emergency if the governor determines that an emergency condition exists; and

WHEREAS, section 56-5-70(B) of the South Carolina Code of Laws further provides that “[w]hen an emergency is declared which triggers relief from regulations pursuant to 49 C.F.R. [§] 390.23 in North Carolina or Georgia, an emergency, as referenced in the regional emergency provision of 49 C.F.R. [§] 390.23(a)(1)(A), must be declared in this State by the Governor”; and

WHEREAS, recognizing that the maintenance and prompt restoration of utility services and the uninterrupted transportation of essential goods, equipment, and products to or from the impacted areas are critical to the safety and welfare of the people of South Carolina and neighboring States, the undersigned has determined that it is necessary and appropriate for the State of South Carolina to expedite ongoing preparations and support further emergency management, response, recovery, and relief efforts by providing additional regulatory flexibility to facilitate the operation of critical transportation services; and

WHEREAS, for the aforementioned and other reasons, and in recognition and furtherance of the undersigned’s responsibility to provide for and ensure the health, safety, security, and welfare of the people of the State of South Carolina, after conferring with the relevant state and federal agencies, officials, and experts, the undersigned has determined that the hazardous weather and dangerous conditions described herein and the anticipated impacts associated therewith constitute an actual or imminent emergency for portions of the State of South Carolina and that extraordinary measures are necessary to cope with the existing or anticipated situation.

NOW, THEREFORE, by virtue of the authority vested in me as Governor of the State of South Carolina and pursuant to the Constitution and Laws of this State and of these United States and the powers conferred upon me therein, I hereby declare that a State of Emergency exists in South Carolina. Accordingly, for the foregoing reasons and in accordance with the cited authorities and other applicable law, I further order and direct as follows:

Section 1. Emergency Measures to Address Winter Weather Event and Related Hazardous Conditions

A. I hereby activate the South Carolina Emergency Operations Plan (“Plan”), as approved by Executive Order No. 2023-11, and direct that the Plan be further placed into effect and that all prudent preparations be taken at the individual, local, and state levels to prepare for and respond to the hazardous weather and dangerous conditions described herein and the ongoing and anticipated impacts associated with the same. I further direct the utilization of all available resources of state government as reasonably necessary to address the current State of Emergency. In accordance with Section 1(E) of Executive Order No. 2023-11, “[a]ll departments or agencies of the State shall execute, without delay, the emergency functions so designated in the Plan, or as further ordered or otherwise directed by the undersigned, during any emergency or disaster through the initial use of existing department or agency appropriations and all necessary department or agency personnel, regardless of normal duty assignment.”

B. I hereby place specified units or personnel, or both, of the South Carolina National Guard on State Active Duty, pursuant to section 25-1-1840 of the South Carolina Code of Laws, as amended, and direct the Adjutant General to issue any supplemental orders he deems necessary and appropriate. I further order the activation of South Carolina National Guard personnel and the utilization of appropriate equipment, in the discretion of the Adjutant General and in coordination with the Director of the South Carolina Emergency Management Division (“EMD”), to take necessary and prudent actions to assist the people of this State. I authorize Dual Status Command, as necessary, to allow the Adjutant General or his designee to serve as commander over both federal (Title 10) and state forces (National Guard in Title 32 status or State Active Duty status, or both).

C. I hereby order that all licensing and registration requirements regarding private security personnel or companies contracting with South Carolina security companies in protecting property and restoring essential services in South Carolina shall be suspended, and I direct the South Carolina Law Enforcement Division (“SLED”) to initiate an emergency registration process for those personnel or companies for a period specified, and in a manner deemed appropriate, by the Chief of SLED.

D. I hereby authorize and direct any agency within the undersigned’s Cabinet or any other department within the Executive Branch, as defined by section 1-30-10 of the South Carolina Code of Laws, as amended, through its respective director or secretary, to waive or “suspend provisions of existing regulations prescribing

12 EXECUTIVE ORDERS

procedures for conduct of state business if strict compliance with the provisions thereof would in any way prevent, hinder, or delay necessary action in coping with the emergency,” in accordance with section 25-1-440 of the South Carolina Code of Laws and other applicable law.

E. I hereby authorize and direct state agencies and departments to utilize the emergency procurement procedures set forth in section 11-35-1570 of the South Carolina Code of Laws, as amended, and any regulations issued pursuant thereto, as necessary and appropriate, to facilitate and expedite the acquisition of any critical materials, resources, or services during the State of Emergency.

F. I hereby declare that the prohibitions against price gouging pursuant to section 39-5-145 of the South Carolina Code of Laws, as amended, are in effect and shall remain in effect for the duration of the State of Emergency.

G. I hereby waive the requirement of a written mutual aid agreement for law enforcement services authorized by the Law Enforcement Assistance and Support Act, codified as amended in Title 23, Chapter 20 of the South Carolina Code of Laws, during the State of Emergency in accordance with section 23-20-60 of the South Carolina Code of Laws, as amended.

H. I hereby order and direct that state agencies and departments, including state-supported colleges, universities, and technical colleges, in Richland County and Lexington County shall operate on an abbreviated schedule and close state government offices in said counties at noon on January 10, 2025, to ensure the safety of state employees and the general public. I further authorize and direct state agencies and departments, including state-supported colleges, universities, and technical colleges, in all other counties in the State to follow county government closure determinations, consistent with the normal state procedure associated with hazardous weather conditions, for purposes of closing state government offices in any such counties or operating the same on an abbreviated schedule. Emergency or other critical personnel designated and determined by, and in the sole discretion of, the corresponding Agency Head, or their designee, as essential or mission-critical to the State’s preparation for, response to, or recovery from emergency conditions, or otherwise necessary to serve the State of South Carolina or to ensure the continuity of critical operations of state government, may still be required to report to work. State agencies and departments shall utilize, to the maximum extent possible, telecommuting or work-from-home options for non-essential employees. Notwithstanding the foregoing, pursuant to section 25-1-440 of the South Carolina Code of Laws, as well as other applicable law, I hereby prohibit any county, municipality, or other political subdivision of the State of South Carolina from restricting access by essential state employees to any location or facility that is occupied or utilized, in whole or in part, by any state agency or department. Accordingly, I hereby direct that any such county, municipality, or other political subdivision of the State shall authorize, allow, and provide access to said locations or facilities by any state agency or department, and the officials and employees thereof, as deemed necessary and appropriate and in the manner prescribed by the state agency or department so as to ensure the uninterrupted performance and provision of emergency, essential, or otherwise mission-critical government functions and services during the State of Emergency.

Section 2. Transportation Waivers to Facilitate Emergency Management

A. I hereby determine and declare that the existing and anticipated threats and circumstances associated with the hazardous weather and dangerous conditions described herein and the potential impacts related to the same constitute an emergency pursuant to 49 C.F.R. § 390.23 for purposes of suspending certain rules and regulations, as set forth below, for commercial vehicles and operators of commercial vehicles in accordance with 49 C.F.R. § 390.23 and section 56-5-70 of the South Carolina Code of Laws.

B. I hereby authorize and direct the South Carolina Department of Transportation (“DOT”) and the South Carolina Department of Public Safety (“DPS”), including the State Transport Police, as needed, to waive or suspend application and enforcement of the requisite state and federal rules and regulations pertaining to hours of service for operators of commercial vehicles operating in accordance with the provisions of any

emergency declaration issued by the Federal Motor Carrier Safety Administration (“FMCSA”); responding or providing direct assistance, as defined by 49 C.F.R. § 390.5, to any emergency conditions in this State or any declared emergencies in the State of North Carolina or the State of Georgia or in other States in connection with the hazardous weather and dangerous conditions described herein or the anticipated impacts thereof; providing direct assistance to supplement state and local efforts and capabilities related to the same; or otherwise assisting with the existing or anticipated threats and circumstances associated with this event, to include commercial vehicles and operators of commercial vehicles transporting equipment, materials, or persons necessary for the restoration of utility services or debris removal and those transporting essential goods and products, such as food, water, medicine, medical supplies and equipment, fuels and petroleum products (to include fuel oil, diesel oil, gasoline, kerosene, propane, liquid petroleum, and other refined petroleum products and related equipment or assets), livestock, poultry, feed for livestock and poultry, and crops and other agricultural products ready to be harvested (to include timber and wood chips).

C. I hereby authorize DOT and DPS, as applicable, to apply for or request any additional federal regulatory relief, waivers, permits, or other appropriate flexibility deemed necessary, whether pertaining to the transportation of overweight loads on interstate highways or otherwise, on behalf of the State of South Carolina and to promptly implement the same without the need for further Orders.

D. This Section shall not be construed to require or allow an ill or fatigued driver to operate a commercial motor vehicle. In accordance with 49 C.F.R. § 390.23, “a driver who informs the motor carrier that he or she needs immediate rest must be permitted at least ten (10) consecutive hours off duty before the driver is required to return to such terminal or location.” Likewise, this Section shall not be construed as an exemption from the applicable controlled substances and alcohol use and testing requirements in 49 C.F.R. § 382, the commercial driver’s license requirements in 49 C.F.R. § 383, or the financial responsibility requirements in 49 C.F.R. § 387, and it shall not be interpreted to relieve compliance with any other state or federal statute, rule, order, regulation, restriction, or other legal requirement not specifically waived, suspended, or addressed herein or addressed in any additional or supplemental guidance, rules, regulations, restrictions, or clarifications issued, provided, or promulgated by DOT or DPS.

E. Subject to any guidance, rules, regulations, restrictions, or clarification issued, provided, or promulgated, or which may be issued, provided, or promulgated, by DOT or DPS, as authorized herein or as otherwise provided by law, and notwithstanding the waiver or suspension of certain rules and regulations as set forth above, drivers in South Carolina are still subject to the following state requirements to ensure public safety:

5. In accordance with federal law, vehicles traveling on non-interstate routes within the National Network may not exceed a width of 102 inches or 8.6 feet without a special permit. A special permit for width on the National Network is available on DOT’s OSOW website, and a list of routes on the National Network is set forth in Appendix A to 23 C.F.R. Part 658.

B. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this Order is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this Order, as the undersigned would have issued this Order, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

**DEPARTMENT OF LABOR, LICENSING AND REGULATION
OFFICE OF OCCUPATIONAL SAFETY AND HEALTH**

NOTICE OF GENERAL PUBLIC INTEREST

**NOTICE OF PUBLIC HEARING
OCCUPATIONAL SAFETY AND HEALTH STANDARDS**

South Carolina Department of Labor, Licensing, and Regulation (SCDLLR) does hereby give notice under Section 41-15-220, SC Code of Laws, 1976, as amended, that a public hearing will be held at 10:00 AM on March 6, 2025 at 121 Executive Center Drive, Suite 200, Columbia, SC 29210. Interested persons will be given the opportunity to appear and present their views on the occupational safety and health standards being considered for adoption.

The hearing is to determine if the Director of the SCDLLR will promulgate, revoke, or modify rules and regulations pursuant to Section 41-15-210, SC Code of Laws, 1976. The standards being revised and considered for adoption are Article 1, Subarticle 6, Section 1910.1200, Hazard Communication Standard and Subarticle 7, Section 1926.95 (c), Construction Personal Protective Equipment. OSHA is correcting several inadvertent errors in its Hazard Communication Standard (HCS) which were published in the Federal Register on May 20, 2024. The agency has identified several errors in the regulatory text and appendices to the HCS which pertain to the classification of hazardous chemicals and information presented on labels and Safety Data Sheets (SDSs). The agency believes these errors, although minor and primarily typographical in nature, should be addressed expeditiously to avoid confusion or unnecessary costs in the regulated community due to incorporation of errors on labels and SDSs. Additionally, OSHA is finalizing revisions to its personal protective equipment (PPE) standard for construction, at 29 CFR 1926.95 (c), to explicitly state that PPE must fit properly. This revision will align the language in the PPE standard for construction with the corresponding language in OSHA's PPE standards for general industry and shipyards and affirm OSHA's interpretation of its PPE standard for construction as requiring properly fitting PPE. Properly fitting PPE is a critical element of an effective occupational safety and health program. PPE must fit properly to provide appropriate protection to employees from workplace hazards. Improperly fitting PPE may fail to provide any protection to an employee, reduce the effectiveness of protection, present additional hazards, or discourage employees from using such equipment in the workplace.

Any omissions or corrections to the occupational safety and health standards being considered for adoption published in the FEDERAL REGISTER prior to this hearing may be presented at this hearing. These revisions

are necessary to comply with federal law and copies of them can be obtained or reviewed at the SCDLLR during normal business hours by contacting the OSHA office at 803-896-5811.

Persons desiring either to speak at the hearing or to have their views submitted on the record, if they cannot appear, must file with the Director of the SCDLLR either a notice of intention to appear or a summary of their views on the matter no later than February 24, 2025.

20 PROPOSED REGULATIONS

Statement of Need and Reasonableness:

The proposed changes and update to these regulations are based upon the need to provide greater efficiency within Clemson and to provide greater clarity to user groups and consumers.

DESCRIPTION OF REGULATION:

These regulations set forth all licensing, shipping, and potential quarantine requirements for beekeepers in South Carolina, including the necessity for inspectors to enter beekeeping properties, perform inspections, and quarantine for state and national honeybee pests of significance.

Purpose: To provide industry with a prescribed means of obtaining inspections and certifications of cleanliness so trade may occur without risk of spreading honeybee pests.

Legal Authority: 1976 Code Section 46-37-20.

Plan for Implementation: State beekeeping associations have been notified of these proposed changes. Communication with these associations will be ongoing throughout this process. Compliance assistance will be provided for the initial 6 months of implementation and will be enforced without assistance after the initial 6 months.

DETERMINATION OF NEED AND REASONABLENESS OF THE PROPOSED REGULATION BASED ON ALL FACTORS HEREIN AND EXPECTED BENEFITS:

These proposed regulations are in alignment with other neighboring states and seek to clean-up outdated language and provide clarity to understanding their requirements. They further add the requirement of licensing to sell bees which has long been requested by the industry to ensure freedom from the movement of honeybee pests.

DETERMINATION OF COSTS AND BENEFITS:

No anticipated costs for any changes.

UNCERTAINTIES OF ESTIMATES:

None.

EFFECT ON ENVIRONMENT AND PUBLIC HEALTH:

The proposed regulations will continue to provide and increase the viability of beekeeping in South Carolina.

DETRIMENTAL EFFECT ON THE ENVIRONMENT AND PUBLIC HEALTH IF THE REGULATION IS NOT IMPLEMENTED:

None.

Statement of Rationale:

Upon a thorough review of this chapter, changes to address errors in grammar and spelling, as well as providing clarity on uncertain statements need to be made. Requirements for licensing of those selling live honeybees will reduce the occurrences of honeybee disease movement through increased inspections. Overall, these changes will increase the accuracy and consistency of these honeybee regulations as they are carried out in South Carolina.

Pursuant to Act 418, which was initially established in 1998 as Title 59 of the 1976 code and amended by Act 162 during the 2005 legislative session, the Commission on Higher Education shall promulgate regulation and

establish procedures for administration of the LIFE Scholarship Program. The General Assembly established the LIFE Scholarship Program in order to increase the access to higher education, improve the employability of South Carolina's students so as to attract business to the State, provide incentives for students to be better prepared for college, and to encourage students to graduate from college on time.

With Act 115, which was established in 2007 as Title 59 of the 1976 code during the 2007 legislative session, the General Assembly established the LIFE Scholarship Enhancement in order to increase the number of students in the State majoring in mathematics and science and to increase the access to higher education, improve the employability of South Carolina's students so as to attract business to the State, provide incentives for students to be better prepared for college, and to encourage students to graduate from college on time. Students enrolled at two-year institutions are not eligible to receive a LIFE Scholarship Enhancement. In order to receive a LIFE Scholarship Enhancement, all students must qualify for the LIFE Scholarship as stipulated herein. With Act 156, passed in 2024, the Enhancements were expanded to include students majoring in education programs leading to certification and accounting.

Independent and public institutions of higher learning in this, or any other state in the U.S., outside the U.S. or abroad, are prohibited from using the Legislative Incentive for Future Excellence or "LIFE" Scholarship in programs that promote financial aid incentives or packages. Any mention of the Legislative Incentive for Future Excellence or "LIFE" Scholarship in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the Legislative Incentive for Future Excellence or "LIFE" Scholarship as a separate financial aid award, provided to the student by the State of South Carolina.

All eligible independent and public institutions that participate in the program must verify the lawful presence of any student who receives a LIFE Scholarship and LIFE Scholarship Enhancement prior to awarding the Scholarship to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

For example, a student who earns a 2.99 GPA is not eligible. Institutions shall use the final GPA as reported on the official transcript. The final official high school transcript must be dated in accordance with the Commission established date(s). If a South Carolina resident student is graduating from an out of state high school, it is the responsibility of the out of state student’s school counselor to convert the student’s final high school GPA and class ranking to an eligible final high school GPA based on the South Carolina Uniform Grading Policy. The converted final high school GPA and class ranking (if applicable) must be provided to the eligible

30 EMERGENCY REGULATIONS

South Carolina Institution before a student can be awarded.

(b) Score at least an 1100 on the Scholastic Assessment Test (SAT) or an equivalent ACT score as determined by the Commission of 22. Test scores will be accepted through the CHE determined national test administration of the SAT and ACT during the year of high school graduation. The student must use the highest SAT Math score combined with the highest SAT Evidenced-based Reading score. It is permissible to select scores from different test administrations in order to obtain the qualifying composite score. For purposes of meeting the ACT test score requirement, the student can use the highest English, Math, Reading and Science scores. It is permissible to select scores from different test administrations in order to obtain the qualifying composite score.

(c) Rank in the top thirty percent of the graduating class in a high school with an approved, official rank policy, consisting of high school diploma candidates only. The rank must also be based on the UGP only. Students cannot be removed from the class because they did not meet the eligibility criteria, are not residents of the State, do not meet citizenship requirements, plan to attend college out-of-state, etc. The class rank information must include all students who attended your high school that school year. Ranking percentages must be reported to two decimal places (minimum) and may not be rounded. For example, a student who has a class rank of 13 of 43 ($13/43 \times 100 = 30.23\%$) will not rank in the top thirty percent of the class since 30.23% is not within thirty percent. To determine the top thirty percent for graduating classes with three or less students, the student who is ranked number one in the class would be considered in the top thirty percent for LIFE Scholarship eligibility. Only one student may occupy each place in class rank. Institutions shall use the final ranking as reported by the high school on the official transcript, and on a submitted rank report provided by the high school the student graduated from. A ranking report must be attached to the official transcript regardless of the graduating high school. High schools or home school associations that do not rank as a policy; or high schools whose grading policy deviates from the current SC Uniform Grading Policy and that do not convert the graduating class to the current SC UGP to determine class rank, must use the GPA and SAT or ACT criteria when attempting to meet the academic requirements for the LIFE Scholarship. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships. The rank policy and rank policy information must be available to parents, students, colleges, and universities, and the Commission on Higher Education in publication form to include a school's website, student/parent handbook, and/or school profile. This language must include the ranking policy in place at the school/association. The ranking policy should be consistent in all places where the rank policy is published and is the same information disseminated to parents, students, colleges/universities, and the Commission. The SC UGP GPA and class rank (if school/association officially ranks as a policy) must be printed on an official final end of year high school transcript, which must also include a uniform date of calculation as determined by the Commission on Higher Education. The graduation date must also be printed on the final end of senior year high school transcript, and include no grades earned after the date of the graduating high school class for the graduation year.

(d) For the purposes of meeting the rank criterion, the existing high school rank of a South Carolina resident attending an out-of-state high school may be used provided it is calculated pursuant to a state-approved, standardized grading scale at the respective out-of-state high school. If the eligible South Carolina institution determines that a state-approved standardized grading scale substantially deviates from the South Carolina Uniform Grading Policy (SC UGP), the institution must submit the grading scale to CHE for further review. If CHE confirms the out-of-state grading scale substantially deviates from the SC UGP, the state-approved, standardized grading scale shall not be used to meet the eligibility requirements for the LIFE Scholarship. All members of the student's Senior class at the out of state high school must be ranked in accordance with the South Carolina Uniform Grading Policy in these cases. When converting scores to the SC UGP, weighting must adhere to the SC UGP (i.e. honors no more than .50 and AP/IB no more than 1.0). In addition, scores/grades must correspond to the SC UGP. For example, if a student earned a 90 in an honors class, the conversion of the score/grade must be equivalent to the points assigned according to the current SC UGP. The guidance counselor from the out-of-state preparatory school also has the option of converting the cumulative GPAs of all students in the applicant's class to the SC UGP to determine if the student ranks within the top thirty percent of the class.

To be considered equivalent to the SC UGP, the out-of-state school's grading scale must adhere to the following minimum requirements:

(1) Must include all courses carrying Carnegie units, including units earned at the middle school and high school level;

(2) To be equivalent to an "A" letter grade, the numerical average must be ≥ 90 ; to be equivalent to a "B" letter grade the numerical average must be between 80 and 89 ; to be equivalent to a "C" letter grade the numerical average must be between 70 and 79 ; to be equivalent to a "D" letter grade the numerical average must be between 60 and 69 ; and to be equivalent to a "F" letter grade the numerical average must be between 50 and 59 (if a course with a numerical average of < 62 is considered passing by the high school the student earned the grade, then a 73 numerical average should be given);

(3) Cannot add more than one half (.50) additional quality point for honors courses; cannot add more than one additional quality point for dual enrollment (DE) courses, Advanced Placement (AP) courses, and standard level International Baccalaureate (IB) courses; and, cannot add more than two additional quality points for higher level IB courses;

(4) Must classify all other courses as College Preparatory if they are not already classified as honors, DE, AP or IB. For a class to be classified as honors, the course must be in English, mathematics, science or social studies or be the third/fourth level for all other content areas; and,

(5) If no numerical average is available, all letter grades must be converted to the equivalent numerical average based on the following: all "A" letter grades must be converted to a 95 numerical average, all "B" letter grades must be converted to a 85 numerical average, all "C" letter grades must be converted to a 75 numerical average, all "D" letter grades must be converted to a 65 numerical average, and all "F" numerical averages must be converted a 50 numerical average.

4. Earn a cumulative 3.0 grade point average (GPA) on the Uniform Grading Policy upon high school graduation and score at least an 1100 on the Scholastic Assessment Test (SAT I) or an equivalent ACT score of 22 as determined by the Commission if a first-time entering freshman graduates from a non-ranking South Carolina high school, non-ranking South Carolina approved home school association or out-of-state preparatory high school and attends an eligible four-year institution;

5. Earn a cumulative 3.0 grade point average (GPA) upon high school graduation on the Uniform Grading Policy if a first-time entering freshman at an eligible two-year or technical institution. No other grading policy will be allowed to qualify for the LIFE Scholarship. Grade point ratios must be reported to two decimal places (minimum) and may not be rounded. For example, a student who earns a 2.99 GPA is not eligible. Institutions shall use the final GPA as reported by the high school on the official transcript;

6. Be admitted, enrolled full-time, and classified as a degree-seeking student at a public or independent institution in South Carolina;

7. Certify that he/she has never been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to any felonies or any second or subsequent alcohol/drug related offenses under the laws of this or any other state or under the laws of the United States in order to be eligible for a LIFE Scholarship, except that a high school or college student otherwise qualified who has been adjudicated delinquent or has been convicted or pled guilty or *nolo contendere* to a second or subsequent alcohol or drug-related misdemeanor offense nevertheless shall be eligible or continue to be eligible for such scholarships after the expiration of one academic year from the date of the adjudication, conviction, or plea by submitting an affidavit each academic year to the institution. However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* to a second alcohol/drug related misdemeanor offense is ineligible for the next academic year of enrollment at an eligible institution after the date of the adjudication, conviction or plea. If the adjudication,

32 EMERGENCY REGULATIONS

conviction, or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will be eligible to receive the Scholarship the remainder of the academic year. However, the student will be ineligible for the Scholarship the following entire academic year of enrollment. If a student completes a pretrial intervention program and has his/her record expunged the conviction will not affect Scholarship eligibility; and

8. Certify that he/she has not defaulted and does not owe a refund or repayment on any federal or state financial aid. If a student has an Institutional Student Information Record (ISIR) or its equivalent on file, the ISIR information will be used to verify default status or refund/repayment owed on any Federal or State financial aid. Students who have not completed a Free Application for Federal Student Aid (FAFSA) must have an affidavit on file to verify that he/she is not in default and does not owe a refund or repayment on any Federal or State financial aid including, state grants/scholarships, Federal Pell Grant, Supplemental Educational Opportunity Grant, Perkins Loan and Federal Stafford Loan.

B. Any credit hours attempted or earned before high school graduation, hours exempted by examination, International Baccalaureate (IB) or Advanced Placement (AP) credit hours do not count against the terms of eligibility as provided in State Statute, Section 59-149-60. The credit hours earned before high school graduation can be used toward the credit hour requirement. Credit hours earned through CLEP, IB or AP will be used toward the credit hour requirement.

C. Service members of the United States Armed Forces will not be penalized for any credit hours earned while on active duty. The credit hours earned on active duty will not count against the terms of eligibility, but will be used towards the annual credit hour requirement.

D. First-time entering freshmen will not be penalized for any credit hours earned during the summer session immediately prior to the student's initial college enrollment. The credit hours earned will not count against the terms of eligibility. The credit hours may be used toward the annual credit hour requirement.

E. Students who complete their high school graduation requirements prior to the official graduation date reported on the final high school transcript may be eligible to receive the LIFE Scholarship dependent on the approval of the eligible institution. The student must complete and submit an Early Graduation Application, an official high school transcript, an official letter from the high school principal verifying that he/she has met all graduation requirements, and SAT/ACT scores (if attending a four-year institution) by the established deadline. Early graduates cannot use class rank in order to qualify for the LIFE Scholarship at four-year institutions. Early graduates who enroll mid-year (spring term) and are awarded the LIFE Scholarship through the Early Graduation process will officially begin their initial college enrollment. In order to receive the LIFE Scholarship the next academic year, the student must earn a minimum of fifteen credit hours and a 3.0 "LIFE GPA" at the end of the academic year. The student will be eligible to receive the maximum number of terms of eligibility based on initial college enrollment. If a student does not submit an early graduation application for the spring term and has not officially graduated, the student should not have received the LIFE Scholarship and that term will not count against his/her terms of Scholarship eligibility.

F. First-time entering freshmen who enroll mid-year (spring semester) are eligible for the LIFE Scholarship if they qualified upon high school graduation.

G. LIFE Scholarship funds may not be applied to the cost of continuing education, remedial/developmental or non-degree credit courses for an associate's degree or higher. Twelve credit hours of the courseload must be non-remedial/developmental, non-continuing education or degree-credit courses for an associate's degree or higher in order to receive LIFE Scholarship funds. Continuing education, non-degree credit for an associate's degree or higher and remedial/developmental courses will not be included in the "LIFE GPA" or credit hour calculations.

H. Non-degree credit hours shall be used to meet the full-time eligibility criteria for a diploma or certificate program only. Students must sign an affidavit certifying that they understand that non-degree credit hours will not be used in calculating the “LIFE GPA” or credit hour requirements if they are enrolled in an Associate’s degree or higher.

I. Credit hours earned during the student’s first two term(s) of remedial/developmental enrollment will not be used to determine remaining Scholarship eligibility at the completion of remediation unless the student has completed at least twelve credit hours of non-remedial/developmental coursework each term of enrollment. First-time entering freshmen attending an eligible two-year institution or technical college who enroll in fewer than twelve credit hours of non-remedial/developmental, including at least three hours of remedial/developmental courses during the first term(s) will not be eligible for Scholarship funds during this period. The student’s initial college enrollment will begin after a maximum of two terms of remediation at an eligible two-year or technical college only. The student will be eligible for the Scholarship for the term following Spring or Fall term immediately after the completion of remediation if the student was eligible to receive the LIFE Scholarship upon high school graduation. A student is allowed a maximum of two terms of remediation, which must be within the first two terms of attendance at an eligible institution, before his/her terms of eligibility start. If the student requires more than one academic year of remedial/developmental coursework, then he/she will not be eligible for the LIFE Scholarship the term after completion of remediation. If the student was not eligible for the Scholarship upon high school graduation, the student must meet the conditions set forth in Section J below in order to gain the LIFE Scholarship.

J. Students who do not meet the scholarship eligibility requirements upon high school graduation and enroll in remedial/developmental courses during a maximum of two terms at an eligible two-year institution or technical college, and who enroll in fewer than twelve credit hours of non-remedial/developmental courses, must meet the scholarship eligibility requirements (earn a 3.0 “LIFE GPA” and earn an average of thirty credit hours for the academic year) at the end of the first year of enrollment in non-remedial/developmental courses to be eligible to receive the scholarship for the second year of enrollment in non-remedial/developmental courses. Credit hours earned during the student’s first two term(s) of remedial/developmental enrollment will not be used to determine remaining Scholarship eligibility at the completion of remediation unless the student has completed at least twelve credit hours of non-remedial/developmental coursework each term of enrollment.

K. Students receiving a LIFE Scholarship are not eligible to receive a Palmetto Fellows Scholarship, SC HOPE Scholarship or Lottery Tuition Assistance in the same academic year.

L. Students who have already been awarded their first bachelor’s degree or graduate degree are not eligible to receive the LIFE Scholarship. In cases where students are enrolled in a program of study that is structured so as not to require a bachelor’s degree for acceptance into the program and leads to a graduate degree, which will be the students’ first academic degree awarded, the students must maintain their undergraduate status in order to receive a LIFE Scholarship and a LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master’s of Science in Physician Assistant Studies Program at the Medical University of South Carolina, the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Doctor of Pharmacy Program at the Medical University of South Carolina.

M. All documents required for determining LIFE Scholarship eligibility must be submitted to the institution by their established deadline(s). Students must submit official transcripts from all previous and current institutions, which provide evidence to calculate the “LIFE GPA,” determine initial college enrollment and earned annual credit hour requirement. Students that complete coursework at another institution at any time during the academic year (fall, spring, summer) must submit an official transcript to the home institution at the end of the academic year to determine eligibility for the LIFE Scholarship.

N. First-time entering freshmen who attended out-of-state preparatory high schools or graduated from a South Carolina high school prior to the full implementation of the South Carolina Uniform Grading Policy must have

34 EMERGENCY REGULATIONS

their high school transcript converted to the UGP in order to qualify for the LIFE Scholarship. It is the responsibility of the out-of-state preparatory high school or South Carolina high school to convert the student's GPA to the Uniform Grading Policy.

O. To be eligible for a LIFE Scholarship Enhancement each academic year, the student must:

1. Meet all of the eligibility requirements at the end of each academic year to receive a LIFE Scholarship as stipulated by state law and regulation and be a recipient of LIFE Scholarship funds at the time of LIFE Scholarship Enhancement disbursement. The student must receive the underlying LIFE Scholarship;

2. Be enrolled as a full-time, degree-seeking student in a declared major of education, science or mathematics, in an eligible program that is approved and assigned a CIP code by the Commission on Higher Education at the time of disbursement of LIFE Scholarship Enhancement funds. Eligible programs include degrees awarded in education, math and science fields, computer science or informational technology, engineering, accounting, ~~science education, math education~~ and healthcare and related disciplines including medicine and dentistry. The student must meet all requirements for satisfactory academic progress towards completion of the declared major as established by the policies of both the institution and the academic department in which the student is enrolled;

3. Be enrolled at an eligible four-year public or independent institution located in South Carolina;

4. ~~Beginning with the Fall 2007 freshman class and thereafter,~~ All students not majoring in education-related disciplines must have successfully completed a total of at least fourteen credit hours of instruction in mathematics and life and physical science courses, in any combination, by the end of the student's first year of enrollment in college (based on initial date of college enrollment). For purposes of meeting the required minimum level of instruction in accounting, mathematics, and life and physical science courses during a student's first year, Exempted Credit Hours placed on the student's official college transcript by the institution at which they were earned, College Level Examination Program (CLEP), Dual Enrollment, Pass/Fail courses with a grade of "Pass" (only), Satisfactory/Unsatisfactory courses with a grade of "Satisfactory" (only), International Baccalaureate (IB) courses and Advanced Placement (AP) courses in mathematics and life and physical sciences taken in high school in which the student scored a three or more on the advanced placement test and received college credit may count toward the fulfillment of this minimum requirement. The Commission will issue a list of eligible courses by CIP code for determining eligible coursework to meet the fourteen credit hour requirement. Remedial/developmental, continuing education, non-degree credit coursework and credit hours earned for courses taken after the end of the student's first year of college enrollment cannot be used to meet the specified minimum fourteen credit hour course level requirement to gain eligibility to receive the LIFE Scholarship Enhancement;

5. Meet the continued eligibility requirements for the LIFE Scholarship of a minimum 3.0 LIFE GPA and a minimum average of 30 credit hours by the end of each academic year;

6. Be in the second, third or fourth year of full-time enrollment (based on initial date of college enrollment after high school graduation) at an eligible four-year public or independent institution in South Carolina. Students enrolled full-time in an eligible, approved five-year degree program may also be eligible to receive a LIFE Scholarship Enhancement in their fifth year of college enrollment (based on initial date of college enrollment); and

7. Students who initially enroll in college mid-year (i.e., spring term) as a freshman and meet the requirements under Section 62-1200.10 may be eligible to receive a LIFE Scholarship Enhancement at the beginning of the spring term of the next academic year (i.e., beginning with the third consecutive term of full-time enrollment based on initial date of college enrollment). The student must earn a minimum average of 15 credit hours and a 3.0 LIFE GPA to be awarded a LIFE Scholarship the following academic year and a minimum average of 30 credit hours by the end of the first academic year (i.e., by the end of the fall term or

second consecutive term of full-time enrollment based on initial date of college enrollment) of enrollment to receive a LIFE Scholarship Enhancement beginning the spring term of the second, third and/or fourth year of college enrollment.

8. For the 2024-25 academic year, a resident student who is at least a sophomore attending a four-year public or independent institution of higher learning in this State, who is majoring in science, mathematics, accounting, or an education program that leads to certification as defined by the Commission on Higher Education, and who is receiving a LIFE Scholarship for the current year, shall receive an additional LIFE Scholarship stipend equal to the cost of attendance after applying all other scholarships or grants, not to exceed two thousand five hundred dollars each year for no more than three additional years of instruction, including his sophomore year, if enrolled in a four-year degree program, or for not more than four additional years of instruction, including his sophomore year, if enrolled in an approved five-year degree program or a 3 plus 2 program. To receive the additional LIFE Scholarship stipend each year, the student must receive the underlying LIFE Scholarship for that year and must be making acceptable progress each year toward receiving a degree in his education major.

9. All education majors receiving the enhancement/stipend based on their status as an education major must enter into a contractual agreement, including a default provision, that stipulates that the stipend recipient shall upon graduation work in a South Carolina public school for at least one school year for every year the stipend is received.

P. The LIFE Scholarship and LIFE Scholarship Enhancement are to be annual awards. Half of the Scholarship and Enhancement funds are to be disbursed in the fall and half are to be disbursed in the spring. In the cases where students who initially enroll in college mid-year (i.e., spring term) as a freshman and meet the requirements under Sections 62-1200.10 (O) and 62-1200.15 (C), such student shall be awarded the LIFE Scholarship Enhancement one year after initial college enrollment (i.e., spring term). Students who change their major from an ineligible degree program to an eligible degree program during the same academic year shall not receive the LIFE Scholarship Enhancement until the beginning of the next academic year (i.e., fall term). Students who change their major from an eligible degree program to an ineligible degree program during the same academic year may continue to receive the LIFE Scholarship Enhancement during the current academic year; however, the student cannot be awarded the LIFE Scholarship Enhancement the next academic year of enrollment in an ineligible degree program. During the student's final term of attendance, not to exceed the eighth term of enrollment based on initial college enrollment, the institution may prorate the LIFE Scholarship and the LIFE Scholarship Enhancement award amount, for the number of credit hours attempted for the current term of attendance, which must be the term of graduation for the student. Proration will be based on 12 credit hours.

Q. The Commission on Higher Education shall annually communicate with high school guidance counselors regarding the list of qualifying majors in this section.

62-1200.15. Continued Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement.

A. Students must meet the following criteria to renew eligibility for the LIFE Scholarship:

36 EMERGENCY REGULATIONS

Students who meet the continued eligibility requirements by the end of the spring term and who enroll in Maymester or summer term will not be eligible to receive the LIFE Scholarship if their cumulative grade point average falls below the minimum 3.0 "LIFE GPA" requirement by the end of the summer term.

C. Students who are LIFE eligible upon high school graduation and initially enroll in college mid-year (spring term) may be eligible to receive the LIFE Scholarship the next academic year, if the student earns a minimum of fifteen (15) credit hours and a 3.0 "LIFE GPA" at the end of the academic year. For subsequent years, the student must meet the annual credit hour requirement and 3.0 LIFE GPA for renewal:

(a) earn a minimum of 45 (or the equivalent) credit hours if entering the fourth semester based on initial college enrollment; or

(b) earn a minimum of 75 (or the equivalent) credit hours if entering the sixth semester based on initial college enrollment; or

Students who fail to meet the initial academic eligibility criteria to receive the LIFE Scholarship upon high school graduation, and who initially enroll in college mid-year (spring term) may be eligible to receive the LIFE Scholarship beginning in their second Fall term of college attendance at an eligible institution, if the student earns a minimum of forty-five (45) credit hours and a 3.0 "LIFE GPA" by the end of the prior academic year. The student may be eligible to receive the maximum number of terms of eligibility based on initial college enrollment.

D. Students must meet the following criteria to renew eligibility for the LIFE Scholarship Enhancement:

1. Continue to meet all eligibility requirements as stated in the "Student Eligibility: LIFE Scholarship and the LIFE Scholarship Enhancement" Section;

3. Be enrolled full-time at an eligible four-year public or independent institution as a declared major in an eligible education, science or mathematics program as stipulated under Section 62-1200.10.

E. Students who meet the continued eligibility requirements by the end of the spring term and who enroll in Maymester or summer term will not be eligible to receive the LIFE Scholarship Enhancement if their cumulative grade point average falls below the minimum 3.0 "LIFE GPA" requirement by the end of the summer term resulting in ineligibility for a LIFE Scholarship. Students who do not meet the continued eligibility requirements to receive the LIFE Scholarship cannot receive a Scholarship or LIFE Scholarship Enhancement for the following academic year.

F. The student may be eligible to receive the maximum number of terms of eligibility (i.e., six consecutive terms) for a LIFE Scholarship Enhancement starting the second year of college enrollment (based on initial date of college enrollment after high school graduation).

G. At the end of the spring term each academic year, the institution must notify all LIFE Scholarship recipients who have not met continued eligibility requirements for the next academic year. The notification should include information regarding the student’s ability to attend summer school in order to meet the continued eligibility requirements.

62-1200.20. Terms of Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement.

A. The maximum number of terms of eligibility is based on the student’s initial college enrollment with the exception of the summer term immediately prior to the student’s initial college enrollment and up to one academic year of full-time enrollment in remedial/developmental coursework.

B. Students may receive a LIFE Scholarship for a maximum of two terms for a one-year educational program, four terms for an associate’s degree program or at least a two-year program that is acceptable for full credit towards a bachelor’s degree, six terms towards an approved associate’s degree program that requires a minimum of 68 credit hours, eight terms (or its equivalent) towards the first bachelor’s degree or program of study that is structured so as not to require a bachelor’s degree for acceptance into the program and leads to a graduate degree program or ten consecutive terms towards an approved five-year bachelor’s degree program. (See chart in “C” below.) In cases where students are enrolled in a program of study that is structured so as not to require a bachelor’s degree for acceptance into the program and leads to a graduate degree, which will be the students’ first academic degree awarded, such students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master’s of Science in Physician Assistant Studies Program at the Medical University of South Carolina, the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Doctor of Pharmacy Program at the Medical University of South Carolina. Students who have already been awarded their first bachelor’s degree or graduate degree are not eligible to be awarded a LIFE Scholarship or a LIFE Scholarship Enhancement. Students are eligible to receive the LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent), as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education.

C. If a student pursues the following program, the terms of eligibility for the LIFE Scholarship will be based upon the student’s initial college enrollment:

Degree/Program	Average Credit Hours Earned at the End of Each Academic Year					
	Maximum Terms of Eligibility	1st Year = 30 credit hours	2nd Year = 60 credit hours	3rd Year = 90 credit hours	4th Year = 120 credit hours	Fifth Year = 150 credit hours
	Terms of Remaining Eligibility at the End of Each Academic Year					
One-year Certificate/Diploma	2	0	0	0	0	0
Associate/Two-year Program	4	2	0	0	0	0
Approved Associate’s Degree Program that requires a minimum of 68 credit hours	6	4	2	0	0	0

38 EMERGENCY REGULATIONS

Bachelor/First Professional	8	6	4	2	0	0
Approved Five-year Bachelor	10	8	6	4	2	0

D. The maximum number of terms of eligibility for a LIFE Scholarship Enhancement is based on the student's continued eligibility for a LIFE Scholarship and beginning with the student's second year of college enrollment (based on initial date of college enrollment), with the exception of the summer term immediately prior to the student's initial college enrollment and up to one academic year of full-time enrollment in remedial/developmental coursework. A student may receive a LIFE Scholarship for a maximum of two terms towards a one-year certificate/diploma, four terms for a two-year associate's degree at an eligible two year institution, six terms towards an approved associate's degree program that requires a minimum of 68 credit hours, and eight terms towards a bachelor's degree at an eligible institution. The terms of eligibility that may be used towards a certificate, diploma or associate's degree at a two-year institution must be taken within the first two years of college, based on initial college enrollment. The terms of eligibility that may be used towards an approved associate's degree program that requires a minimum of 68 credit hours at a two year institution must be taken within the first three years of college, based on initial college enrollment.

E. Students may receive a LIFE Scholarship Enhancement for a maximum of six consecutive terms (i.e., three academic years) for a first bachelor's degree in an eligible program or an eligible program of study (i.e. that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree program, and eight consecutive terms (i.e., four academic years) towards an approved five-year bachelor's degree program and six consecutive terms towards a 3 plus 2 program. Students must be enrolled in an eligible four-year public or independent institution in South Carolina as a declared major in an eligible education, science or mathematics major or an eligible program that is approved and assigned a CIP code by the Commission on Higher Education. In cases where students are enrolled in a program of study that is structured so as not to require a bachelor's degree for acceptance into the program and leads to a graduate degree, which will be the students' first academic degree awarded, students must maintain their undergraduate status to be awarded the LIFE Scholarship and the LIFE Scholarship Enhancement, with the exception of students declaring a major in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master's of Science in Physician Assistant Studies Program at the Medical University of South Carolina, the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Doctor of Pharmacy Program at the Medical University of South Carolina.. Students who have already been awarded their first bachelor's degree or graduate degree are not eligible to be awarded a LIFE Scholarship or a LIFE Scholarship Enhancement. Students are eligible to receive a LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent) towards an undergraduate degree, as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education. Students enrolled in an approved five-year degree program may be eligible to receive a LIFE Scholarship for a fifth year of full-time, undergraduate work and a LIFE Scholarship Enhancement for a fourth year of full-time undergraduate coursework.

62-1200.25. Regaining or Earning Eligibility: LIFE Scholarship and LIFE Scholarship Enhancement.

A. Students who were U.S. Citizens or legal permanent residents, and South Carolina residents at the time of high school graduation and college enrollment, but were not initially eligible upon high school graduation or failed to meet the continued eligibility requirements can earn or regain eligibility for the LIFE Scholarship if they:

1. Meet all eligibility requirements as stated in the "Student Eligibility" Section;
2. Earn at least a 3.0 "LIFE GPA" by the end of the academic year;
3. Meet the annual credit hour requirement by the end of the academic year based on Initial college enrollment:

- (a) earn a minimum of 30 (or the equivalent) credit hours if entering the second year; or

Eligible students may use the appropriated portion of LIFE Scholarship and LIFE Scholarship Enhancement funds for internships, cooperative work programs, travel study programs or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as full-time transfer credit. LIFE Scholarship and LIFE Scholarship Enhancement funds must be paid directly to the student’s account at the home institution and cannot exceed the cost-of-attendance at the home institution or the cost-of-attendance at the host institution, whichever is less. The Commission on Higher Education will not transfer LIFE Scholarship or LIFE Scholarship Enhancement funds directly to the institution where the student will participate in internships, cooperative work programs, travel study programs or National or International Student Exchange Programs. The institution is responsible for LIFE Scholarship and LIFE Scholarship Enhancement funds according to the “Policies and Procedures for Awarding” Section.

C. Additionally, the term(s) that the service member is mobilized will not count against the maximum terms of eligibility. The service member shall be allowed to receive the unused terms for the LIFE Scholarship and LIFE Scholarship Enhancement while mobilized during the succeeding summer or at the end of the maximum terms of eligibility based on initial college enrollment (provided the service member meets continued eligibility requirements). The service member must re-enroll in an eligible institution within twelve months upon their demobilization and provide official documentation to verify military deployment to the institutional Financial Aid Office upon re-enrollment to receive LIFE Scholarship and LIFE Scholarship Enhancement. Reinstatement of the LIFE Scholarship and the LIFE Scholarship Enhancement will be based upon the service member’s eligibility at the time he/she was mobilized. If the student re-enrolls after the twelve month period, the service member must submit an Appeal Application to the Commission on Higher Education by the established deadline in order to be considered for reinstatement.

B. Service members who are enrolled in college and are mobilized for an entire academic year may renew the LIFE Scholarship and the LIFE Scholarship Enhancement for the next academic year, if they met the eligibility requirements at the end of the prior academic year. The service member must meet all eligibility requirements as specified in the “Student Eligibility” and “Continued Eligibility” Sections for the LIFE Scholarship and LIFE Scholarship Enhancement, except for the completion of the thirty credit hour requirement for the academic year.

44 EMERGENCY REGULATIONS

F. Service members of the United States Armed Forces will not be penalized for any credit hours earned while on military mobilization. A. In the event a student who has been awarded a LIFE Scholarship and LIFE Scholarship Enhancement withdraws, is suspended from the institution, or drops below full-time enrollment status during any term of the academic year, institutions must reimburse the LIFE Scholarship Program for the amount of the LIFE Scholarship and LIFE Scholarship Enhancement for the term in question pursuant to the refund policies of the institution. Collection is the responsibility of the institution.

C. The Commission on Higher Education will allow a student to submit only one appeal each academic year based on an extenuating circumstance.

D. A completed appeal’s application must be filed with the Commission on Higher Education by the established deadline of the academic year the scholarship is requested. The student must provide a completed application for appeal, a letter requesting an appeal describing the extenuating circumstance, official transcripts from all prior institutions, and any other supporting documentation to substantiate the basis for the appeal. It is the responsibility of the student to ensure that all documents necessary to file an appeal are received at the Commission by the established deadline. Commission staff will not contact the student regarding missing or incomplete appeals documentation. Failure to submit a completed appeal’s application by the required deadline(s) will result in forfeiture of the scholarship.

E. The LIFE Scholarship shall be suspended during the appeal period, but will be awarded retroactively if the appeal is granted.

F. Appeal Guidelines apply only to the LIFE Scholarship, not the LIFE Scholarship Enhancement. Students cannot appeal solely on the basis of a loss of a LIFE Scholarship Enhancement. However, students who appeal and are awarded the LIFE Scholarship under this section may be eligible to receive the LIFE Scholarship Enhancement.

G. The Appeals Committee’s decision is final.

62-1200.60. Institutional Policies and Procedures for Awarding: LIFE Scholarship and LIFE Scholarship Enhancement.

A. All eligible institutions are responsible for ensuring that each student has met the criteria based on state law and regulation to determine eligibility for the LIFE Scholarship and the LIFE Scholarship Enhancement as stipulated in Section 62-1200.10 and Section 62-1200.15.

B. Each institution is responsible for reviewing all students based on the “LIFE GPA” calculation below to determine eligibility for the LIFE Scholarship. Institutions must use official transcripts from all eligible institutions for each student and the steps in Section E below.

C. The institution must use grades earned at all eligible institutions during any term (fall, spring, and/or summer) for calculating a “LIFE GPA” at the end of the academic year.

D. The student must certify by submitting a signed affidavit that he/she is responsible for submitting transcripts from all previous and current eligible institutions. Students who complete coursework at another institution at anytime during the academic year (fall, spring, summer) must submit an official transcript to the home institution at the end of the academic year to determine eligibility for the LIFE Scholarship.

E. Steps for calculating a “LIFE GPA:”

1. Convert all grades earned at an eligible institution to a 4.0 scale based on each institution’s grading policy where the grades were earned = Grade Points

2. Multiply the grade points by attempted credit hours = Quality Points (QP)

3. Divide the total quality points by the total number of attempted credit hours = LIFE GPA

4. “LIFE GPA” Formula: $(\text{Grade Points} \times \text{Attempted Credited Hours} = \text{QP}) = \text{LIFE GPA}$

Total Attempted Credit Hours

F. The “LIFE GPA” must include all grades earned at eligible institutions, including courses that do not transfer based on the institution’s policy and college courses taken while in high school.

G. The “LIFE GPA” must not include attempted credit hours earned for continuing education courses, non-degree credit courses for an associate’s degree or higher and remedial/developmental courses.

H. The student must meet the annual credit hour requirement at the end of the academic year based on initial college enrollment as defined in the “Continued Eligibility,” “Regaining or Earning Eligibility” or “Transfer Students” Sections.

I. LIFE Scholarship awards are to be used only for payment toward the cost-of-attendance as established by Title IV Regulations. Eligible four-year public and independent institutions shall identify award amounts up to the cost-of-tuition for thirty credit hours, not to exceed four thousand seven hundred dollars, plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. Eligible two-year public or technical institutions shall identify award amounts, which cannot exceed the cost-of-tuition for thirty credit hours plus a three hundred dollar book allowance (maximum \$5,000 including cost-of-tuition plus book allowance) per academic year. Half shall be awarded during the fall term and half during the spring term (or its equivalent), assuming continued eligibility. The LIFE Scholarship in combination with all other gift aid, including Federal, State, private and institutional funds, shall not exceed the cost-of-attendance as defined in Title IV regulations for any academic year.

46 EMERGENCY REGULATIONS

J. The LIFE Scholarship Enhancement is an annual award. Half of the funds are to be disbursed in the fall term and half to be disbursed in the spring term. L. In determining the amount awarded for the LIFE Scholarship Enhancement, all other sources of gift aid, including federal, State, private and institutional funds and the base LIFE Scholarship must be applied to the unmet total cost of attendance in accord with Title IV Regulations before calculating the LIFE Scholarship Enhancement amount and receiving the funds. Adjustments to the financial aid package will be made to the LIFE Scholarship Enhancement in accordance with prescribed Title IV Regulations in order to prevent an over award.

M. Students who have already been awarded a first bachelor's degree or graduate degree are not eligible to receive a LIFE Scholarship or a LIFE Scholarship Enhancement. Students enrolled in a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree as defined in the "Program Definitions" Section must maintain their undergraduate status in order to receive a LIFE Scholarship and a LIFE Scholarship Enhancement each academic term, with the exception of students majoring in the Doctor of Pharmacy Program at South University, the Doctor of Pharmacy Program at Presbyterian College, the Master's of Science in Physician Assistant Studies Program at the Medical University of South Carolina, the Doctor of Pharmacy Program at the University of South Carolina-Columbia and the Doctor of Pharmacy Program at the Medical University of South Carolina.

C. The LIFE Scholarship and the LIFE Scholarship Enhancement may not be applied to a second bachelor's degree or a graduate degree program as defined in the "Program Definitions" Section. In the event of early graduation, the LIFE Scholarship and LIFE Scholarship Enhancement awards are discontinued. Students are eligible to receive the LIFE Scholarship for a maximum of eight consecutive terms (or its equivalent) and a LIFE Scholarship Enhancement for a maximum of six consecutive terms (or its equivalent) towards an undergraduate degree, as long as all other eligibility requirements are met and the program is approved by the Commission on Higher Education. B. All Students not majoring in education-related disciplines must successfully complete at least fourteen credit hours of instruction in mathematics or life and physical science, accounting, or a combination of these ~~both~~ at the end of the first year ~~for the 2007 freshman class and thereafter~~ of enrollment in college (based on initial date of college enrollment). For the purpose of meeting the fourteen credit hour requirement at the end of the student's first year, exempted credit hours (AP, CLEP, IB, etc), credit hours earned while in high school (dual enrollment, credit hours earned during the summer session immediately prior to the student's date of initial college enrollment, Pass/Fail courses with a grade of "Pass" (only), International Baccalaureate (IB) courses and Advanced Placement (AP) courses in mathematics, ~~and~~ life and physical sciences and accounting, taken in high school in which the student scored a three or more on the advanced placement test and received college credit may be used. However, remedial coursework and continuing education coursework cannot be used to meet the fourteen credit hour requirement.

C. Students who initially enroll in college mid-year (i.e., spring term) as a first year student and meet the requirements under Section 62-318 may be eligible to receive a Palmetto Fellows Scholarship Enhancement at the beginning of the spring term of the next academic year (i.e., beginning with the third consecutive term of full-time enrollment based on initial date of college enrollment). A student who initially enrolls mid-year (i.e., spring term) must earn a minimum of 15 credit hours and a 3.0 cumulative institutional GPA to be awarded a Palmetto Fellows Scholarship the following academic year. A student must earn a 3.0 cumulative institutional GPA and a minimum of 30 credit hours each subsequent year of enrollment to receive a Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement.

D. For the 2024-25 academic year, a resident student who is at least a sophomore attending a four-year public or independent institution of higher learning in this State, who is majoring in science, mathematics, accounting, or an education program that leads to certification as defined by the Commission on Higher Education, and who is receiving a Palmetto Fellows Scholarship for the current year, shall receive an additional Palmetto Fellows Scholarship stipend equal to the cost of attendance after applying all other scholarships or grants, not to exceed two thousand five hundred dollars each year for no more than three additional years of instruction, including their sophomore year, if enrolled in a four-year degree program, or for not more than four additional years of instruction, including their sophomore year, if enrolled in an approved five-year degree program or a 3 plus 2 program. To receive the additional Palmetto Fellows Scholarship stipend each year, the student must receive the underlying Palmetto Fellows Scholarship for that year and must be making acceptable progress each year toward receiving a degree in their education major.

E. All education majors receiving the enhancement/stipend based on their status as an education major must enter into a contractual agreement, including a default provision, that stipulates that the stipend recipient shall

60 EMERGENCY REGULATIONS

upon graduation work in a South Carolina public school for at least one school year for every year the stipend is received.

F.D. Any student who attempts to obtain or obtains the Palmetto Fellows Scholarship Enhancement through means of a willfully false statement or failure to reveal any material fact, condition or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the Palmetto Fellows Scholarship Enhancement.

G. The Commission on Higher Education shall annually communicate with high school guidance counselors regarding the list of qualifying majors in this section.

62-320. Palmetto Fellows Scholarship Application.

A. The Commission on Higher Education will send information regarding the application process to all South Carolina high schools, home school associations and district superintendents. High schools and/or home school associations that do not receive information regarding the application process from the Commission on Higher Education by the beginning of each application process must contact the Commission for information. It is the sole responsibility of the high schools, home schools, home school associations, and district superintendents to contact CHE regarding the Palmetto Fellows Scholarship program including the application process. High school officials will identify students who meet the specified eligibility criteria by each established deadline. High school officials must submit applications (both electronic and paper documentation) no later than the established deadline(s) along with the appropriate signatures, official transcripts and test score verification to the Commission on Higher Education. High school officials must certify each eligible applicant's signature form. Students who are enrolled at out-of-state high schools are personally responsible for contacting the Commission on Higher Education about the application process and must adhere to the same established deadline(s).

B. The high schools and home school associations must submit a list to the Commission on Higher Education indicating the names of all students who meet the eligibility criteria at their high school. The list should indicate whether the student is submitting a completed application or declining the opportunity to apply. If the student declines the opportunity to apply, the high school will submit a form for each of these students, signed by both the student and the parent/guardian and indicating the reason(s) for not submitting an application. Students who decline to apply for the Scholarship forfeit any future eligibility under this Program.

C. Applications for early awards must be submitted to the Commission on Higher Education for the Palmetto Fellows Scholarship by the date established each academic year. Students must meet one of the following set of academic criteria in order to be eligible to apply for the early awards (students cannot use the early awards criteria to apply during the late awards):

1. Score at least 1200 on the SAT or 25 on the ACT through the test administration date as determined by CHE of the senior year; earn a minimum 3.50 cumulative GPA on the current South Carolina Uniform Grading Policy (UGP) at the end of the junior year; and rank in the top six percent of the class at the end of either the sophomore or the junior year; or

2. The alternate criteria of a score at least 1400 on the SAT or 31 on the ACT through the test administration date as determined by CHE of the senior year and earn a minimum 4.00 cumulative GPA on the UGP at the end of the junior year, without regard to class rank.

3. High schools or home school associations that do not rank as an official policy; or high schools whose grading policy deviates from the current South Carolina Uniform Grading Policy and do not convert the graduating class grades to the current South Carolina UGP to determine class rank, must use the alternate criteria of meeting the academic requirements for the Palmetto Fellow Scholarship.

4. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

D. Applications for late awards must be submitted to the Commission on Higher Education for the Palmetto Fellows Scholarship by the date established in June each academic year. Students must meet one of the following set of academic criteria in order to be eligible to apply for the late awards:

1. Score at least 1200 on the SAT or 25 on the ACT through the test administration date as determined by CHE of the senior year; earn a minimum 3.50 cumulative GPA on the UGP at the end of the senior year; and rank in the top six percent of the class at the end of the sophomore, junior or senior year; or

2. Score at least 1400 on the SAT or 31 on the ACT through the test administration date as determined by CHE of the senior year and earn a minimum 4.00 cumulative GPA on the UGP at the end of the senior year, without regard to class rank.

3. High schools or home school associations that do not rank as a policy; or high schools whose grading policy deviates from the current South Carolina Uniform Grading Policy and that do not convert the graduating class grades to the current South Carolina UGP to determine class rank, must use the alternate criteria of meeting the academic requirements for the Palmetto Fellow Scholarship.

4. High schools or home school associations shall not use ranking for the sole purpose of obtaining eligibility for the state scholarships.

E. Students must have official verification that they earned the requisite score on the SAT or an equivalent ACT score. In order to determine the minimum composite score for the SAT, students must use the highest Math score combined with the highest Evidence-Based Reading and Writing score. However, students cannot use the Essay subsection score to meet the minimum SAT score requirement. In order to determine the minimum composite score for the ACT, students must use the highest English score combined with the highest Math score, Reading score and Science score.

F. Grade point averages must be based on the current South Carolina Uniform Grading Policy, reported with at least two decimal places, and may not be rounded up. The South Carolina UGP GPA and class rank (if school/association officially ranks as a policy) must be printed on an official final end of year high school transcript, which must also include a uniform date of calculation as determined by the Commission on Higher Education. The graduation date must also be printed on the final end of senior year high school transcript. No coursework completed after the date of uniform calculation can be included in the end of the year GPA. Student must meet the scholarship eligibility criteria within four years of high school coursework.

G. Class rank must be based on the South Carolina Uniform Grading Policy using diploma candidates only. Class rank is determined at the end of the sophomore, junior and senior years (not the beginning of the next school year) before including any summer school coursework or including any students who transfer into your high school after the school year ended in May/June. Students cannot be removed from the class because they did not meet the eligibility criteria to apply, declined to apply, are not residents of the State, do not meet citizenship requirements, plan to attend college out-of-state, etc. The class rank information must include all students who attended your high school that school year. Only one student may occupy each place in class rank. The rank policy and rank policy information must be available to parents, students, colleges, and universities, and the Commission on Higher Education in publication form to include a school's website, student/parent handbook, and/or school profile. This language must include the ranking policy in place at the school/association. The ranking policy should be consistent in all places where the rank policy is published and is the same information disseminated to parents, students, colleges/universities, and the Commission. The South Carolina UGP GPA and class rank (if school/association officially ranks as a policy) must be printed on an official final end of year high school transcript, which must also include a uniform date of calculation as

62 EMERGENCY REGULATIONS

determined by the Commission on Higher Education. The graduation date must also be printed on the final end of senior year high school transcript.

H. The number of students included in the top six percent of the class will be the next whole number if the top six percent is not already a whole number. For example, a class size of 185 students would include the top twelve students since 11.1 rounds up to twelve. For those high schools that officially rank as a policy (see section 62-320.G.) with fewer than twenty students in the class, the top two students (students ranked as number one and two) shall be considered for the Scholarship regardless of whether they rank in the top six percent of the class. These students must meet all other eligibility criteria.

I. In order to apply for the Palmetto Fellows Scholarship using rank as one of the eligibility criteria, home school students must be a member of an approved home school program (as defined in relevant State Statute) that provides an official class rank for their members. All high schools (see section 62-310.N.) and home school associations must submit a rank report on official school/association letterhead that includes the class rank and GPA based on the current South Carolina Uniform Grading Policy for all students in the applicant's class. If a student is unable to obtain rank verification, he/she may also be eligible to apply using the alternative criteria of scoring at least 1400 on the SAT (or 31 on the ACT) and earning a minimum 4.00 cumulative GPA on the South Carolina UGP, without regard to class rank. These students must meet all other eligibility criteria.

J. For schools or home school associations that do not rank as an official policy, students must use the alternate criteria to meet eligibility requirements for the Palmetto Fellows Scholarship.

K. For the purposes of meeting the rank criterion, the existing high school rank of a South Carolina resident attending an out-of-state high school may be used, provided it is calculated pursuant to a state-approved, standardized grading scale at the respective out-of-state high school. If the Commission on Higher Education determines that a state-approved standardized grading scale substantially deviates from the South Carolina Uniform Grading Scale, the state-approved, standardized grading scale shall not be used to meet the eligibility requirements for the Palmetto Fellows Scholarship. The school counselor from the out-of-state preparatory school also has the option of converting the cumulative GPAs of all students in the applicant's class to the current South Carolina UGP to determine if the student ranks within the top six percent of the class and must provide a ranking report that identifies all students in the applicant's class and their respective GPA's based on the South Carolina UGP. When converting scores to the South Carolina UGP, weighting must adhere to the South Carolina UGP (i.e. honors no more than .50 and AP/IB no more than 1.0). In addition, scores/grades must correspond to the South Carolina UGP. For example, if a student earned a 90 in an honors class, the conversion of the scores/grades must be equivalent to the points assigned according to the current South Carolina UGP. To be considered equivalent, the out-of-state school's grading scale must adhere to the following minimum requirements:

1. Must include all courses carrying Carnegie units, including units earned at the middle school and high school level;

2. To be equivalent to an "A" letter grade, the numerical average must be ≥ 90 ; to be equivalent to a "B" letter grade the numerical average must be between 80 and 89; to be equivalent to a "C" letter grade the numerical average must be between 70 and 79; to be equivalent to a "D" letter grade the numerical average must be between 60 and 69; and to be equivalent to a "F" letter grade the numerical average must be between 51 and 59 (if a course with a numerical average of < 51 is considered passing by the high school the student earned the grade, then a 65 numerical average should be given);

3. Cannot add more than one half (.50) additional quality point for honors courses; cannot add more than one additional quality point for dual enrollment (DE) courses, Advanced Placement (AP) courses, and standard level International Baccalaureate (IB) courses; and, cannot add more than two additional quality points for higher level IB courses;

4. Must classify all other courses as College Preparatory if they are not already classified as honors, DE, AP or IB. For a class to be classified as honors, the course must be in English, mathematics, science or social studies or be the third/fourth level for all other content areas; and

5. If no numerical average is available, all letter grades must be converted to the equivalent numerical average based on the following: all "A" letter grades must be converted to a 95 numerical average, all "B" letter grades must be converted to a 85 numerical average, all "C" letter grades must be converted to a 75 numerical average, all "D" letter grades must be converted to a 65 numerical average, and all "F" letter grades must be converted to a 50 numerical average.

L. Students who attend out-of-state preparatory high school may also be eligible to apply by using the alternative criteria of scoring at least 1400 on the SAT (or 31 on the ACT) and earning a minimum 4.00 cumulative GPA on the current South Carolina Uniform Grading Policy. The student's school counselor must convert the student's grades to the UGP to determine if the student meets the GPA requirement. These students must meet all other eligibility criteria, including South Carolina residency requirements.

M. Students submitted for the late award will need to make arrangements for tuition and fee payments as a student will not be notified of their PFS status in enough time to meet any institutionally established payment deadlines.

62-325. Palmetto Fellows Scholarship Selection Process.

A. The Commission on Higher Education will notify students of their selection as a Palmetto Fellow along with the terms and conditions of the award.

B. Students who have met the academic requirements of the Scholarship must return a form to the Commission that designates an eligible two-year or four-year independent or public institution in which they plan to enroll by the date established by the Commission on Higher Education. The Palmetto Fellows Scholarship will only be awarded to those students who have a lawful presence in the United States and have been identified as a South Carolina resident at the time of initial college enrollment.

C. Visually impaired, hearing impaired or multi-handicapped students who qualify for the Scholarship may use the Palmetto Fellows Scholarship to attend a two-year or four-year out-of-state institution that specializes in educating students with their impairment upon receiving prior approval from the Commission on Higher Education. The Commission on Higher Education shall make the final decision whether an out-of-state institution specializes in the postsecondary education of visually impaired, hearing impaired or multi-handicapped students.

D. The Commission on Higher Education shall ensure that there is equitable minority participation in the Program.

62-330. Policies and Procedures for Awarding the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement.

A. The institution will identify award amounts, which cannot exceed:

1. \$6,700 the first/freshman year and \$7,500 for the second year, third year, fourth year and fifth year (if applicable) for the Palmetto Fellows Scholarship; Eligible Palmetto Fellows may prorate their award amount for the term of graduation.

2. \$2,500 for the second year, third year, fourth year and fifth year (if applicable) for the Palmetto Fellows Scholarship Enhancement if enrolled in a eligible four-year degree program or for not more than four years of

64 EMERGENCY REGULATIONS

instruction if enrolled in an eligible approved five-year degree program. Eligible Palmetto Fellows may prorate their award amount for the term of graduation.

3. For mid-year initial college enrollment (i.e. a student who starts college in the spring term), a student may receive a maximum of \$3,350 for the spring term. Beginning the second academic year (i.e. the fall term) a student may receive up to \$7,500 for the second year, third year, fourth year and fifth academic year (if applicable) for the Palmetto Fellows Scholarship; Eligible Palmetto Fellows may prorate their award amount for the term of graduation.

B. Half shall be awarded during the fall term and half during the spring term. Palmetto Fellows Scholarships and Palmetto Fellows Scholarship Enhancements are to be used only toward payment for cost-of-attendance as established by Title IV Regulations with modifications set forth in D below for the academic year the award is made at the designated independent or public institution. The maximum amount awarded shall not exceed the cost-of-attendance as established by Title IV Regulations for any academic year. During the final term of attendance, the institution may prorate the Palmetto Fellow Scholarship and the Palmetto Fellows Scholarship Enhancement award amount, for the number of credit hours attempted for the current term of attendance, which must be the term of graduation for the student. Proration will be based on 12 credit hours.

C. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year cannot be awarded the Palmetto Fellows Scholarship Enhancement until the next academic year. Additionally, students who change their major from an eligible degree program to an ineligible degree program during the same academic year will retain their Palmetto Fellows Scholarship Enhancement eligibility for the remainder of the current academic year.

D. Charges for room and board are to be limited as follows:

1. Room charges shall not exceed the average cost of on-campus residential housing; and

2. Board charges shall not exceed the cost of the least expensive campus meal plan that includes 21 meals per week.

E. In determining the amount awarded for the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement, all other sources of gift aid, including federal, State, private and institutional funds, must be applied to the unmet cost-of-attendance before calculating the Scholarship and Enhancement amounts and making the award. Adjustments to the financial aid package will be made to the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement in accordance with prescribed Title IV regulations in order to prevent an over-award.

F. Although a student may be named a Palmetto Fellow, the student may not receive a monetary award, if the award when combined with all other sources of gift aid would cause the student to receive financial assistance in excess of the student's cost-of-attendance as defined by Title IV regulations and the guidelines contained herein.

G. Eligible two-year and four-year independent and public institutions will notify students of their award along with the terms and conditions.

H. Effective Fall 2008, Section 59-101-430 (A), Chapter 101, Title 59 of the 1976 Code states that unlawful aliens are prohibited from attending South Carolina Public institutions of higher learning. This does apply to students who are currently enrolled, as well as new enrollees. In accordance of this law, institutions must institute a process that verifies an individual's lawful presence in the United States. This process must verify any alien's immigration status with the federal government. Students receiving the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement must be verified. Any student that is not verified and documented by the institution will not receive the Scholarship.

I. All eligible independent and public institutions that participate in the program must verify the lawful presence in the US of any student who receives a Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement prior to awarding the Scholarship to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

J. The institution must retain annual paper or electronic documentation for each award to include at a minimum:

1. Institutional Student Information Record (ISIR) or affidavit documenting that the student is not in default or does not owe a refund on any state or federal financial aid

L. The student shall be required to provide a state recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

62-335. Duration and Renewal of Awards.

66 EMERGENCY REGULATIONS

A. The Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement where applicable shall be initially awarded for one academic year. The institution shall adjust the amount of the Scholarship and Enhancement awards during the academic year in the event of a change in the student's eligibility.

B. Students selected as Palmetto Fellows must enter an eligible two-year or four-year independent or public institution no later than the fall term one year immediately following high school graduation. Students must be continuously enrolled at an eligible two-year or four-year institution. Students with a break in continuous full-time enrollment at a two-year or four-year institution will forfeit the scholarship.

C. A Palmetto Fellows Scholarship may be renewed annually for no more than a total of two terms towards a one-year certificate or diploma program, or four terms (based on the date of initial college enrollment) toward the first associate degree or two-year diploma program, or eight terms (based on the date of initial college enrollment) toward the first bachelor's degree or a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree or for no more than a total of ten terms (based on the date of initial college enrollment) toward the first approved five-year bachelor's degree. The Palmetto Fellows Scholarship Enhancement may not be awarded for no more than a total of six terms (based on the date of initial college enrollment) toward the first bachelor's degree or a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree or for no more than a total of eight terms (based on the date of initial college enrollment) toward the first approved five-year bachelor's degree. Students who have already been awarded their first bachelor or graduate degree are not eligible to receive the Palmetto Fellows Scholarship or the Palmetto Fellows Scholarship Enhancement. During the final term of attendance, the institution may prorate the Palmetto Fellow Scholarship and the Palmetto Fellows Scholarship Enhancement award amount, for the number of credit hours attempted for the current term of attendance, which must be the term of graduation for the student. Proration will be based on 12 credit hours (see section 62-330.B).

D. The institution is responsible for obtaining institutional certification of each recipient's cumulative grade point average and annual credit hours for the purposes of determining eligibility for award renewal. For the Palmetto Fellows Scholarship Enhancement, the institution must also obtain verification from the academic department of enrollment in a declared major in an eligible degree program.

E. By the end of the spring term each academic year, the institution must notify all Palmetto Fellows who have not met the continued eligibility requirements for the next academic year. The notification should include information regarding the student's ability to attend summer school in order to meet the continued eligibility requirements.

F. The eligible two-year or four-year independent or public institution is responsible for reporting to the Commission on Higher Education credit hours earned at the home institution only. Transfer credit hours cannot be reported by the home institution.

G. In order to retain eligibility for the Palmetto Fellows Scholarship after the initial year, the student must meet the following continued eligibility requirements:

1. Enroll and be continuously enrolled at an eligible two-year or four-year public or independent institution as a full-time, degree-seeking student at the time of Scholarship disbursement;

2. Earn at least a 3.0 cumulative GPA at the home institution for graduation purposes by the end of each academic year;

3. Earn a minimum of thirty credit hours for graduation purposes by the end of each academic year. Exempted credit hours (such as AP, CLEP, etc.), credit hours earned before high school graduation, and credit hours earned the summer term immediately following high school graduation cannot be used to meet the annual credit hour requirement;

4. Certify each academic year that he/she has not defaulted and does not owe a refund or repayment on any federal or state financial aid. If a student has an Institutional Student Information Record (ISIR) or its equivalent on file, the ISIR information will be used to verify default status or refund/repayment owed. Students who have not completed the Free Application for Federal Student Aid (FAFSA) must have an affidavit on file to verify that he/she is not in default and does not owe a refund or repayment on any federal or state financial aid, including the state grants/scholarships, Pell Grant, Supplemental Educational Opportunity Grant, Federal Perkins or Stafford Loan; and

However, a high school or college student who has been adjudicated delinquent, convicted, or pled guilty or *nolo contendere* of a second or subsequent alcohol or drug-related misdemeanor offense is only ineligible for the next academic year of enrollment at an eligible independent or public institution after the date of the adjudication, conviction or plea. If the adjudication, conviction or plea occurs during the academic year after the student has already submitted a signed affidavit to the institution, the student will continue to be eligible for the remainder of the academic year. However, the student will be ineligible for the Scholarship for the following academic year of enrollment. If a student completes a pretrial intervention program and his/her record is subsequently expunged, the charge will not affect Scholarship eligibility.

H. In order to retain eligibility for the Palmetto Fellows Scholarship Enhancement, a student must:

5. Successfully complete at least fourteen credit hours of instruction in education, mathematics, or life and physical science, or accounting, or a combination of these both at the end of the first year ~~for the 2007 freshman class and thereafter~~ of college enrollment. For the purpose of meeting the fourteen credit hour requirement at the end of the student's first year, exempted credit hours (AP, CLEP, IB, etc.), credit hours earned while in high school (dual enrollment), and credit hours earned during the summer session immediately prior to the student's date of initial college enrollment may be used. However, remedial coursework and continuing education coursework cannot be used to meet the fourteen credit hour requirement. Palmetto Fellows who were already enrolled in at least their second year in the 2007-2008 academic year only are not required to meet the fourteen credit hour requirement at the end of their first/freshman year.

I. Any student who attempts to obtain or obtains a Palmetto Fellows Scholarship or Palmetto Fellows Scholarship Enhancement through means of a willfully false statement or failure to reveal any material fact, condition, or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement.

68 EMERGENCY REGULATIONS

obtaining prior approval from the Commission on Higher Education, by submitting a transfer form, which is available on the Commission's Web site.

B. A student who applied for and was offered the Palmetto Fellows Scholarship as a senior in high school, but declined the award to attend an out-of-state two-year or four-year institution no later than the fall term one year immediately following high school graduation or a student who attends an out-of-state institution at any time during the eight eligible terms, must reapply if they transfer to an eligible two-year or four-year independent or public institution in South Carolina. The reapplication form is available on the Commission's Web site.

C. Transfer students and reapplication students are only eligible to receive the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement for the remaining terms of eligibility (based on the date of initial college enrollment).

D. Transfer students and reapplication students must comply with all standards for continued eligibility as defined under the "Duration and Renewal of Awards" Section in order for their award to be eligible for transfer.

E. The eligible two-year or four-year independent or public institution is responsible for reviewing all Palmetto Fellows transferring to their institution to determine whether the students are eligible for the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement.

F. The eligible two-year or four-year independent or public institution is responsible for reporting to the Commission on Higher Education credit hours earned at their institution only. Transfer credit hours cannot be reported by the home institution.

62-345. Students with Disabilities.

A. Palmetto Fellows who qualify under the Americans with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act of 1973 must meet all eligibility requirements as defined in the "Initial Eligibility" Section, except for the full-time enrollment requirement, in order to be eligible to receive funding. Students must comply with all institutional policies and procedures in accordance with ADA and Section 504 of the Rehabilitation Act of 1973.

B. For renewal, Palmetto Fellows who qualify under ADA and Section 504 of the Rehabilitation Act of 1973 must meet all renewal requirements as defined in the "Duration and Renewal of Awards" Section, except for a student not meeting the annual credit hour requirement who is approved by the Disability Services Provider at the home institution to be enrolled in less than full-time status or less than the required annual credit hours for that academic year. Each academic year for award renewal, students must earn the required number of hours approved by the institutional Disability Services Provider at the home institution and earn a minimum 3.0 cumulative grade point average at the home institution for graduation purposes. Students must comply with all institutional policies and procedures in accordance with ADA and Section 504 of the Rehabilitation Act of 1973.

C. The institutional Disability Services Provider must provide written documentation to the Office of Financial Aid prior to each academic year verifying that the student is approved to be enrolled in less than full-time status or less than the required annual credit hours. It is the responsibility of transfer students and reapplication students to provide written documentation from the previous institutional Disability Services Provider.

D. Palmetto Fellows who qualify under ADA and Section 504 of the Rehabilitation Act of 1973 are eligible to receive up to the maximum number of available terms and available funds.

62-350. Enrollment in Internships, Cooperative Work Programs, Travel Study Programs, or National or International Student Exchange Programs.

A. Students enrolled in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as full-time transfer credit are eligible to receive Palmetto Fellows Scholarship and Palmetto Fellow Scholarship Enhancement funds during the period in which the student is enrolled in such programs. Students will be required to meet the continued eligibility requirements.

B. Eligible students may use the appropriated portion of the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement funds for internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs that are approved by the home institution and that the home institution accepts as full-time transfer credit. Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement funds must be paid directly to the student's account at the home institution. The amount awarded cannot exceed the cost-of-attendance at the home institution or the cost-of-attendance at the host institution, whichever is less. The Commission on Higher Education will not transfer funds to the institutions where students will participate in internships, cooperative work programs, travel study programs, or National or International Student Exchange Programs. The home institution is responsible for funds according to the "Program Administration and Audits" Section.

C. Students who enroll in one academic term at the home institution and also enroll in an internship, cooperative work program, travel study program, or National or International Student Exchange Program that are approved by the home institution and that do not award full-time transfer credit during the same academic year must earn at least fifteen credit hours and a minimum 3.0 cumulative grade point average at the home institution for graduation purposes by the end of the academic year to be eligible for renewal the next academic year. The student may continue to be eligible for up to the maximum terms of eligibility based on the date of initial college enrollment (provided the student meets the continued eligibility requirements).

D. For students enrolling in an internship, cooperative work program, travel study program, or National or International Student Exchange Program that is approved by the home institution but does not award full-time transfer credit for the entire academic year, renewal for the next academic year will be based on the prior year's eligibility. The student may continue to be eligible for up to the maximum terms of eligibility based on the date of initial college enrollment (provided the student meets the continued eligibility requirements).

E. Students enrolling in an internship, a cooperative work program, a travel study program, or National or International Student Exchange Program that are approved by the home institution during the academic year and did not use their entire eligibility for the Palmetto Fellows Scholarship or the Palmetto Fellows Scholarship Enhancement funds during this period shall be allowed to receive one term of Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement funds during the succeeding summer or at the end of the maximum terms of eligibility based on the date of initial college enrollment (provided the student meets the continued eligibility requirements). In order to receive the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement funds for the succeeding summer term, students must enroll in twelve credit hours at the home institution. In order to maintain eligibility for the next academic year for students who only attend summer school, the student must earn at least twelve credit hours by the end of the academic year. For students who enroll in summer school and one other term of the academic year, the student must earn a total of at least 27 credit hours by the end of the academic year. The student must meet all continued eligibility requirements, except for the completion of the annual credit hour requirement for the academic year.

F. The home institution will be responsible for obtaining official certification of the student's cumulative grade point average and annual credit hours earned for purposes of determining eligibility for Scholarship and Enhancement renewal for the next academic year. For purposes of Enhancement eligibility, the home institution must also obtain certification from the academic department of enrollment in a declared major in an eligible degree program.

62-351. Military Mobilization.

70 EMERGENCY REGULATIONS

A. Service members who are enrolled in college and are affected by military mobilizations will not be penalized for the term they are required to withdraw after the full refund period based on the institutional policies and procedures. Institutions are strongly encouraged to provide a full refund of required tuition, fees and other institutional charges or to provide a credit in a comparable amount against future charges for students who are forced to withdraw as a result of military mobilization. Additionally, the term(s) that the service member is mobilized will not count against the maximum terms of eligibility. The service member shall be allowed to receive the unused term(s) while mobilized during the succeeding summer term or at the end of the maximum terms of eligibility (provided the service member meets continued eligibility requirements). The service member must re-enroll in an eligible independent or public institution within twelve months upon their demobilization and provide official documentation to verify military deployment to the institutional Financial Aid Office upon re-enrollment. Reinstatement will be based upon the service member's eligibility at the time he/she was mobilized. If the service member re-enrolls after the twelve month period, the service member must submit an Appeal Application to the Commission on Higher Education by the established deadline in order to be considered for reinstatement.

B. Service members who are enrolled in college and are mobilized for a minimum of one academic year may be eligible the next academic year, if they met the continued eligibility requirements at the end of the last academic year of attendance. Service members may continue to be eligible for up to the maximum terms of eligibility based on the date of initial college enrollment (provided the service member meets the continued eligibility requirements).

C. Service members who are enrolled in college and are mobilized for one academic term must complete at least fifteen credit hours and a minimum 3.0 cumulative grade point average at the home institution for graduation purposes by the end of the academic year to be eligible for renewal for the next academic year. Service members may continue to be eligible for up to the maximum terms of eligibility based on the date of initial college enrollment (provided the service member meets the continued eligibility requirements).

D. In order to receive the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement for summer school for any unused term(s), the service member must enroll in twelve credit hours during the succeeding summer term at the home institution. For service members who enroll in summer school and one other term of the academic year, the service member must earn a total of at least twenty-seven credit hours by the end of the academic year. In order to maintain eligibility for the next academic year for service members who only attend summer school, the member must earn at least twelve credit hours by the end of the academic year. The service member must meet all continued eligibility requirements, except for the completion of the annual credit hour requirement for the academic year.

E. The home institution will be responsible for obtaining verification of military mobilization status, cumulative grade point average and annual credit hours for the purpose of determining eligibility to renew the Palmetto Fellows Scholarship for the next academic year. For purposes of the Palmetto Fellows Scholarship Enhancement, the home institution must also obtain certification from the academic department of enrollment in a declared major in an eligible degree program.

62-355. Appeals Procedures.

A. The Commission on Higher Education shall define the procedures for scholarship appeals.

B. A student who does not meet the continued eligibility criteria for renewal of the Palmetto Fellows Scholarship forfeits continued participation in the Program and may request an appeal based on extenuating circumstances.

C. A student is allowed to submit only one appeal each academic year.

D. A completed appeal's application must be filed with the Commission on Higher Education by the established deadline of the academic year the scholarship is requested. The student must provide a completed application for appeal, a letter requesting an appeal describing the extenuating circumstance, official transcripts from all prior institutions, and any other supporting documentation to substantiate the basis for the appeal. It is the responsibility of the student to ensure that all documents necessary to file an appeal are received at the Commission by the established deadline. Commission staff will not contact the student regarding missing or incomplete appeals documentation. Failure to submit a completed appeal's application by the required deadline(s) will result in forfeiture of the scholarship.

E. A student who fails to submit an appeal by the required deadline will result in forfeiture of the award.

F. The Palmetto Fellows Scholarship shall be suspended during the appeal period, but will be awarded retroactively if the appeal is granted.

G. Students cannot appeal solely on the loss of the Palmetto Fellows Scholarship Enhancement.

H. The Appeals Committee's decision is final.

62-360. Institutional Disbursement of Funds.

A. The institution will identify award amounts, which cannot exceed:

1. \$6,700 the first/freshman year and \$7,500 for the second year, third year, fourth year and fifth year (if applicable) for the Palmetto Fellows Scholarship; Eligible Palmetto Fellows may prorate their award amount for the term of graduation (see section 62-330.B.).

2. \$2,500 for the second year, third year, fourth year and fifth year (if applicable) for the Palmetto Fellows Scholarship Enhancement if enrolled in a eligible four-year degree program or for not more than four years of instruction if enrolled in an eligible approved five-year degree program. Eligible Palmetto Fellows may prorate their award amount for the term of graduation (see section 62-330.B.).

3. For mid-year initial college enrollment (i.e. a student who starts college in the spring term), a student may receive a maximum of \$3,350 for the spring term. Beginning the second academic year (i.e. the fall term) a student may receive up to \$7,500 for the second year, third year, fourth year and fifth year (if applicable) for the Palmetto Fellows Scholarship; Eligible Palmetto Fellows may prorate their award amount for the term of graduation (see section 62-330.B.).

B. Half shall be awarded during the fall term and half during the spring term. Funds cannot be disbursed during the summer or any interim sessions except for disbursements made in accordance with the requirements of the "Enrollment in Internships, Cooperative Work Programs, Travel Study Programs, or National or International Student Exchange Programs" or "Military Mobilization" Sections. Palmetto Fellows may not be funded for more than a total of eight terms of study toward the first bachelor's degree or a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree or for more than a total of ten terms of study toward the first approved five-year degree. Palmetto Fellows Scholarship Enhancements may not be funded for more than a total of six terms toward the first bachelor's degree or a program of study that is structures so as not to require a bachelor's degree or for no more than a total of eight terms toward the first-approved bachelor's degree.

C. The Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement cannot be applied to remedial coursework, continuing education coursework, a second bachelor's degree or to graduate coursework, unless the graduate coursework is required as part of a program of study that is structured so as not to require a bachelor's degree and leads to a graduate degree as defined in the "Definitions" Section or the student is enrolled in one of the following programs: 1) Master of Science in Physician Assistant Studies at the Medical

72 EMERGENCY REGULATIONS

University of South Carolina; 2) Doctor of Pharmacy at the Medical University of South Carolina; 3) Doctor of Pharmacy at the University of South Carolina; and 4) Doctor of Pharmacy at Presbyterian College. In the event of early graduation, the award is discontinued.

D. Students who change their major from an ineligible degree program to an eligible degree program during the same academic year cannot be awarded the Palmetto Fellows Scholarship Enhancement until the next academic year. Additionally, students who change their major from an eligible degree program to an ineligible degree program during the same academic year will retain their Palmetto Fellows Scholarship Enhancement eligibility for the remainder of the current academic year.

E. The institution shall provide each Palmetto Fellow with an award notification for each academic year, which will contain the terms and conditions of the Scholarship and other financial aid awarded. Students will be notified of adjustments in financial aid due to changes in eligibility and/or over-award issues. The Commission on Higher Education, for documentation purposes, requires that each institution obtain verification of acceptance of the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement and terms for the awards.

F. After the last day to register for each term of the academic year, the institution will verify enrollment of each recipient as a South Carolina resident who is a full-time degree-seeking student.

G. The institution must submit a request for funds and/or return of funds by the established deadline each term. The Commission will disburse funds to eligible independent and public institutions to be placed in each eligible student's account. In addition, a listing of eligible recipients by identification number with the award amounts must be sent to the Commission on Higher Education by the established deadline each term. At this time, any unused funds must be returned to the Commission immediately.

H. The Commission will disburse awards to the eligible four-year independent and public institutions to be placed in each eligible student's account.

I. The student shall be required to provide a state recognized unique identifier in order for the institution to award, disburse, and/or transfer the student's state scholarship and/or grant to an eligible institution.

62-365. Refunds and Repayments.

A. In the event a student who has been awarded the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement withdraws, is suspended from the institution, or drops below full-time status during any regular term of the academic year, institutions must reimburse the Program for the amount of the Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement for the term in question pursuant to refund policies of the institution. Collection is the responsibility of the institution.

B. In the event a student withdraws or drops below full-time status after the institution's refund period and therefore must pay tuition and fees for full-time enrollment, the award may be retained by the student pursuant to the refund policies of the institution.

C. In the event a student who has been awarded the Palmetto Fellows Scholarship and the Palmetto Fellows Scholarship Enhancement and has been identified as not being a South Carolina resident at any time, the institution must reimburse funds to CHE for the time period the student was no longer a South Carolina resident.

62-370. Program Administration and Audits.

A. The South Carolina Commission on Higher Education shall be responsible for the oversight of functions (e.g., guidelines, policies, rules, regulations) relative to this Program with the eligible independent and public institutions. The Commission on Higher Education shall be responsible for the allocation of funds, promulgation

of guidelines and regulation governing the Program, any audits, or other oversight as may be deemed necessary to monitor the expenditure of funds.

B. According to the Audit Policies and Procedures for Scholarship and Grant Programs Manual, all eligible independent and public institutions must abide by all Program policies, rules and regulations. Institutions also agree to maintain and provide all pertinent information, records, reports or any information as may be required or requested by the Commission on Higher Education or the General Assembly to ensure proper administration of the Program.

C. The Chief Executive Officer at each eligible independent and public institution shall identify to the Commission on Higher Education an institutional representative who is responsible for the operation of the Program on the campus and will serve as the contact person for the Program. The institutional representative will act as the student's fiscal agent to receive and deliver funds for use under the Program.

D. All eligible independent and public institutions that participate in the program must verify the lawful presence in the US of any student who receives a Palmetto Fellows Scholarship and Palmetto Fellows Scholarship Enhancement prior to awarding the Scholarship to the student. When verifying the lawful presence of an individual, institutional personnel shall not attempt to independently verify the immigration status of any alien, but shall verify any alien's immigration status with the federal government pursuant to 8 USC Section 1373(c).

E. The participating institution shall identify to the Commission on Higher Education an institutional representative who will be responsible for determining residency and lawful presence classification for the purposes of awarding the Palmetto Fellows Scholarship.

F. Independent and public institutions of higher learning in this, or any other state in the U.S., are prohibited from using the Palmetto Fellows Scholarship in programs that promote financial aid incentives or packages. Any mention of the Palmetto Fellows Scholarship in these financial aid packages must indicate the scholarship to be separate from the University that is offering the financial aid package, and reference the Palmetto Fellows Scholarship as a separate financial aid award, provided to the student by the State of South Carolina.

62-375. Suspension or Termination of Institutional Participation.

A. The Commission on Higher Education may review institutional administrative practices to determine compliance with pertinent statutes, guidelines, rules or regulations. If such a review determines that an institution has failed to comply with Program statutes, guidelines, rules or regulations, the Commission on Higher Education may suspend, terminate, or place certain conditions upon the institution's continued participation in the Program and require reimbursement to the Program for any funds lost or improperly awarded.

B. Upon receipt of evidence that an institution has failed to comply, the Commission on Higher Education shall notify the institution in writing of the nature of such allegations and conduct an audit.

C. If an audit indicates that a violation(s) may have occurred or are occurring at any eligible independent or public institution, the Commission on Higher Education shall secure immediate reimbursement from the institution in the event that any funds were expended out of compliance with the provisions of the Act, any relevant statutes, guidelines, rules, and regulations.

Statement of Need and Reasonableness:

Since existing regulations only apply to specific wildlife management areas, new regulations must be filed to establish seasons, bag limits and methods of hunting and taking of wildlife on new WMAs as well as expanding use opportunities on existing WMAs. Since the availability of specific fields changes each year and season dates change as allowed by Federal Regulation it is necessary to file Dove Field regulations annually. Because these hunts begin on December 22, it is necessary to file these regulations as emergency so they take effect immediately.

Fiscal Impact Statement:

This amendment of Regulation 123-40 will result in increased public hunting opportunities which should generate additional State revenue through license sales. In addition, local economies should benefit from sales of hunting supplies, food and overnight accommodations. Sales taxes on these items will also directly benefit government.

Fiscal Impact Statement:

There will be no cost incurred by the State or any of its political subdivisions.

Statement of Rationale:

Regulation 15-47 establishes voluminous and complicated procedures for a credit union to obtain BOFI's approval to merge with another credit union. BOFI proposes to amend this Regulation to simplify and clarify merger procedures for state-chartered credit unions, and also to provide parity with federal credit unions regarding the merger process.
